Halloween, Hexes & Handcuffs Beverly A Rearick,2023-11-19 A hex of a Halloween awaits. Samantha Reitenbach and her vampire beau, Sheriff Brandon Phillips, had planned for a day of spectral delights at the world-renowned Moonflower Halloween Festival-a gathering point for paranormals on the one day the veil between worlds thins. Their enchanting escapade takes a sinister turn when a mysterious hacker infiltrates Brandon's station, sowing unease in the usually unflappable sheriff. To make matters more complicated, the sinister Paranormal Council takes over event security, leaving Brandon skeptical of their intentions. Amidst the mystical allure of the festival, tragedy strikes when a body is unearthed within the haunted underworld ride with the victim connected to Samantha at a time when she's been somehow enchanted to speak thoughts and opinions best left buried. As they struggle to piece together the puzzle, they uncover a tangle of elusive clues and hidden motives. Each twist brings Samantha and Brandon closer to a haunting truth. It's a scramble against time where clues float like fog over a moonlit graveyard. Halloween, Hexes & Handcuffs is the sixth paranormal cozy mystery in the Moonflower Mystery Series.

Other People's Horses Bethany Brandon,2000-06 What do you want to be when you grow up? For a restless soul like Bailey, settling on an answer isn't easy especially when the choice seems so unlikely. Who knew she'd have a knack for drilling oil wells? Never mind that it's the Nineties, and another boom is on. This is still Texas, and a woman in the oil patch has got to want to be there. And even then, sometimes you find when you get what you want it's not what you thought it would be after all. From the smoky bars of Austin to the oil fields of the south, this coming-of-middle-age-tale spans a backdrop big as Texas to capture a quintessential truth about what it means to find your place.

Good for Nothing Brandon Graham,2017-01-01 Enchanted by Good For Nothing... --Stephen Fry This book could be the lovechild of Bill Bryson and Martin Amis.... But at its heart is a very serious point. It is about the tsunami of destruction that has hit Middle America since the financial crisis. --Daily Mail Flip Mellis believes his recent past would be best described as: a man with his feet planted on terra firma. As a husband and father, he was a consistent breadwinner. As a business professional, he was a go-getter. For twenty years, he did all that was expected of him, if not much more. But a job loss in his middle years, in the midst of a national economic crisis, has knocked Flip squarely on his big, soft ass, where he has been wallowing for nearly a year. Over the course of one hectic week, replete with a cast of colorful characters, Flip is forced by circumstances of his own invention to finally get his life headed in the right direction. Like a pudgy, irritable toddler, he carefully tests his balance and lurches forward, stumbling around absurd obstacles and grasping for any solid purchase. Ultimately a spark of human resilience locked deep within his core begins to spread. The question becomes: will Flip's best efforts be enough to lead him safely to redemption or will they merely lead to a futile, purely graceless, and quixotic crash?

Hugo Read This! Brandon Swarrow,2009-05-11 Groomed by his father, former National Football League quarterback Sebastian Brody, Hugo Brody is a natural athlete with a cannon for an arm and a wealth of raw talent. When Hugo joins the San Diego Chargers, he delivers—manifesting win after win for his team. His performance on the field exceeds expectations. His performance off the field becomes more legendary by the day. With his flashy persona and good looks, Hugo pursues a luxurious lifestyle of drinking and partying that offends his father, who warns him that his sin and betrayal could ignite some bad karma. Hugo is unnerved when strange events occur at his mansion. He relies on his behemoth bodyguard to protect him from everything, including the most obsessive fans. As society incessantly fuels his arrogance, stardom consumes him. Hugo turns to a cast of characters who inevitably steer him downward. Someone is seeking to destroy not only his career but him as well. Hugo soon learns that the higher one rises the further and faster one falls.

Brotherhood of the Called Brandon Pasa,2013-01-17 Have you ever felt that you were meant for more? Does the feeling that your life is supposed to be so much bigger than it is? This is the story of four young boys who hear the call of destiny on their lives while at their family estate in northern Washington. There is a secret that their family has held for centuries. A secret that has deemed it the proper time to be revealed to these boys. Join these young adventurers on the journey that destiny has for them. You might just find that destiny is calling you as you laugh with them, struggle with their choices that must be made, and relate to the flurry of emotions that they will experience on their journey. Will they choose right or ruin? What would you choose? Their Choice is Their Destiny

The Drawings of Bronzino Carmen Bambach,Agnolo Bronzino,Janet Cox-Rearick,George R. Goldner,Philippe Costamagna,Marzia Faietti,Elizabeth Pilliod,2010 Drawings by the great Italian Mannerist painter and poet Agnolo Bronzino (1503-1572) are extremely rare. This important and beautiful publication brings together for the first time nearly all of the sixty drawings attributed to this leading draftsman of the 16th century. Each drawing is illustrated in color, discussed in detail, and shown with many comparative photographs. Bronzino's technical virtuosity as a draftsman and his mastery of anatomy and perspective are vividly apparent in each stroke of the chalk, pen, or brush. The younger generations of Florentine artists particularly admired Bronzino for his technical virtuosity as a painter, and Giorgio Vasari praised him for his powers as a disegnatore (designer and draftsman).

