**Radical Acceptance** Tara Brach,2004-11-23 The life-changing guide to finding freedom from our self-doubt through the revolutionary practice of Radical Acceptance from the renowned meditation teacher, psychologist, and author—now revised and updated with a new introduction and an in-depth guide to the author's signature mindfulness techniques. "Radical Acceptance offers us an invitation to embrace ourselves with all our pain, fear, and anxieties, and to step lightly yet firmly on the path of understanding and compassion."—Thich Nhat Hanh "Believing that something is wrong with us is a deep and tenacious suffering," says Tara Brach at the start of this illuminating book. This suffering emerges in crippling self-judgments and conflicts in our relationships, in addictions and perfectionism, in loneliness and overwork—all the forces that keep our lives constricted and unfulfilled. Radical Acceptance offers a path to freedom, including the day-to-day practical guidance developed over Dr. Brach's forty years of work with therapy clients and Buddhist students. Writing with great warmth and clarity, Tara Brach brings her teachings alive through personal stories and case histories, fresh interpretations of Buddhist tales, and guided meditations. Step by step, she shows us how we can stop being at war with ourselves and begin to live fully every precious moment of our lives.

**The Buddha, Geoff and Me** Edward Canfor-Dumas,2013-05-03 Ed is having a hard time - at work, in his love life and, well, generally. Then he meets an unlikely Buddhist - who drinks and smokes and talks his kind of language. Bit by bit, things begin to change... Ed doesn't always take Geoff's advice. Or, when he does he lapses at the crucial moment. His path to understanding is not a straight one, especially as life keeps throwing more and more 'stuff' at him. Often he fails - like most of us, in fact. But sometimes he manages to get it right. And when he does, surprising things begin to happen ... In *The Buddha, Geoff and Me* Edward Canfor-Dumas brings all his skills to bear in an absorbing story of everyday city life, where the characters stand out with all their human strengths and weaknesses, and the ending brings Ed - and perhaps all of us? - a hope we didn't necessarily expect. *The Buddha, Geoff and Me* - for anyone who's ever begun to wonder what the whole damn thing is all about ...

*Presenting Japanese Buddhism to the West* Judith Snodgrass,2003 Japanese Buddhism was introduced to the West during the World's Parliament of Religions, in the 1893 Columbian Exposition. In describing and analysing this event, this text challenges the view of Orientalism as a one-way process by which Asian cultures are understood through Western ideas.

*Mechanical Trading Systems* Richard L. Weissman,2005 It also provides a detailed examination of the personality

traits common to the three basic types of trader - trend-following (long to intermediate term), mean reversion (intermediate-term), and short-term (swing and day traders) - and illustrates how a strict adherence to specific types of trading systems can foster a psychological flexibility that will allow you to succeed in all kinds of trading environments: countertrending, choppy, or trending.--Jacket.
