

Breaking News From The Palm Beach Post

Laurence Leamer

The Grifter's Club Sarah Blaskey, Nicholas Nehamas, Caitlin Ostroff, Jay Weaver, 2020-08-04 An astonishing look inside the gilded gates of Mar-a-Lago, the palatial resort where President Trump conducts government business with little regard for ethics, security, or even the law. Donald Trump's opulent Palm Beach club Mar-a-Lago has thrummed with scandal since the earliest days of his presidency. Long known for its famous and wealthy clientele, the resort's guest list soon started filling with political operatives and power-seekers. Meanwhile, as Trump re-branded Mar-a-Lago the Winter White House and began spending weekends there, state business spilled out into full view of the club's members, and vast sums of taxpayer money and political donations began flowing into its coffers, and into the pockets of the president. The Grifter's Club is a breakthrough account of the impropriety, intrigue, and absurdity that has been on display in the place where the president is at his most relaxed. In these pages, a team of prizewinning Miami Herald journalists reveal the activities and motivations of the strange array of charlatans and tycoons who populate its halls. Some peddle influence, some seek inside information, and some just want to soak up the feeling of unfettered access to the world's most powerful leaders. With the drama of an expose and the edgy humor of a Carl Hiaasen novel, The Grifter's Club takes you behind the velvet ropes of this exclusive club and into its bizarre world of extravagance and scandal.

Tabloid Valley Paula E Morton, 2009-05-31 With sensational headlines and scandalous photos, supermarket tabloids dish out the dirt on everyone and everything from space aliens and Bat Boy to Elvis and Britney. Although they were once the pariah of traditional journalism, tabloids have gained credibility in recent years and today their lurid style--and sometimes their reportage--is even imitated by mainstream news outlets. In Tabloid Valley, Paula Morton explores the cultural impact of the sensationalist press over the years, focusing on Generoso Pope Jr.'s decision in 1971 to move the editorial offices of the National Enquirer from New Jersey to Florida. This bold step initiated a mass exodus of similar publications to the Sunshine State where six of the largest circulation weeklies--the Star, the Globe, the Weekly World News, the Sun, the National Examiner, and the Enquirer--were eventually consolidated under a single owner, American Media, Inc. Florida's favorable business climate and a booming southern frontier created the perfect environment for the tabloids and their writers to flourish. Morton goes behind the scenes to examine every facet of modern yellow journalism: what headlines sell and why, how the journalists gather the news, the recent and ongoing downturn in circulation, what the tabloids are doing to maintain their foothold, and, most important, what the tabloid news says about American culture.

Our Century Featuring the Palm Beach Post 100 Jan Tuckwood, 2000

Fraud Eric Eggers, 2018-08-07 Can an election be stolen? You bet it can. The intrepid reporter Eric Eggers has uncovered just how easy it is to cast a fraudulent ballot--canceling out your vote and in some cases deciding elections. We know--despite official denials--that voter fraud is happening. In fact, Eggers shows, it's rampant, and it's all over the country. Worse, many famous civil rights organizations encourage voter fraud and frustrate its prosecution. Every proposed voting security measure and every attempt to enforce existing laws is treated as an attack on the right to vote. But of course, the real threat to civil rights, free and fair elections, and the rule of law is voter fraud. And in case after shocking case, Eggers shows how voter fraud is subverting American democracy. In his frightening and thought-provoking book, Eggers highlights: • How so-called "progressive" organizations promote and explain away voter fraud • Why voter fraud is a growing threat--and tied to illegal immigration • How swing states in national elections could be swung by voter fraud

Oh, Florida! Craig Pittman, 2016-07-05 A New York Times Bestseller Oh, Florida! That name. That combination of sounds. Three simple syllables, and yet packing so many mixed messages. To some people, it's a paradise. To others, it's a punch line. As Oh, Florida! shows, it's both of these and, more important, it's a Petri dish, producing trends that end up influencing the rest of the country. Without Florida there would be no NASCAR, no Bettie Page pinups, no Glenn Beck radio rants, no USA Today, no "Stand Your Ground," . . . you get the idea. To outsiders, Florida seems baffling. It's a state where the voters went for Barack Obama twice, yet elected a Tea Party candidate as governor. Florida is touted as a carefree paradise, yet it's also known for its perils--alligators, sinkholes, pythons, hurricanes, and sharks, to name a few. It attracts 90 million visitors a year, some drawn by its impressive natural beauty, others bewitched by its manmade fantasies. Oh, Florida! explores those contradictions and shows how they fit together to make this the most interesting state. It is the first book to explore the reasons why Florida is so wild and weird--and why that's okay. Florida couldn't be Florida without that sense of the unpredictable, unexpected, and unusual lurking behind every palm tree. But there is far more to Florida than its sideshow freakiness. Oh, Florida! explains how Florida secretly, subtly influences all the other states in the Union, both for good and for ill.

