**Ashlee Birk, Kathy Campbell**

*Breaks* Emma Vieceli, Malin Ryden, 2020-03-15 Ian and Cortland are all too aware that the bubble they've made for themselves can't last. Shifting relationships and tested friendships may be the least of their worries, though, as they learn more about each other and the pasts they'd rather leave behind. Familial legacy, fragile ambition and potentially devastating secrets; their budding relationship is going to need a stronger foundation than secrecy if they want to face what life has in store for them together. Bringing the world of LGBT young adult fiction into the realm of comic books, and collecting the second arc of the acclaimed weekly web series (2017-2019), *Breaks* is the story of two young men discovering who they were, who they are, and who they will become. It's a love story...but a little broken.

**The Breaks** Julietta Singh, 2021-09-07 A profound meditation on race, inheritance, and queer mothering at the end of the world. In a letter to her six-year-old daughter, Julietta Singh ventures toward a tender vision of the future, lifting up children's radical embrace of possibility as a model for how we might live. If we wish to survive looming political and ecological disasters, Singh urges, we must break from the conventions we have inherited and orient ourselves toward revolutionary paths that might yet set us free. *The Breaks* is amazing—I read the whole thing through in one sitting. It's got the heft and staying power of Baldwin's 'A Letter to My Nephew.' —Lauren Berlant, author of *Cruel Optimism* "If a book can be a hole cut in the side of an existence in order to escape it, or to find a way through what is otherwise impassable, then this is that kind of book ... How will we live in the new space that we keep making, through refusal but also adjustment, the necessary accommodations to the 'nowhere and nothing' that this

space also is? The Breaks leads us through such moments, questions, and scenes, with tenderness. And deep care.”

—Bhanu Kapil, author of *How to Wash a Heart* “This is a lens-shifting book, an immeasurable gift. With poignant, aching, beautiful, and deeply loving prose, Singh brings Brown girls into the sun, and makes you want to change the ways of the world for our young people and for us all.”

—Imani Perry, author of *Breathe: A Letter to My Sons* “Julietta Singh is exactly the kind of company I want for the ride, to bear witness to the pains and pleasures of our being here, in these bodies, in these times.” —Maggie Nelson, author of *The Argonauts*, on *No Archive Will Restore You*

*Joy Breaks* Patsy Clairmont, 2002-11 Ninety lighthearted, inspirational devotions will help you leave present tensions behind in order to simplify your life and savor the moments.

**Everything Breaks** Vicki Grove, 2013-10-03 Tucker was supposed to be the designated driver. But there was something about the beauty of that last true summer night, that made him want to feel out-of-control just once. He drank so much and so quickly that he was instantly sick. That left Trey to drive. I'll catch up to you later, were the last words Tucker would ever say to his friends as he heaved by the side of the road. It was the last time Tucker would ever see them alive. Tucker's grief and guilt are just about unbearable and he wonders how he can continue living himself. When he meets the Ferryman who carries souls of the newly deceased across the rivers that divide the world of the living from the world of the dead, Tucker gets a chance to decide: live or die. The temptation to join his three best friends on the other side may be too much for Tucker to overcome. A gripping, haunting and emotional read.

**When the Bough Breaks** Jonathan Kellerman, 2010-07-06 From the New York Times bestselling

author of *Serpentine* comes the first thrilling novel in the Alex Delaware series about a psychotic teenage boy accused of six murders. Dr. Morton Handler practiced a strange brand of psychiatry. Among his specialties were fraud, extortion, and sexual manipulation. Handler paid for his sins when he was brutally murdered in his luxurious Pacific Palisades apartment. The police have no leads, but they do have one possible witness: seven-year-old Melody Quinn. It's psychologist Dr. Alex Delaware's job to try to unlock the terrible secret buried in Melody's memory. But as the sinister shadows in the girl's mind begin to take shape, Alex discovers that the mystery touches a shocking incident in his own past. This connection is only the beginning, a single link in a forty-year-old conspiracy. And behind it lies an unspeakable evil that Alex Delaware must expose before it claims another innocent victim: Melody Quinn.

opposed to his questionable memoir, Papillon; Bud Day, said to be the only US serviceman ever to have escaped to South Vietnam; the six prisoners who escaped from Death Row in Mecklenburg Correctional Center; and Pascal Payeret, the French armed robber who escaped not once, but twice from French prisons with the help of a helicopter.

**When Twilight Breaks** Sarah Sundin, 2021-02-02  
Munich, 1938. Evelyn Brand is an American foreign correspondent as determined to prove her worth in a male-dominated profession as she is to expose the growing tyranny in Nazi Germany. To do so, she must walk a thin line. If she offends the government, she could be expelled from the country--or worse. If she fails to truthfully report on major stories, she'll never be able to give a voice to the oppressed--and wake up the folks back home. In another part of the city, American graduate student Peter Lang is working on his PhD in German. Disillusioned with the chaos in the world due to the Great Depression, he is impressed with the prosperity and order of German society. But when the brutality of the regime hits close, he discovers a far better way to use his contacts within the Nazi party--to feed information to the shrewd reporter he can't get off his mind. This electric standalone novel from fan-favorite Sarah Sundin puts you right at the intersection of pulse-pounding suspense and heart-stopping romance.

