Marathon Mouse Amy Dixon,2012-11-02 Preston the mouse has always dreamed of running in the New York City Marathon and even when his family says he cannot do it, Preston refuses to let go of his dream--

In It for the Long Run Scott Ludwig,Vanessa Stroud,2012-09 Multiple races of marathon distance or greater in a month...or perhaps in a weekend. Several unsupported runs of 50 and 100 miles through the mountains and forests several times a year. Have you ever considered running through a desert, across a frozen tundra or over multiple mountain ranges? Why not run for three days straight to see how many miles you can accrue? Welcome to a place where no locale is too inhospitable and no distance impossible. Welcome...to the Darkside. The Darkside Running Club, established in 2002 is a place where runners meet to express their love for distance running and camaraderie by spending countless hours and miles committed to doing what they enjoy most. They share a singular focus towards achieving goals far off in the distance, both literally and figuratively. With their dedication and commitment you may believe the Darksider to be a professional athlete, or perhaps an Olympian. But you would be wrong: they are simply ordinary people doing extraordinary things in the sport they love: running. Highly competitive while never taking themselves too seriously, they strive to shave off minutes or perhaps hours while adding a mile or two...or twenty while pushing their limits further and further. The impossible becomes possible; dreams become reality. They won't take 'no' for an answer as they persevere to move beyond physical and emotional discomfort to finish what they started. Excuses don't exist. Their passion is contagious. So reader be warned: they're in it for the long run.

Bridge of the Untiring Sea Elizabeth R. Gebhard,Timothy E. Gregory,2015-12-31 Pindar's metaphor of the Isthmus as a bridge spanning two seas encapsulates the essence of the place and gives a fitting title for this volume of 17 essays on the history and archaeology of the area. The Isthmus, best known for the panhellenic Sanctuary of Poseidon, attracted travelers both before and after Pausanias's visit in the 2nd century A.D., but only toward the end of the 19th century were the ruins investigated and, a half century later, finally systematically excavated. More recently, archaeologists have surveyed the territory beyond the sanctuary, compiling evidence for a varied picture of activity on the wider Isthmus and the eastern Corinthia. The essays in this book celebrate 55 years of research on the Isthmus and provide a comprehensive overview of the state of our knowledge. Topics include an Early Mycenaean habitation site at Kyras Vrysi; the settlement at Kalamianos; the Archaic Temple of Poseidon; domestic architecture of the Rachi settlement; dining vessels from the Sanctuary of Poseidon; the Temple Deposit at Isthmia and the dating of Archaic and Early Classical Greek coins; terracotta figurines from the Sanctuary of Poseidon; the Chigi Painter; arms from the age of Philip and Alexander at Broneer's West Foundation on the road to Corinth; new sculptures from the Isthmian Palaimonion; an inscribed herm from the Gymnasium Area of Corinth; Roman baths at Isthmia and sanctuary baths in Greece; Roman buildings east of the Temple of Poseidon; patterns of settlement and land use on the Roman Isthmus; epigraphy, liturgy, and Imperial policy on the Justinianic Isthmus; and circular lamps in the Late Antique Peloponnese.

The 30 Rock Book Mike Roe,2021-11-30 The hilarious true story of the making of the cult classic hit show 30 Rock It’s hard to remember a time when Tina Fey wasn’t a star, but back in the early 2000s, she was an SNL writer who was far from a household name. It’s even harder to remember when Fey’s sitcom 30 Rock was tanking, but it was—it premiered in the fall of 2006, and by November, the New York Times wrote that 30 Rock was “perilously close to a flop.” But despite all expectations (including those of some of the cast and crew), Tina Fey’s eccentric buddy comedy lasted 138 episodes, spanning seven seasons. It resurrected the career of Alec Baldwin, survived an extended absence by Tracy Morgan, and permeated the culture— its breakneck pacing, oddball characters, and extremely rich joke writing are deeply beloved by millions of fans. Through more than fifty original interviews with cast, crew, critics, and more, culture writer Mike Roe brings to life the history of the gloriously goofy show that became an all-time classic. The 30 Rock Book has everything in it, from tales of the amazing music still stuck in our heads, to the iconic bit characters that make the show, to all the love and drama of the backstage crew . . . and the creative failures and successes along the way. So grab your night cheese and muffin tops, cuddle up with your slanket against your Japanese body pillow, and settle in for the story of one of the funniest shows in television history.
