Radical Spirit Joan Chittister, 2017-04-25 Feeling burnt-out from life, strung-out from social media, and put out by a society that always wants more from you? Beloved nun and social activist Joan Chittister, who appeared on Oprah's Super Soul Sunday, offers a practical, character-building, and inspirational guide to help you take control of your emotional life and redirect your spiritual destiny. Joan Chittister, whom Publishers Weekly calls one of the most well-known and trusted contemporary spiritual authors, is a rabble-rousing force of nature for social justice, and a passionate proponent of personal faith and spiritual fulfillment. Drawing on little known, ancient teachings of the saints, Sister Joan offers a practical program to help transform our thinking and rebel against our fears, judgments and insecurities. Freedom from anxiety, worry, and tensions at home and work, comes when we give ourselves to something greater, she argues. We need to seek wisdom rather than simply facts, to think before speaking, and in turn create respectful communities. With a series of twelve simple rules for healthy spiritual living, Chittister not only reminds us, but pleads with us, to develop enduring values by shifting our attention to how God wants us to live. This book will teach you how to accomplish this.

Beards, Azymes, and Purgatory A. Edward Siecienski, 2022-09-30 In 1576, as the Protestant Reformation continued to sweep across Western Europe and Catholic prelates tried to stem the tide through diligent application of Trent's reforming agenda, the Cardinal Archbishop of Milan, Charles Borromeo (1538-84) penned a letter to his clergy. In order to restore the Church to its former glory, he enjoined his beloved brethren to bring back good observances and holy customs which have grown cold and been abandoned over the course of time. Chief among them, he wrote, was the custom, which although ancient, had been practically lost nearly everywhere in Italy . . . I mean the practice that ecclesiastical persons not grow, but rather shave the beard, . . . a custom of our Fathers, almost perpetually retained in the Church that was replete with mystical meanings.--

Mysteries of the Everlasting Kingdom Lonnie Martin, 2016-02-23 Mysteries of the Everlasting Kingdom is the first book in a series of four on Bible commentary. The unique feature of this series is that the verses quoted are from my own version of the Bible-the Gabriel Bible, with a few noted exceptions It is the first Bible to include the Creators actual name-Yehovah, as found about 50 times in the oldest known complete Hebrew Bible, the Leningrad codex. The lead chapter in the series is called Israel's Seven Apocalyptic Days. It explains how the seven annual Feast and Festival days (there is a difference) all have a strong End Time significance. Those seven days will be more relevant in the near future than in any time since Moses revealed them! That significance will all occur within the span of seven months during the year 6000 (4000 being the year Yeshua (Jesus) referenced in Luke 4:21, Today this Scripture you just heard read has been fulfilled.

Karaite Anthology Leon Nemoy, 1952 The Karaites, a small Jewish sect that arose twelve centuries ago and still exists today, was at one time the most outspoken and productive schismatic division in Judaism. The Karaites contributed much to the Jewish literature of the Middle Ages, for they developed their own corpus of theological dogmas, liturgy, juristic exegesis, metaphysical concepts, secular poetry, apologetics, and sermons. This anthology-the first of its kind in any language of the West-provides excerpts from the early Karaite literature (down to about the year 1500) representing the full range of their thought and belief. All extracts have been translated directly from Arabic, Aramaic, and Hebrew original sources. This book marks the first attempt in any language to present a chronological exposition of seven centuries of evolution of this interesting Jewish sect through a selection of excerpts from the writings of its spokesmen. . . . [A] pioneering achievement.-Zvi Ankori, Jewish Social Studies Will be of real interest. . . to historians of religion, sociologists of religion, students of Judaism, Talmudic scholars, students of comparative religious law, and scholars interested in the relation between Islam and Judaism in the Middle Ages.-Maurice S. Friedman, The Journal of Religion The book is an important addition to Qaraite literature in English.-Isis The texts are wisely chosen, carefully edited, and supplied with copious notes. An excellent introduction to each writer is given. The book is successful from every point of view.-Edward Robertson, The Royal Asiatic Society The commentaries of [the] scholars. . . are important additions to Jewish scholarly research.-Jewish

Reflections on the Sunday Gospel Pope Francis, 2022-11-01 Pope Francis illuminates a new, vibrant way of experiencing the Gospel through moving, intimate, and deeply meditative reflections that encourage us to live fully with meaning, purpose, and strength. We live in an unprecedented time that has threatened to upend our daily rhythms, our work, our homes, even our faith. More than ever, we need books like *Reflections on the Sunday Gospel* to stir us to hope, to comfort, to peace. We need to remember what we live for and how good God is. These reflections—published in English for the first time, drawn both from homilies given by Pope Francis and readings from the Fathers of the Church, including Saint Augustine, Saint Jerome, and Saint Ambrose—do more than offer a way to enter into the liturgical year with weekly readings to enrich your devotional time. They offer Christ, and the power of His resurrection. They offer His words of assurance: “I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world” (Jn 16:33, ESV). Ultimately, as Pope Francis guides us through these timeless words, we will glean how even the giants of the faith needed God as much as we do, and how we can draw near to a good and faithful God no matter where we are or what season we’re in.