Recharged Brandon Terrell,2013-01-01 With the leadership of the Revolution destroyed, Omar and his friends are on the run from the Collective when another vision leads them to Fiona Skylark, who has a piece of the Fragment embedded in her stomach--but the biggest shock for Omar is yet to come.

Brandon Harrington: Records of Rebirth 3 Brandon Brandon Harrington,2021-08-09 Aurelia Ross was a normal girl who had it all planned. Her mottos were simple - stay out of trouble, get into university, take care of your siblings. Nothing too out of the ordinary. However, due to forces outside of her control she has been reborn. The gods deemed her fate short and unfulfilled, so they placed her into a new world, granting her a second chance at life. Born on the planet of Aeon, in a vast underground world teeming with creatures. She will build a new life, and rewrite past wrongs so she can finally be happy. There's only one small problem. She's no longer human and everything in her new environment is either trying to eat her or feed her to their children. But its not all bad. She possesses the unique skill [Devour] that let's her gain the abilities of anything she kills. In a new world with its own set of rules, will this be enough to triumph, or will she need more wit than magic? Can Aurelia get strong enough to survive or will she get devoured before she gets to enjoy her new life?

Remembering Masculinity in Early Modern Florence Allison Mary Levy, 2006-01-01 This book nuances our understanding of commemorative portraiture in early modern Florence. The author argues that male and female portraiture, complexly generated within a discourse of male anxiety and pre-mortuary mourning, could pictorially console the subject against his own potentially unmourned death. Merging early modern visual culture and critical theories of the body, this book raises new questions about Renaissance portraiture and re-configures our understanding of masculinity and mourning.

Brandon's Bliss Dale Mayer, 2018-03-02 Brandon, the newest member of Levi's team at Legendary Securities, heads to Africa. Bullard purchased a new holding there, but, shortly after arriving, went missing. Kasha has worked for Bullard for five years. She's familiar with most of those who work for Legendary as well. Brandon proves his worth almost immediately, planning her boss's rescue and staying right by her side in the days that follow while they determine what imbroglio Bullard's stepped into. Accident or a deal gone horribly wrong, it seems Bullard was running guns and now his newest holding is under attack. Their emotions, heightened by danger, run hot as Brandon positions himself instinctively at Kasha's side--which is exactly where he hopes to be permanently if they can just find a way out of this rapidly escalating mess.

We Share the Stars Brandon Connor, 2016-09-18 Following the sudden death of his friends and having already lost the few members of his biological family, an unnamed character leaves home without an intended destination, at first. As he progresses further into the city during the brutal December day, perspectives of strangers he encounters along the way interrupt his passages. Through the eyes of the son of two café owners, a drug dealer's girlfriend, a lonely widow trying to reconnect with his son, a statewide distributor, a school principal at conflict with his occupational and marital stability, a lonely widow, a lazily truculent egomaniac, and a dog cast into exile, further light is shed upon his situation and the deeply similar aspects of the human element that connect them all more intimately than they realize.

At Odds Brandon Reid, 2007-12 Fifty workers have been kidnapped by a vicious gang and are being held in the gang's heavily-guarded, 12-story headquarters. A team has been assigned to penetrate the gang's fortress building and release the captives????????????????????at any cost.

In My Time of Need Brandon Pomeroy, 2016-03-26 Volunteering at a free health clinic or cleaning bathrooms in a Catholic Worker house, John Reynolds had a heart for the poor. He spent his days off helping others. But that was the problem, with a busy family and an active surgical practice he had very little spare time. When a life-altering tragedy strikes, he knew he had to make a change. Whether working for environmental improvement in Belize, performing surgery in poverty-stricken Uganda, or demonstrating for higher wages in Kansas City, John's journey is intentional, spiritual and universal. An unconventional love story, *In My Time of Need* is uplifting and encouraging. It finds God in simple acts of humility, mercy, and love. Filled with grace and humor, it envisions a way of approaching life in which people put faith into action and work together for the common good.
