Helping Families of Youth with School Attendance Problems Christopher A. Kearney, 2019 The book consists of 7 chapters that guide the reader through the assessment, consultation, and intervention processes for various cases of school attendance problems. Initial material focuses on an overview and on a rapid assessment and consultation process, but the heart of the book is centered on extensive and detailed recommendations to guide clinicians and school officials through an efficient intervention process to reduce a child's school absenteeism and related behavior problems--

Build the Brain for Reading, Grades 4-12 Pamela Nevills, 2010-10-18 Engage students' brains with state-of-the-art literacy strategies. This reference infuses the most current neurology research into concrete steps for targeted, developmentally appropriate reading instruction.

Untying the Mother Tongue Antonio Castore, Federico Dal Bo, 2023-09-04 Untying the Mother Tongue explores what it might mean today to speak of someone's attachment to a particular, primary language. Traditional conceptions of mother tongue are often seen as an expression of the ideology of a European nation-state. Yet, current celebrations of multilingualism reflect the recent demands of global capitalism, raising other challenges. The contributions from international scholars on literature, philosophy, and culture, analyze and problematize the concept of 'mother tongue', rethinking affective and cognitive attachments to language while deconstructing its metaphysical, capitalist, and colonialist presuppositions.

Pediatric Neurology E. Steve Roach, MD, 2021-09-09 "This book is highly recommended for those who will engage with pediatric patients as an excellent starting point to learning most clinically relevant management. ---Doody's

Review Service, 3 stars Comprehensive and accessible, Pediatric Neurology is the first reference designed for trainees and nonspecialists in search of targeted information on the diagnosis and management of neurologic conditions in children. Providing a broad window on the primary disorders seen in childhood, this book interweaves the expertise of field leaders from top national institutions to concisely distill the foundations of clinical pediatric neurology. Complete with up-to-date disease guidelines and evidence-based treatment recommendations, this book serves as a starting point for physicians and other health professionals who wish to delve into fundamentals of current pediatric neurology practice. Beginning with an overview of the clinical assessment of infants and children, the book features dedicated chapters to all major disorders and conditions likely to be encountered in the pediatric population. Chapters include current information on epidemiology, clinical manifestations, diagnosis, and approaches to management for each condition in addition to tables summarizing key takeaways and detailed illustrations. Using plain language and a clear presentation of information throughout, the book is packed with the clinical wisdom needed for tackling such a complex field. With special emphasis on essential patient care concepts, Pediatric Neurology is the trusted resource for residents, general neurologists, pediatricians, medical students, and other practitioners who care for children and adolescents with neurological disease. Key Features: Introduces the foundations of clinical pediatric neurology Multi-purpose resource for point-of-care use, clinical rotations, or board preparation Organized by disease category to enhance accessibility and retrieval of key information Features chapters written by leading educators and clinicians in the field Incorporates up-to-date disease

Breaking Open God'S Word Celine Goessl SCSC, 2015-07-24 Breaking Open Gods Word: A Three-year Cycle of Reflections on the Sunday Readings of the Liturgical Year invites readers to embark upon a journey through the riches of the Catholic Church's three-year lectionary for readings for Sunday Mass. The lectionary, a sequence of appointed passages from the texts of the Old and New Testaments, pairs readings with the seasons and feasts of the church year. Sister Celine Goessl, a member of the Sisters of Mercy of the Holy Cross, has taken a lifetime practice of prayerful listening to the messages God shares through scriptural texts and brought it into conversation with her immersion in the details of daily life to create the collection of reflections appearing in Breaking Open Gods Word. The intent of this collection is to help Gods Word en flesh itself in the readers daily life and to empower him or her to take action to live as Christs presence in other peoples lives. You may watch the changing of the seasons in your parishes worship and hear the variety of texts read at Mass. As you do, and you find life presenting you with ever-changing challenges to your faith, Breaking Open Gods Word offers to accompany you on your daily journey. Along the way, Sister Celine Goessls prayerful reflections can offer you inspiration and

guidance for living and witnessing faithfully in whatever circumstances you face each day.
