I Can't Believe It's Not Buddha! Bodhipaksa, 2018-11-06 Quotes from the Buddha are everywhere: on Facebook, Instagram, coffee mugs, posters. There's only one problem: the Buddha didn't actually say most of them. This humorous and informative book takes these fake Buddha quotes as a launching point for a discussion on what the Buddha really did say, and is a great entry point for those interested in learning more about Buddhism--what it is, and what it isn't. Bodhipaksa, a well-known Buddhist teacher and the founder of fakebuddhaquotes.com, takes a look at some of the quotes that are erroneously attributed to the Buddha, explains the ways in which these disagree (or sometimes agree) with Buddhist teachings, and offers some genuine examples of the Buddha's words. The perfect gift for the Buddhist in your life and an essential addition to any Buddhist library, I Can't Believe It's Not Buddha! is at once humorous and scholarly, and a timely antidote to the fake news that can surround some of the Buddha's teachings.

365 Buddha Quotes: Daily Buddha Quotes for Inner Peace, Happiness and Enlightenment Xabier K. Fernao,2019-02-21 What if everything which we've always wanted are already inside of us?Think about it.Why do we want the expensive cars, houses, bags and watches? Why do we want the perfect relationship with the people we love?Why do we want to be healthy?Emotion.We want what we want because of what we think achieving it will make us feel. It is not the car(s) that matters... it is the feeling we think having that car will give us.Gautama Buddha was born a Prince. However, upon seeing the sufferings of people outside of his palace, he decided to seek answers. After a long spiritual search, discovered the state of enlightenment... or otherwise known as Buddhahood.This book is not

about the life story of Buddha. It is, however, about the life teachings of Buddha. Quotes are so special because they provide us a foundation for teaching, analyzing and relating... and yet... they do not tell us what to think and how to think. It is absolutely up to our own will on what each quote means to us.

Two-color design throughout.

In the Buddha's Words Bodhi, 2005-07-28 This landmark collection is the definitive introduction to the Buddha's teachings in his own words. marriage to renunciation and the path of insight. A concise informative introduction precedes each chapter, guiding the reader toward a deeper understanding of the texts that follow. Buddhism the Religion of No-Religion Alan Watts, 1999-10-15 The widespread influence of Buddhism is due in part to the skill with which a way of liberation was refined by its teachers and

became accessible to people of diverse cultures. In this dynamic series of lectures, Alan Watts takes us on an exploration of Buddhism, from its roots in India to the explosion of interest in Zen and the Tibetan tradition in the West. Watts traces the Indian beginnings of Buddhism, delineates differences between Buddhism and other religions, looks at the radical methods of the Mahayan Buddhist, and reviews the Four Noble Truths and The Eightfold Path

The Dhammapada Anonymous, 2013-01-01 For students of Buddhism The Dhammapada is a must-read. This historic collection gathers various words spoken by the leader and founder of Buddhism. Each of the phrases in verse form coincides with a specific event that happened in Buddha's life, and he offers words of wisdom to shed light on these situations. This text is a staple in the Buddhist religion and is widely known as one of the most famous books in Eastern culture. Even though the thoughts of Buddha are his spoken word in written form, it is important for readers to remember that Buddha wanted all his philosophies to be open to interpretation and debate. With his verses, Buddha offers his own belief system for the world to analyze. For those who want to accept these words, they often find that The Dhammapada is an inspiration to change their lives. However, people from all different religions and creeds can find wisdom through Buddha's sayings; he looked at morality with a passive eye and willed his followers to treat everyone with the utmost respect. These and other beliefs can be found in The Dhammapada, which will be an interesting read for anyone

wishing to challenge or expand their own thoughts and beliefs.