Fighting for Allergy-Free Food - The Extended Interviews Tamar Kummel, 2017-07-18 The extended interviews of the feature length documentary, Fighting for Allergy-Free Food. Doctors, researchers, farmers, advocates and more were interviewed looking for answers to the rising epidemic of food reactions. The interviews have been edited for clarity. A portion of the proceeds goes to food allergy research and support.

Best of Newspaper Design 29 , The Best of Newspaper Design: 29th Edition, the latest edition in Rockport's highly respected series, presents the winning entries from the Society for News Design's 2007 competition. Featuring work selected by a panel of judges from more than 14,000 international publication entries, this inspirational volume sets the bar for excellence in journalistic design. Bold, full-color layouts feature the best-of-the-best in news, features, portfolios, visuals, and more, and each entry is accompanied by insightful commentary on the elements that made the piece a standout winner. Every industry professional aspires to one day see his or her work in this book.

Mean Season , 2004 Expert reporting from the editors of the Palm Beach Post capture these tragic events of nature, that happened during the worst hurricane season that Florida has ever seen.

Mar-a-Lago Laurence Leamer, 2019-01-29 Where Trump Learned to Rule To know Donald J. Trump it is best to start in his natural habitat: Palm Beach, Florida. It is here he learned the techniques that took him all the way to the White House. Painstakingly, over decades, he has created a world in this exclusive tropical enclave and favorite haunt of billionaires where he is not just president but a king. The vehicle for his triumph is Mar-A-Lago, one of the greatest mansions ever built in the United States. The inside story of how he became King of Palm Beach--and how Palm Beach continues to be his spiritual home even as president--is rollicking, troubling, and told with unrivaled access and understanding by Laurence Leamer. In Mar-A-Lago, the reader will learn: * How Donald Trump bought a property now valued by some at as much as \$500,000,000 for less than three thousand dollars of his own money. * Why Trump was blackballed by the WASP grandees of the island and how he got his revenge. * How Trump

joined forces with the National Enquirer, which was headquartered nearby, and engineered his own divorce. * How by turning Mar-A-Lago into a private club, Trump was the unlikely man to integrate Palm Beach's restricted country club scene, and what his real motives were. * What transpires behind the gates of today's Mar-A-Lago during "the season," when President Trump and assorted D.C. power players fly down each weekend. In addition to copious interviews and reporting from inside Mar-A-Lago, Laurence Leamer brings an acute and unparalleled understanding of the society of Palm Beach, where he has lived for twenty-five years. He has written an essential book for understanding Donald Trump's inner character.

Addison Mizner Stephen Perkins, James Caughman, 2018-03-01 In words and photographs, the story of visionary architect Addison Mizner * Introduced the Mediterranean Revival and Spanish Colonial Revival styles to southern Florida * Designed and developed the resort town of Boca Raton * Designed the exquisite Everglades Club in Palm Beach Addison Mizner transformed Palm Beach and South Florida with his visionary architecture. He designed, among many others, the landmark Everglades Club in Palm Beach and the Boca Raton Resort and Club in Boca Raton. In this detailed biography, Stephen Perkins and James Caughman examine Mizner's life and origins, and explore how the events of his life influenced his marvelous architectural legacy.

Fraud and Abuse in the "Hot Issues" and "Penny Stock" Markets United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs. Subcommittee on Securities, 1984

The Best of Newspaper Design, 2005

Hot Zone Christopher Teale Howes, 2012-10-06 This memoir is a riveting account of what it's like to be a professional firefighter, from rookie to chief officer, over the course of a 31-year career. The anecdotes are funny, sad, and grim: all serve to educate readers about a profession that many dreamed about when they were children but would never pursue or truly understand. Chief Howes provides a better understanding of the profession and respect for the men and women who protect our communities by relating his own experiences as well as those of other firefighters in some of the busiest stations in the country. The author is donating 10% of royalties to the National Fallen Firefighters Foundation, the nonprofit group dedicated to the development and expansion of programs to honor our fallen fire heroes and assist their families and coworkers.

