Hooked: Drug War Films in Britain, Canada, and the U.S. Susan C. Boyd, 2010-09-13 Drug

prohibition emerged at the same time as the discovery of film, and their histories intersect in interesting ways. This book examines the ideological assumptions embedded in the narrative and imagery of one hundred fictional drug films produced in Britain, Canada, and the U.S. from 1912 to 2006, including *Broken Blossoms*, *Reefer Madness*, *The Trip*, *Superfly*, *Withnail and I*, *Traffik*, *Traffic*, *Layer Cake*, *Harold and Kumar Go to White Castle*, *Trailer Park Boys*, and more. Boyd focuses on past and contemporary illegal drug discourse about users, traffickers, drug treatment, and the intersection of criminal justice with counterculture, alternative, and stoner flicks. She provides a socio-historical and cultural criminological perspective, and an analysis of race, class and gender representations in illegal drug films. This illuminating work will be an essential text for a wide range of students and scholars in the fields of criminology, sociology, media, gender and women's studies, drug studies, and cultural studies.

**Acting** Mary Beth Osnes, 2001-12-07 A groundbreaking, cross-cultural reference work exploring the diversity of expression found in rituals, festivals, and performances, uncovering acting techniques and practices from around the world. *Acting: An International Encyclopedia* explores the amazing diversity of dramatic expression found in rituals, festivals, and live and filmed performances. Its hundreds of alphabetically arranged, fully referenced entries offer insights into famous players, writers, and directors, as well as notable stage and film productions from around the world and throughout the history of theater, cinema, and television. The book also includes a surprising array of additional topics, including important venues (from Greek amphitheaters to Broadway and Hollywood), acting schools (the Actor's Studio) and companies (the Royal Shakespeare), performance genres (from religious pageants to puppetry), technical terms of the actor's art, and much more. It is a unique resource for exploring the techniques performers use to captivate their audiences, and how those techniques have evolved to meet the demands of performing through Greek masks and layers of Kabuki makeup, in vast halls or tiny theaters, or for the unforgiving eye of the camera.

*Encyclopedia of the Documentary Film 3-Volume Set* Ian Aitken, 2013-10-18 The Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumière brothers' *Workers Leaving the Lumière Factory* (1885) to Michael Moore's *Fahrenheit 911* (2004). This Encyclopedia provides a resource that critically analyzes that history in all its aspects. Not only does this Encyclopedia examine individual films and the careers of individual film makers, it also provides overview articles of national and regional documentary film history. It explains concepts and themes in the study of documentary film, the techniques used in making films, and the institutions that support their production, appreciation, and preservation.

**Science Fiction Film Directors, 1895-1998** Dennis Fischer, 2011-06-17 This enormous and exhaustive reference book has entries on every major and minor director of science fiction films from the inception of cinema (circa 1895) through 1998. For each director there is a complete filmography including television work, a career summary, a critical assessment, and behind-the-scenes production information. Seventy-nine directors are covered in especially lengthy entries and a short history of the

science fiction film genre is also included.

**Ten Years in the Tub** Nick Hornby,2016-04-12 How often do you begin reading a book that makes you—immediately, urgently, desperately—want to read more books?” (Booklist). Nick Hornby has managed to write just such a book in this hilarious, insightful, and infectious volume. *Ten Years in the Tub* chronicles Hornby's journey through a decade's worth of books, as related in his wildly popular *Believer* column “Stuff I've Been Reading.” *Ten Years in the Tub* is a one-way ticket into the mind of one of the most beloved contemporary writers on his favorite pastime, but it's also a meditation on what Celine Dion can teach us about ourselves, a warning about how John Updike can ruin our sex lives, and a recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days. This decade-long addiction for many... makes standing in line at the bank a blessed interval for snorting another page.” (the New York Times Book Review)

Contemporary British and Irish Film Directors Yoram Allon, Del Cullen, Hannah Patterson, 2001 The guide encompasses the careers of over 350 directors from the last 20 years. A must for any film studies library, it is a unique reference to the changing dynamics of these cinemas.

Transformation and Tradition in 1960s British Cinema Farmer Richard Farmer, 2019-05-03 Over half a century on, the 1960s continue to generate strong intellectual and emotional responses - both positive and negative - and this is no less true in the arena of film. Making substantial use of new and underexplored archive resources that provide a wealth of information and insight on the period in question, this book offers a fresh perspective on the major resurgence of creativity and international appeal experienced by British cinema in that dramatic decade. Transformation and Tradition in 1960s British Cinema is the first scholarly volume on this period of British cinema for more than twenty-five years. It provides a major reconsideration of the period by focusing on the central tensions and contradiction between novelty/revolution and continuity/tradition during what remains a highly contentious period of cultural production and consumption.

*Quiz-A-Day* Jayendra Bisnik, 2018-03-22 The idea of this book came to me one year back, when I was going through the material of the quizzes I had hosted in the past 12 years. As a passionate student of the art of quizzing, I wanted to share some of the questions that I was proud of and I wanted to share them with the world. This quizbook is meant to be opened on a relaxing weekend; or on a journey; or to be read with loved-ones on a beautiful spring day. Most of the topics that I have

included are also the topics I am really interested in.
