Descending the Spiral Staircase H.F. Beaumont,2019-11-08 Descending the Spiral Staircase is a vision I encountered during a dream. This is how a simple construction task turns into a murder investigation, stolen bank money, buried storage shed, hidden tunnel, reconstruction of an unused area to a very usable space. John and Marie are the homeowners, one more vision which changes the lives of many people. Open house grand event, brings concern to the family's safety, nosey neighbor, leak to the press about the bank reward, all of this puts many agencies on full alert. The remodeling magazine wants to film the entire event; police and FBI scan guest photos, looking for unwanted guests. This is not your typical construction project, many twists and turns to the finale. You will tear up and laugh as the characters evolve. This book is inspired through visions and past experiences in the landscape business. I hope you enjoy reading.