The Medical-Legal Aspects of Acute Care Medicine James E. Szalados, 2021-04-02 The Medical-Legal Aspects of Acute Care Medicine: A Resource for Clinicians, Administrators, and Risk Managers is a comprehensive resource intended to provide a state-of-the-art overview of complex ethical, regulatory, and legal issues of importance to clinical healthcare professionals in the area of acute care medicine; including, for example, physicians, advanced practice providers, nurses, pharmacists, social workers, and care managers. In addition, this book also covers key legal and regulatory issues relevant to non-clinicians, such as hospital and practice administrators; department heads, educators, and risk managers. This text reviews traditional and emerging areas of ethical and legal controversies in healthcare such as resuscitation; mass-casualty event response and triage; patient autonomy and shared decision-making; medical research and teaching; ethical and legal issues in the care of the mental health patient; and, medical record documentation and confidentiality. Furthermore, this volume includes chapters dedicated to critically important topics, such as team leadership, the team model of clinical care, drug and device regulation, professional negligence, clinical education, the law of corporations, tele-medicine and e-health, medical errors and the culture of safety, regulatory compliance, the regulation of clinical laboratories, the law of insurance, and a practical overview of claims management and billing. Authored by experts in the field, The Medical-Legal Aspects of Acute Care Medicine: A Resource for Clinicians, Administrators, and Risk Managers is a valuable resource for all clinical and non-clinical healthcare professionals.

The Last of NASA's Original Pilot Astronauts David J. Shayler, Colin Burgess, 2017-06-19 Resulting from the authors' deep research into these two pre-Shuttle astronaut groups, many intriguing and untold stories behind the selection process are revealed in the book. The often extraordinary backgrounds and personal ambitions of these skilled pilots, chosen to continue NASA's exploration and knowledge of the space frontier, are also examined. In April 1966 NASA selected 19 pilot astronauts whose training was specifically targeted to the Apollo lunar landing missions and the Earth-orbiting Skylab space station. Three years later, following the sudden cancellation of the USAF's highly classified Manned Orbiting Laboratory (MOL) project, seven military astronauts were also co-opted into NASA's space program. This book represents the final chapter by the authors in the story of American astronaut selections prior to the era of the Space Shuttle. Through personal interviews and original NASA documentation, readers will also gain a true insight into a remarkable age of space travel as it unfolded in the late 1960s, and the men who flew those historic missions.

Vintage Miami Beach Glamor Deborah C Pollack, 2019-08-12 This history details the tumultuous lives of Miami Beach's mid-twentieth century jet set, and features archival photos. From roughly 1930 to 1960, Miami Beach attracted an exclusive colony of socialites, who mixed with Hollywood celebrities and dignitaries, such as Winston Churchill, as effortlessly as tonic mixes with gin. Elizabeth Taylor announced her ill-fated engagement to the son of a former ambassador in Miami Beach. Other movie stars, such as Veronica Lake, were filmed in the enclave. Beautiful model Bab Beckwith, the first Orange Bowl Parade queen, dated John F. Kennedy while he was in Miami in 1944. Speedboat king Gar Wood bought his mistress a \$100,000 bayfront home and then sued to force her to vacate the property. A tumultuous affair between John Jacob Astor VI and Lucille Stiglich led to the young model serving time in the Miami Beach jail. Deborah C. Pollack delves into an era filled with excitement, style, humor and panache.

The Last Gun Tom Diaz, 2013-03-26 Newtown, Connecticut. Aurora, Colorado. Both have entered our collective memory as sites of unimaginable heartbreak and mass slaughter perpetrated by lone gunmen. Meanwhile, cities such as Chicago and Washington, D.C., are dealing with the painful, everyday reality of record rates of gun-related deaths. By any account, gun violence in the United States has reached epidemic proportions. A widely respected activist and policy analyst—as well as a former gun enthusiast and an ex-member of the National Rifle Association—Tom Diaz presents a chilling, up-to-date survey of the changed landscape of gun manufacturing and marketing. The Last Gun explores how the gun industry and the nature of gun violence have changed, including the disturbing rise in military-grade gun models. But Diaz also argues that the once formidable gun lobby has become a paper tiger, marshaling a range of evidence and case studies to make the case that now is the time for a renewed political effort to attack gun violence at its source—the guns themselves. In the aftermath of Newtown, a challenging national conversation lies ahead. The Last Gun is an indispensable guide to this debate, and essential reading for anyone who wants to understand how we can finally rid America's streets, schools, and homes of gun violence and prevent future Newtowns.

