*Modern Brazilian Portuguese Grammar* John

Whitlam, Agripino S. Silveira, 2022-12-30 Modern Brazilian Portuguese Grammar: A Practical Guide is an innovative reference guide to Brazilian Portuguese, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers traditional grammatical categories such as agreement, nouns, verbs and adjectives. Part B is carefully organized around language functions covering all major communication situations such as establishing identity, making contact and expressing likes, dislikes and preferences. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Building on the success of the second edition, this third edition provides new and extended notes for Spanish speakers, which focus on common difficulties faced by learners of Portuguese, as well as revised explanations of grammar and usage, which include the use of 'tu' in Portuguese. A combination of reference grammar and practical usage manual, complemented by a Companion Website with audiovisual material and a

separate Workbook designed to accompany the Grammar, this textbook is the ideal source for learners of Brazilian Portuguese at all levels, from beginner to advanced.

**Criterion-Referenced Language Testing** James Dean Brown, Thom Hudson, 2002-05-20 Criterion-referenced Language Testing looks at the practical applications of this new area of language testing.

**Colloquial Portuguese of Brazil** Viviane Gontijo, 2015-08-27 Colloquial Portuguese of Brazil: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-by-step course to Brazilian Portuguese as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Brazilian Portuguese in a broad range of situations. No prior knowledge of the language is required. Colloquial Portuguese of Brazil is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining

dialogues covering a broad variety of narrative situations Helpful cultural points explaining the customs and features of life in Brazil An overview of the sounds of Brazilian Portuguese Balanced, comprehensive and rewarding, Colloquial Portuguese of Brazil is an indispensable resource both for independent learners and students taking courses in Portuguese of Brazil. Audio material to accompany the course is available to download free in MP3 format from

[www.routledge.com/cw/colloquials](http://www.routledge.com/cw/colloquials). Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.
