*The Thirty-Six Stratagems* Junfu Dai,2024-03-05 The Thirty-Six Stratagems is a widely known book in China that is a concise summary of military tactics and strategies. By illustrating tactics used in warfare with examples from Go games, Dai Junfu shows, that many of these ideas can also be found in the game of Go. Dai Junfu chose board positions from his own games played against top European players, as well as top professional games from Asia and Europe. The Thirty-Six Stratagems was published as a series in the European Go Journal and was highly appreciated by its readers, many of whom considered it their favourite chapter. This book provides a broad panoramic view of the rich history of Chinese warfare. The reader gains an insight in the higher levels of Go fighting while learning about the traditional Chinese culture and oriental thought.

**The American Midwest** Andrew R. L. Cayton,Richard Sisson,Chris Zacher,2006-11-08 This first-ever encyclopedia of the Midwest seeks to embrace this large and diverse area, to give it voice, and help define its distinctive character. Organized by topic, it encourages readers to reflect upon the region as a whole. Each section moves from the general to the specific, covering broad themes in longer introductory essays, filling in the details in the shorter entries that follow. There are portraits of each of the region's twelve states, followed by entries on society and culture, community and social life, economy and technology, and public life. The book offers a wealth of information about the region's surprising ethnic diversity -- a vast array of foods, languages, styles, religions, and customs -- plus well-informed essays on the region's history, culture and values, and conflicts. A site of ideas and innovations, reforms and revivals, and social and physical extremes, the Midwest emerges as a place of great complexity, signal importance, and continual fascination.

*Classic Home Video Games, 1985-1988* Brett Weiss,2012-11-12 A follow up to 2007's Classic Home Video Games, 1972-1984, this reference work provides detailed descriptions and reviews of every U.S.-released game for the Nintendo NES, the Atari 7800, and the Sega Master System, all of which are considered among the most popular video game systems ever produced. Organized alphabetically by console brand, each chapter includes a description of the game system followed by substantive entries for every game released for that console. Video game entries include publisher/developer data, release year, gameplay information, and, typically, the author's critique. A glossary provides a helpful guide to the classic video game genres and terms referenced throughout the work, and a preface provides a comparison between the modern gaming industry and the industry of the late 1980s.