**When the Bough Breaks** Kay Lynn Mangum, 2007

**The Moments We Stand** Ashlee Birk, Kathy Campbell, 2014-07-30  
My name is Ashlee. I am a victim of murder. Through a series of events and by two shots of a

gun, I was made a widow at the age of 28, with my youngest child just six weeks old. I am a victim of infidelity. I have felt unlovable. I have felt rejected. I have had days in my life when I wasn't sure if I would ever take a breath again, let alone be able to raise my five children by myself. I have lived in fear. I have felt much heartache. I have felt truly broken to my core. I have carried some heavy burdens...not only of my own, but burdens put upon my shoulders by the death of my husband. I have felt alone. I have felt humiliated. I have been humbled to my knees. I have searched my soul to find my worth in this world, and in the life that was left for me. My world has been totally shattered. I have faced realities I never knew were possible, and found strength within myself to keep up the fight and live every day as if it was on purpose. I have been carried by Angels...both earthly beings and those unseen. I have found that being a victim doesn't mean we have an excuse to stop living. Being a victim means finding a reason for seeking a higher road. I have picked up the pieces left and carried on. I am a mother. We are survivors. In one way or another, we are all victims. There are times in our lives when we are forced to question who we are at our core. When we are presented with a path...we can go this way or we can choose that way. For some, this moment comes when the one person whom we love the most decides we are not enough. This person leave us-at a most vulnerable moment-alone to search within ourselves for who we really are. We are left trying to find who it is that was left behind. Sometimes the person we love dies. Sometimes it is merely an internal battle we are facing...all alone inside our minds. Whatever the situation and wherever you have been...you have been hurt. You have felt alone. You have been abandoned, either by your parents, your lover, your friends, complete strangers, or even yourself. We have all been at

that crossroad where all we have left is ourselves. Sometimes these moments of lows have brought you to your knees and caused you to reflect and ponder your relationship with God...and other times they have made you question if He is even there, or if He knows you are alone. Whatever that moment has been for you, it is personal and real. It has defined and refined who you are, who you think you were, and who you want to become. This is my story...the defining moments that have truly brought me to my knees, the times when I've questioned to my core my very existence, and the experiences I've had that have shown me who I really am and who my Heavenly Father still needs me to become. The night of my husband's death was my darkest hour, but also the very moment when I saw firsthand that my Heavenly Father sent Angels on errands for me. He carried me. It was the hour when all my fears and all the pain of this world collided together and He was there...putting back together all the pieces, one step at a time.

Liano, 2019-06-11T00:00:00+02:00 Une histoire du Hip-Hop « Et une fois qu'ils avaient entendu ça, c'était plié, impossible de revenir en arrière. Ils voulaient constamment entendre break sur break. » DJ Kool Herc Fin des années 60, South Bronx, New York, un quartier et des familles laissés à l'abandon. Marcus et Aaron, deux frères, grandissent dans un climat de violence sociale. En pleine guerre des gangs, chacun va chercher dans la rue, à sa manière, comment survivre. Marcus est de toutes les blocks parties et s'embarque corps et âme dans la danse. Aaron quant à lui trouve refuge dans le graffiti. Entre fiction et récit historique documenté, on (re)découvre, à travers les yeux de Marcus et Aaron, comment l'énergie créatrice de jeunes du Bronx a donné naissance au Djing, au rap, au breakdance ou encore

au graffiti. Quelques années plus tard, ces disciplines artistiques constitueront un mouvement culturel majeur et international : le Hip Hop. En 1979 sortait le morceau Rapper's Delight. Une offense pour les fondateurs du mouvement, une explosion commerciale pour le hip hop. BREAK est le résultat d'un véritable travail à quatre mains, celles de Florian LEDOUX et Cédric LIANO, aussi bien pour l'écriture du scénario que pour la réalisation des planches.

**Beating the Breaks** Rick Swaine, 2004-07-01 Few baseball fans are aware of the number of players with disabilities who have succeeded in the majors. Much of this unawareness is due to the affected players themselves who downplay weaknesses and tend to minimize their disabilities, considering them just one of the chinks in the armor that everyone must deal with. More than 20 players who have overcome their disabilities to have major league careers are profiled in this work. The book is divided by type of disability suffered: missing or partially missing limbs or extremities (Jim Abbott, Hugh One Arm Daily, Pete Gray, Monty Stratton, Bert Shepard); injured or diseased limbs (Lou Brissie, Whitey Kurowski, Eddie Kazak, Charley Gelbert, Bo Jackson, Dave Dravecky); disfigured extremities (Mordecai Three Finger Brown, Charley Red Ruffing, Hal Peck, Carlos May, Gil Coan, Jim Mecir); impaired organ function, vision, and hearing (William Dummy Hoy, George Specs Toporcer, Chick Hafey, Ron Santo, Russ Christopher, Joe Hoerner, John Hiller, Danny Thompson, Walt Bond); and neurological and psychological disorders (Grover Cleveland Alexander, Tony Lazzeri, Jimmy Piersall, Jim Eisenreich).
