**MilesTalk** Dave Grossman,2018-01-18 Do you have a friend that always seems to be flying around the world in First Class and wonder how? Maybe you already know about frequent flyer miles but don't know how to get them yourself. Dave Grossman has been that friend for years and shares all of his secrets in this must-read for anyone with big travel dreams on a small budget.

**The Temporary European** Cameron Hewitt,2022-02-01 Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. The Temporary European is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the

universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is Jams Are Fun—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's dream job: researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, *The Temporary European* is inspiring, insightful, and fun.

*Neither Here Nor There* Bill Bryson, 2012-09-25 Bryson brings his unique brand of humour to travel writing as he shoulders his backpack, keeps a tight hold on his wallet and heads for Europe. Travelling with Stephen Katz--also his wonderful sidekick in *A Walk in the Woods*--he wanders from Hammerfest in the far north, to Istanbul on the cusp of Asia. As he makes his way round this incredibly varied continent, he retraces his travels as a student twenty years before with caustic hilarity.
