Performing Queer Female Identity on Screen Jamie Stuart, 2008-07-01 Film audiences have grown used to seeing female characters in performance roles, singing or dancing on stages in nightclubs, musical arenas, or theaters--performing their femaleness for the fictional audience as well as the film viewing audience. But queer women in film perform on yet another level. In addition to performing their gender for the world, they also perform their sexuality for either a general or an insider audience, in ways that can be read to establish a queer visibility, to establish a sense of community, or to show romantic lesbian interest. This work examines performance spaces for lesbian identities in films, evaluating how queer femaleness is signified in contemporary cinema. It studies five films in particular: *When Night Is Falling*, *Better Than Chocolate*, *Tipping the Velvet*, *Slaves to the Underground*, and *Prey for Rock and Roll*. Through close textual analysis, evaluations of the conditions under which each film was produced and received, and dozens of audience surveys, it reveals much about both the story worlds of the films and the ways that queer women react to and feel about them.

The Buenos Aires Broken Hearts Club Jessica Morrison, 2008-12-21 When a drunken decision takes a newly single, newly unemployed woman thousands of

miles from the life she knows, she'll need to figure out what she truly wants for her future—and who she truly loves. 28-year-old Cassie Moore has always played it safe, living life according to a meticulously organized Master Plan. But when she loses her Perfect Job and finds her fiancé in bed with his ex on the same day, it's clear that The Plan has failed her. She awakens the next day from a drunken stupor to discover that she's booked herself on a six-month trip to Buenos Aires. She speaks not a word of Spanish, but she's already emailed the news to everyone she knows, so there's no turning back. Once in Buenos Aires, Cassie is reluctantly seduced by this glorious city. Her exuberant landlady introduces her to the handsome but haughty Mateo, a man Cassie clashes with right from the start. She soon befriends other lovelorn travelers and together, they start a Brokenhearts Club at a local bar, attracting a cast of characters that includes Dan, a sweet handsome man who lives as carefully and predictably as Cassie. Before long, Cassie's making a new plan: 1. Learn Spanish. 2. Stop obsessing about impossible Mateo and fall for perfect-on-paper Dan. But staying on track isn't so simple anymore and Cassie finally realizes that sometimes life--and love--defies her best-laid plans.

Making Out in the Mainstream Vincent Doyle, 2016-03-01 Making Out in the Mainstream is the first full-length study of LGBT media activism, revealing the daily struggle to reconcile economic and professional pressures with conflicting personal, organizational, and political priorities. Documenting the rise and evolution of the Gay and Lesbian Alliance Against Defamation (GLAAD), Vincent Doyle presents a nuanced perspective on the complexity, contradictions, and ambivalences of advancing social causes through popular media. Based on participant observation, in-depth interviews, and archival research carried out at GLAAD's New York and Los Angeles offices from 2000 to 2001, Making Out in the Mainstream analyzes the GLAAD Media Awards and the organization's responses to controversial public figures such as Dr Laura Schlessinger and Eminem, and programs such as Queer as Folk. Doyle argues that the earlier political strategy of coming out to the mainstream, intended to dismantle closeted life and create a mass movement, has been supplanted by the market-oriented making out in the mainstream, which privileges respectable images of homosexuality in the pursuit of political and economic gain. He shows how this emphasis on respectability clashes with the development of a diverse movement that campaigns for greater inclusion and he offers a sophisticated appeal for more complicated understandings of assimilation and anti-normalization. Painting a complex portrait of a prominent gay and lesbian organization during a period of rapid social change, Making Out in the Mainstream reveals not only the limitations of "mainstreaming," but also its political possibilities.

Summary of Billy Porter's Unprotected Everest Media, 2022-04-22T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 My mother, Cloerinda Jean Johnson Porter-Ford, was born with a degenerative neurological condition that no doctor or specialist could name. She had to wait until the civil rights movement to sue for medical malpractice, and even then, the courts did not care about black lives. #2 My mother was born with a disability, and she was treated like a outcast throughout her elementary school years. She was eventually saved by William Ellis Porter, who married her on a wager. #3 I spent my childhood in a house full of women: my mother, Grandma, and Aunt Dot. My mother and I shared the attic, which provided us with some privacy and the opportunity to bond as a single mother and her child. #4 My mother and I moved to Pittsburgh in 1976. I was excited to start first grade, but my mother was sad. She was always sad. She was afraid of the people who made fun of how she walked.

Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America. The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication. The encyclopedia has been planned as a representative, a comprehensive and authoritative reference tool, encompassing over 7,500 biographies. This prodigious and unparalleled encyclopedic vade mecum, reflecting enduring contributions of notable Americans with Czech roots, is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic, which considers Czech Americans as their own and as a part of its magnificent cultural history.
