The techniques simply explained and demonstrated include pen and wash, 3D decoupage, using pressed flowers, glass painting, using embossing powder, metal embossing, using polymer clay, rubber stamping and using clear stamps, using craft stickers, using chalks or alcohol inks, sewing beads on to cards, origami, using craft punches and quilling. The resulting projects are stunning, but the clear step by step photographs, templates for the designs and simple instructions make them achievable for card makers of all skill levels and there are dozens of beautifully photographed variations for more inspiration.
