Midnight Light Dave Bidini,2018-09-18 Bestselling and beloved author of *On A Cold Road*, Dave Bidini uses his stint as guest columnist at the Yellowknifer newspaper to explore the Gateway to the North, the meaning of community, and the issues facing residents and their daily lives. As a journalist, author and founding member of the trail-blazing band Rheostatics, Dave Bidini has had the privilege to explore Canada's immense geography. Yet, in all his many travels, he'd never visited the Northwest Territories. After an all-too-brief visit to a literary festival in Yellowknife, Bidini was hooked on the place and its people. When he returned home, all he could do was think about going back to the North. Facing a career crossroads and with memories of his recent visit to the Northwest Territories still fresh, Bidini, in a bold move, contacts the Yellowknifer, one of the last truly local and independent newspapers, and signs on as a guest columnist for an unforgettable summer. The Yellowknifer, like the city it serves, bucks all trends as a completely community-focused newspaper. Bidini's new position gives him access to a region that is on the one hand lost in time, and on the other faced with the stark realities of poverty, racism and addiction. Along the way, *Midnight Light* introduces readers to an extraordinary cast of Dene elders, entrepreneurs, artists, politicians and law enforcement officers as well as an assortment of complicated souls from the South who are looking for a chance to rebuild their lives and who face the same harsh economic realities as their new neighbours. Woven throughout the narrative is the story of the irascible John McFadden, a veteran Toronto crime reporter who escaped to Yellowknife. McFadden is the key figure in the newspaper's ongoing fight with local authorities who do not take kindly to journalistic doggedness. During Bidini's tenure with the paper, McFadden makes headlines across the country when the RCMP

charge him with obstruction while he is working on a story, culminating in a trial in which nothing less than journalistic freedom is at stake. A fast-paced, funny and at times powerfully poignant chronicle of a city and its environs, and a reminder of the vital importance of a local and independent press, *Midnight Light* brings the Northwest Territories and its remarkable and proud people to vivid life.

Final Environmental Statement United States. Bureau of Land Management,1978 The proposed lease would help protect the historic buildings from historically inaccurate alterations. Impacts to the archaeological resource would be lessened on the 5.5 acres by controlling or reducing both artifact and bottle collecting and excavation in connection with occupancy and removal of ruins. There would be no impact to mining nor any change in grazing activities. Compliance with the lease would require a short-term increase in maintenance and construction activities. Localized soil, vegetation, and wildlife disturbance would occur. Long-term impacts to grazing, vegetation, soils, and wildlife and fishery would be negligible--Page iii.

Stories of Encounter Hugh Hillyard Parker,2017-11-30 Behind the theme of this new volume in the popular annual *Pray Now* series, is the belief that everyone has a story to tell, no matter what age or stage of life they are at, and that in worship we weave our stories into the bigger story of God. Our stories are

shaped by encounters with other people, with the physical world, with the variety of our own experiences and emotions, and with God. This volume offers a dynamic resource for prayer and reflection that will enable a deeper understanding of how all these kinds of encounters shape us. More than seventy short sections, each containing a scripture quotation, prayers for morning and evening, a short meditation, suggested scripture readings and a blessing, explore a rich variety of encounters: • Between Jesus and others in the Gospels - disciples, women, the young, the old, critics, enemies • The people we encounter - friends, neighbours, colleagues, family, strangers, the hostile • Encounters with the physical world - animals, weather, traffic jams, crowded cities, empty spaces • Encounters with ourselves - success, disaster, loneliness, identity, hope, fear, mystery and more • Encounters with God in prayer - how Christians across the centuries, including Julian of Norwich, St Benedict, Martin Luther, Wesley, C S Lewis and others understood and practiced prayer. Stories of Encounter is the Church of Scotland's theme for 2018 that will inform its worship and its mission throughout the coming year. At its heart is a desire to help people to tell their stories, to share those stories with others and with their communities, to reflect on their journeys of faith and ultimately their stories of encounters with God. This dynamic collection of newly written prayers, meditations and blessings will be a welcome aid for worship, for small group devotions and for personal discipleship.

Ecology and the Literature of the British Left H. Gustav Klaus, Valentine Cunningham, 2016-04-29 Premised on the belief that a social and an ecological agenda are compatible, this collection offers readings in the ecology of left and radical writing from the Romantic period to the present. While early ecocriticism tended to elide the bitter divisions within and between societies, recent practitioners of ecofeminism, environmental justice, and social ecology have argued that the social, the economic and the environmental have to be seen as part of the same process.

Taking up this challenge, the contributors trace the origins of an environmental sensibility and of the modern left to their roots in the late eighteenth and early nineteenth centuries, charting the ways in which the literary imagination responds to the political, industrial and agrarian revolutions. Topics include Samuel Taylor Coleridge's credentials as a green writer, the interaction between John Ruskin's religious and political ideas and his changing view of nature, William Morris and the Garden City movement, H. G. Wells and the Fabians, the devastated landscapes in the poetry and fiction of the First World War, and the leftist pastoral poetry of the 1930s. In historicizing and connecting environmentally sensitive literature with socialist thought, these essays explore the interactive vision of nature and society in the work of writers ranging from William Wordsworth and John Clare to John Berger and John Burnside.

Microtunneling and Horizontal Drilling French Society for Trenchless Technology (FSTT), 2010-01-05 This book includes recommendations prepared by members of the French Society for Trenchless Technology (FSTT), based on their recent national multi-year project. Comprehensive guidelines, techniques and theories in the areas of both microtunneling and horizontal drilling are given, encompassing the fields of application for each method, what investigations should be undertaken, which machines and equipment should be used, how the work should be managed and potential problems that may arise. The recommendations, the analytical methods used and their verification with laboratory and field data should not only improve the rate of success of trenchless projects, but will also be of great value to engineers in other countries, who can compare the results with their own findings and assess the international state of the art.

It's Kind of a Cheesy Love Story Lauren Morrill, 2021-03-09 A delicious love story with all the toppings, Lauren Morrill's *It's Kind of a Cheesy Love Story* is a contemporary YA rom-com about love, friendship, and pizza, perfect for fans of Becky Albertalli and Jenny Han. After her mother gave birth to her in the bathroom of a local pizzeria, Beck has been given the dubious privilege of having minor fame, free pizza for life, and a guaranteed job when she turns sixteen—a job she unfortunately can't afford to turn down. Now she's stuck with her geeky co-workers instead of taking Instagram-ready shots with her best friends (and her epic crush). But maybe the pizza people aren't all bad. Maybe that pizza delivery guy is kind of cute. And maybe there's a way to make this Bathroom Baby thing work for her. Because when disaster strikes the beloved pizza place that's started to feel like home, she's going to need a miracle—one that might even mean bringing her two worlds together.
