📖 **365 Buddha Quotes: Daily Buddha Quotes for Inner Peace, Happiness and Enlightenment** XABIER K. FERNAO, 2019-02-21 What if everything which we've always wanted are already inside of us? Think about it. Why do we want the expensive cars, houses, bags and watches? Why do we want the perfect relationship with the people we love? Why do we want to be healthy? Emotion. We want what we want because of what we think achieving it will make us feel. It is not the car(s) that matters... it is the feeling we think having that car will give us. Gautama Buddha was born a prince. However, upon seeing the sufferings of people outside of his palace, he decided to seek answers. After a long spiritual search, discovered the state of enlightenment... or otherwise known as Buddhahood. This book is not about the life story of Buddha. It is, however, about the life teachings of Buddha. Quotes are so special because they provide us a foundation for teaching, analyzing and relating... and yet... they do not tell us what to think and how to think. It is absolutely up to our own will on what each quote means to us.

📖 **I Can't Believe It's Not Buddha!** Bodhipaksa, 2018-11-06 Quotes from the Buddha are everywhere: on Facebook, Instagram, coffee mugs, posters. There's only one problem: the Buddha didn't actually say most of them. This humorous and informative book takes these fake Buddha quotes as a launching point for a discussion on what the Buddha really did say, and is a great entry point for those interested in learning more about Buddhism--what it is, and what it isn't. Bodhipaksa, a well-known Buddhist teacher and the founder of fakebuddhaquotes.com, takes a look at some of the quotes that are erroneously attributed to the Buddha, explains the ways in which these disagree (or sometimes agree) with Buddhist teachings, and offers some genuine examples of the Buddha's words. The perfect gift for the Buddhist in your life and an essential addition to any Buddhist library, I Can't Believe It's Not Buddha! is at once humorous and scholarly, and a timely antidote to the fake news that can surround some of the Buddha's teachings.

📖 **Buddhism Without Beliefs** Stephen Batchelor, 1998-03-01 A national bestseller and acclaimed guide to Buddhism for beginners and practitioners alike In this simple but important volume, Stephen Batchelor reminds us that the Buddha was not a mystic who claimed privileged, esoteric knowledge of the universe, but a man who challenged us to understand the nature of anguish, let go of its origins, and bring into being a way of life that is available to us all. The concepts and practices of Buddhism, says Batchelor, are not something to believe in but something to do—and as he explains clearly and compellingly, it is a practice that we can engage in, regardless of our background or beliefs, as we live every day on the path to spiritual enlightenment.

📖 **The Buddha and the Terrorist** Satish Kumar, 2022-12-19 Among all the experiences of the Buddha, his eye-to-eye encounter with a terrorist is perhaps the most relevant and vital for those of us caught in the binds of the early 21st century. Once upon a time in northern India, there lived a violent and fearsome outcaste called Angulimala ('necklace of fingers'). He terrorised towns and villages in order to try to gain control of the state, murdering people and adding their fingers to his gruesome necklace. The Buddha set out to meet Angulimala, and with the power of love and compassion he persuaded him to renounce violence and take responsibility for his past actions. Thus Angulimala was transformed. The Buddha and the Terrorist brings a message for our time about the importance of looking for the root causes of violence, and of finding peaceful means to end terror. This revised edition includes a new prologue, 'Talking to Terrorists', in which Satish Kumar discusses how we can best deal with the phenomenon of international terrorism. By telling the tale of the pitiless, blood-splattered Angulimala, activist Satish Kumar reminds us that when the Buddha deliberately and compassionately faced real fear, the fear in that real face evaporated.