Everyone Leads Chris Lowney, 2017-04-04 Drawing on decades of leadership experience, bestselling author Chris Lowney examines the profound challenges facing the global Catholic Church, shares real-life stories of Catholics making a difference, and offers practical suggestions for change. The Catholic Church is suffering its worst decline in five centuries—a precipitous slide that will turn catastrophic unless reversed by fundamental changes in strategy, culture, and leadership style. Even the inspiring leadership of Pope Francis will not reverse the slide without a strategy for action, from the grassroots through the hierarchy. Chris Lowney, a former Jesuit seminarian and business executive who now chairs one of the world’s largest Catholic ministries, not only outlines the challenges but also maps the path forward in *Everyone Leads*. After a bracing review of the church’s global struggles—from clergy shortages to declining participation—Lowney draws on two decades of change-management experience to propose an EASTeR strategy of five transformational principles: be entrepreneurial, be accountable, serve, transform, and reach out. These five ideas can catalyze profound change in every parish, in how bishops think, and in the roles laypeople play in leading the church. Filled with real-life examples, *Everyone Leads* outlines strategies that anyone can employ—from the pews to the pulpit—to strengthen the church. As a former business executive who lectures globally about leadership, Lowney speaks credibly about the institution’s challenges and potential. And, as chair of one of Catholicism’s largest hospital systems, he writes “from within” as a Catholic who loves his church and is committed to seeing it flourish.

The Monastic Heart Joan Chittister, 2021-09-21 The activist, nun, and esteemed spiritual voice who has twice appeared on Oprah Winfrey’s *Super Soul Sunday* sounds the call to create a monastery within ourselves—to cultivate wisdom and resilience so that we may join God in the work of renewal, restoration, and justice right where we are. “Essential reading for anyone wishing to find the compass of their heart and the wellspring from which to live fully.”—Gregory Boyle, founder of Homeboy Industries and New York Times bestselling author of *Tattoos on the Heart* “In every beating heart is a silent undercurrent that calls each of us to a place unknown, to the vision of a wiser life, to become what I feel I must be—but cannot name.” So begins Sister Joan Chittister’s words on monasticism, offering a way of living and seeing life that brings deep human satisfaction. Amid the astounding disruptions of normalcy that have unfolded in our world, Sister Joan calls all of us to cultivate the spiritual seeker within, however that may look across our diverse journeys: “We can depend only on the depth of the spiritual well in us. The well is the only thing that can save us from the fear of our own frailty.” This book carries the weight and wisdom of the monastic spiritual tradition into the twenty-first century. Sister Joan leans into Saint Benedict, who, as a young man in the sixth century, sought moral integrity in the face of an empire not by conquering or overpowering the empire but by simply living an ordinary life extraordinarily well. This same monastic mindset can help us grow in wisdom, equanimity, and strength of soul as we seek restoration and renewal both at home and in the world. At a time when people around the world are bearing witness to human frailty—and,

simultaneously, the endurance of the human spirit—The Monastic Heart invites readers of all walks to welcome this end of certainty and embrace a new beginning of our faith. Without stepping foot in a monastery, we can become, like those before us, a deeper, freer self, a richer soul—and, as a result, a true monastic, so “that in all things God may be glorified.”

A School of Prayer Pope Benedict XVI,2012 His Holiness Pope Benedict XVI has declared the year between Oct. 11, 2012 and Nov. 24, 2013 to be a Year of Faith. Part of the purpose of this year is, in the words of the Pope, to rediscover the content of the faith that is professed, celebrated, lived and prayed... (Porta Fidei). Deepen your prayer life this year with this collection of meditations from the Holy Father's catechesis on prayer, offered since the spring of 2011 through his Wednesday audiences in St. Peter's Square. These addresses contain profound meditations on prayer as practiced by some of the great figures of history, beginning with Old Testament patriarchs and prophets, leading up to Jesus, our great model in prayer, and continuing on to the prayer of the disciples after the resurrection. The addresses collected in this volume (May 2011 to May 2012) reveal to the Christian in the modern world how he too can live by faith in the God who is always present. In the upcoming catechesis [...] let us learn to live our relationship with the Lord even more intensely, as if it were a school of prayer. ~ Pope Benedict XVI
