Bratfest at Tiffany's Lisi Harrison, 2008-08-01 Massie Block: The Briarwood boys have invaded OCD and are taking over everything. Worse, the soccer boys have become so popular that the Pretty Committee's alpha status is in serious jeopardy. So Massie lays out a New Year-New Pretty Committee rule: Anyone caught crushing on a boy will be thrown out of the NPC-forever. But will she be able to follow her own decree when she sees that Derrington has ditched his shorts-obsession in favor of ah-dorable jeans? Alicia Rivera: Is the opposite of onboard with the boyfast. Her crush, the Ralph Lauren-luh-ving Josh Hotz, is more irresistible than crème brûlée fro-yo. But is he worth losing her spot in the NPC? And taking on the wrath of Massie? Dylan Marvil: Is so ready for the boyfast. She's straightened her unruly red hair and permanently pressed boys out of her life. If only she could do the same with curly fries and caramel popcorn. Kristen Gregory: Has traded her sporty-chic Pumas for Billabong board shorts and a shark tooth necklace. She claims she's sworn off boy-crushes, so what's with her Blue Crush makeover? Claire Lyons: Spent all summer thinking about Cam's one blue eye and one green eye. But now he's moved on to a new girl faster than you can say cuh-yutest couple. At least Claire finally has a secure spot in the NPC-unless jealousy-flirting breaks the boyfast. . . . The Clique: The only thing harder than getting in is staying in.

Madison For Dads: 101 Dad-Related Adventures Brian D'Ambrosio,

Official Gazette of the United States Patent and Trademark Office, 2003

The Flavor of Wisconsin Harva Hachten, Terese Allen, 2013-09-03 The Wisconsin Historical Society published Harva Hachten's *The Flavor of Wisconsin* in 1981. It immediately became an invaluable resource on Wisconsin foods and foodways. This updated and expanded edition explores the multitude of changes in the food culture since the 1980s. It will find new audiences while continuing to delight the book's many fans. And it will stand as a legacy to author Harva Hachten, who was at work on the revised edition at the time of her death in April 2006. While in many ways the first edition of *The Flavor of Wisconsin* has stood the test of time very well, food-related culture and business have changed immensely in the twenty-five years since its publication. Well-known regional food expert and author Terese Allen examines aspects of food, cooking, and eating that have changed or emerged since the first edition, including the explosion of farmers' markets; organic farming and sustainability; the slow food movement; artisanal breads, dairy, herb growers, and the like; and how relatively recent immigrants have contributed to Wisconsin's remarkably rich food scene.

Explorer's Guide Wisconsin (Explorer's Complete) Mollie Boutell-Butler, 2009-12-07 Features recommendations for dining, lodging, transportation, shopping, recreational activities, landmarks, and cultural opportunities.

Flavor of Wisconsin for Kids Terese Allen, Bobbie Malone, 2014-09-12 What are some food favorites in Wisconsin, and why are they special to us? How have our landscape and the people who have inhabited it contributed to our food heritage? This unique blend of history book and cookbook gives kids a real taste for hands-on history by showing them how to create and sample foods that link us to the resources found in our state and the heritage of those who produce them. Designed for kids and adults to use together, *The Flavor of Wisconsin for Kids* draws upon the same source material that makes *The Flavor of Wisconsin* by Harva Hachten and Terese Allen a fascinating and authoritative document of the history and traditions of food in our state, and presents it in a colorful,

kid-friendly format that's both instructional and fun. Mindful of the importance of teaching kids about where the foods they eat come from, each chapter examines a different food source—forests; waters; vegetable, meat, and dairy farms; gardens; and communities. The authors explore our state's foodways, from their origins to how they have changed over the years, and then offer a selection of related recipes. The recipes are written for modern kitchens but use many traditional ingredients and techniques. Level of difficulty is clearly noted, as well as whether a recipe requires a heat source to prepare.

It Started in Wisconsin Mari Jo Buhle, Paul Buhle, 2012-01-09 In the spring of 2011, Wisconsinites took to the streets in what became the largest and liveliest labor demonstrations in modern American history. Protesters in the Middle East sent greetings—and pizzas—to the thousands occupying the Capitol building in Madison, and 150,000 demonstrators converged on the city. In a year that has seen a revival of protest in America, here is a riveting account of the first great wave of grassroots resistance to the corporate restructuring of the Great Recession. *It Started in Wisconsin* includes eyewitness reports by striking teachers, students, and others (such as Wisconsin-born musician Tom Morello), as well as essays explaining Wisconsin's progressive legacy by acclaimed historians. The book lays bare the national corporate campaign that crafted Wisconsin's anti-union legislation and similar laws across the country, and it conveys the infectious esprit de corps that pervaded the protests with original pictures and comics.

He Said, She Said (HB) John Mazur, 2022-03-07 *He Said, She Said: A Chivalrous Romance (HB)*
By: John Mazur The cushion of your favorite chair sinks to a comfortable level, and the story begins, alternately told in the voice of Doctor Elaine Emerson and Professor Peter DuBois. *He Said, She Said* is a chivalrous romance that blossoms out of respect, patience, and understanding, uniquely tied through spiritual forces, intellectual and romantic. Now an accepted physician at one of San Francisco's top hospitals, Doctor Elaine has it all; all except for her professor. Enduring dark times, Doctor Elaine and Professor DuBois encourage one another to struggle through, for their hook is a wonderful connection many would find hard to believe or comprehend. Their unique tie is perhaps from another world exposed within their souls, then again, who knows? Impossible, you say, yet, in truth, it happens. Scary at first, yet it is a lot of fun. Then gone, but not forever. During their short time of love, Peter does everything to entice Elaine's desire to never forget to return to their high mountain Montana kingdom of love, where she is goddess of all she sees. But Peter is gone now, and Doctor Elaine assumes they are no longer a couple. As she follows some of his successes in the writing world, Elaine conjures vivid memories of their love, wondering how, and why, and what now?