Hitler's Soldiers in the Sunshine State Robert D. Billinger,2020-11-10 They were Uncle Sam's smiling workers and they looked like all-American boys. There were at least 10,000 of them, deployed in 25 Florida camps between 1942 and 1946. They were also members of the Wehrmacht, Hitler's armed forces.--Forum Most Americans were unaware their government was housing Hitler's soldiers on its shores. . . . Billinger weaves interviews with former prisoners, American soldiers who worked in the camps, newspaper accounts, and government documents into a stunning historical narrative.--Kansas City Star A tropical paradise that for some became a tropical hell.--Sarasota Herald-Tribune First came crewmen of destroyed U-boats, then thousands of Afrika Korps veterans who swamped the system in 1943. Pro-Nazi, arrogant, and tough, they defied U.S. authorities, terrorized anti-Nazi inmates, and rioted.--Choice Filled with colorful personal accounts, this historical book packs the punch of fiction.--St. Petersburg Times Billinger's first-rate history of this little-known chapter in American history teaches us that, in spite of wartime propaganda, our enemies are human, too.--Atlantic City Press Hard to put down.--Daytona Beach News-Journal In the first book-length treatment of the German prisoner of war experience in Florida during World War II, Robert D. Billinger, Jr., tells the story of the 10,000 men who were guests of Uncle Sam in a tropical paradise that for some became a tropical hell. Having been captured while serving on U-boats off the Carolinas, with the Afrika Korps in Tunisia, with the paratroops in Italy, or with labor battalions in France, the POWs were among the 378,000 Germans held as prisoners in 45 states. Except for the servicemen who guarded them, the civilian pulp-cutters, citrus growers, and sugarcane foremen who worked them, and the FBI and local police who tracked the escapees among them, most people were--and still are--unaware of the German POWs who inhabited the 27 camps that dotted the Sunshine State. Billinger describes the experiences of the Germans and their captors as both sides came to the realization that, while the Germans' worst enemies were often their own comrades-in-arms, wartime enemies might also become life-long friends. Concentrating especially on the story of Camp Blanding in North Florida, Billinger based his research on both American and German archives. His account mixes rare photos with interviews with former prisoners; reports by the International Red Cross, the YMCA, and the U.S. military; and local newspaper articles. This book will be of great value to scholars and historians, as well as all readers with an interest in World War II. Those with an interest in Florida history will also find much to admire in this engaging account of a barely known wartime episode. A volume in The Florida History and Culture Series, edited by Raymond Arsenault and Gary R. Mormino.

Palm Beach Past Eliot Kleinberg,2006-05-01 Known for its year-round warmth, beautiful beaches and famous residents, Palm Beach County is one of the most well-known areas along Florida's Atlantic coast. And although many people know the county as a winter destination for the likes of starlets and snowbirds, few know that German U-boats sank sixteen ships off the coast in 1942. Nor do they know that eleven barefoot mailmen originally took on the mail service between Palm Beach and Miami. In *Palm Beach Past: The Best of Post Time*, author and local journalist Eliot Kleinberg has compiled a collection of historical vignettes--which originally appeared in the *Palm Beach Post*--about the intriguing people and events in the county's history. Kleinberg reveals little-known facts about the development of the region's prestigious neighborhoods and parks, while introducing readers to some of the most captivating and eccentric characters. For readers who want to understand the Palm Beach County of today or those who enjoy local history and just want a good read, *Palm Beach Past* is a must.

Whispering the Techniques of Language: An Mental Quest through **Breaking News From The Palm Beach Post**

In a digitally-driven world where screens reign supreme and immediate transmission drowns out the subtleties of language, the profound techniques and mental nuances hidden within words usually move unheard. Yet, nestled within the pages of **Breaking News From The Palm Beach Post** a charming literary treasure sporting with organic feelings, lies an exceptional quest waiting to be undertaken. Penned by an experienced wordsmith, that enchanting opus attracts visitors on an introspective trip, softly unraveling the veiled truths and profound impact resonating within the fabric of each word. Within the psychological depths of this poignant evaluation, we can embark upon a honest exploration of the book is primary themes, dissect its charming writing model, and yield to the powerful resonance it evokes heavy within the recesses of readers hearts.

Breaking News From The Palm Beach Post Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available

in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Breaking News From The Palm Beach Post PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Breaking News From The Palm Beach Post PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights.

Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Breaking News From The Palm Beach Post free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
