**Get Good with Money** Tiffany the Budgetnista  
Aliche, 2021-03-30 NEW YORK TIMES, WALL STREET JOURNAL, AND  
USA TODAY BESTSELLER • A ten-step plan for finding peace,  
safety, and harmony with your money—no matter how big or small  
your goals and no matter how rocky the market might be—by the  
inspiring and savvy “Budgetnista.” “No matter where you stand in  
your money journey, *Get Good with Money* has a lesson or two for  
you!”—Erin Lowry, bestselling author of the *Broke Millennial* series  
Tiffany Aliche was a successful pre-school teacher with a healthy  
nest egg when a recession and advice from a shady advisor put  
her out of a job and into a huge financial hole. As she began to  
chart the path to her own financial rescue, the outline of her ten-  
step formula for attaining both financial security and peace of  
mind began to take shape. These principles have now helped more  
than one million women worldwide save and pay off millions in  
debt, and begin planning for a richer life. Revealing this practical  
ten-step process for the first time in its entirety, *Get Good with  
Money* introduces the powerful concept of building wealth through  
financial wholeness: a realistic, achievable, and energizing  
alternative to get-rich-quick and over-complicated money  
management systems. With helpful checklists, worksheets, a tool  
kit of resources, and advanced advice from experts who Tiffany  
herself relies on (her “Budgetnista Boosters”), *Get Good with  
Money* gets crystal clear on the short-term actions that lead to  
long-term goals, including: • A simple technique to determine your  
baseline or “noodle budget,” examine and systemize your  
expenses, and lay out a plan that allows you to say yes to your  
dreams. • An assessment tool that helps you understand whether  
you have a “don’t make enough” problem or a “spend too much”  
issue—as well as ways to fix both. • Best practices for saving for a  
rainy day (aka job loss), a big-ticket item (a house, a trip, a car),  
and money that can be invested for your future. • Detailed advice  
and action steps for taking charge of your credit score, maximizing

bill-paying automation, savings and investing, and calculating your life, disability, and property insurance needs. • Ways to protect your beneficiaries' future, and ensure that your financial wishes will stand the test of time. An invaluable guide to cultivating good financial habits and making your money work for you, *Get Good with Money* will help you build a solid foundation for your life (and legacy) that's rich in every way.

*Financial Peace* Dave Ramsey, 2002-01-01 Dave Ramsey explains those scriptural guidelines for handling money.

*Budgets Don't Work (But This Does)* Melissa Browne, 2020-07-02 In this breakthrough book you'll discover your Money Story, your Money Type and just as importantly you'll learn the habits, triggers and tricks that are right for you. If you've ever tried to budget but found it just doesn't work, you need to read this book. When it comes to saving and spending money, we're not all the same. Yet for too long, the financial advice world has treated us as if we are. This book will give you the tools you need to make that long-awaited financial breakthrough, allowing you to discover your 'Financial Phenotype': the unique combination comprising your Money Story, your Money Environment, your Money Type and, just as importantly, the habits, triggers and tricks that are right for you. Once you realise that the one-size-fits-all approach to finances you've been trying to adopt doesn't work for most people, it can be liberating. Finally there's a rational explanation for why you've struggled with money-why you're perpetually sabotaging, why you're constantly at loggerheads with your partner or why you just can't seem to be consistent. When it comes to other areas of your life, such as food and exercise, you've no doubt embraced a multi-faceted, often highly personalised approach and you recognise that's important. Why should it be any different when it comes to your finances? That's why understanding your Money Story and discovering your Money Type is the key to financial success.
