Bear Brownie: The Life of a Bear Harry Perry Robinson,2019-12-17 Like all bears, I was born and lived on the hillside. In the Rocky Mountains, where my home was, there is nothing but hills, or mountains, for miles and miles, so that you can wander on for day after day, always going up one side of a hill and down the other, and up and down again; and at the bottom of almost every valley there is a stream or river, which for most of the year swirls along nosily and full of water. *Bear Brownie: The Life of a Bear* is the story of a bear that starts off its life in the serene atmosphere of the wild. But curiosity soon leads him to human settlements and that where his real adventure begins...
