*Bump* Matt Wallace,2021-01-26 A moving and triumphant middle grade contemporary debut from award-winning author Matt Wallace about a heroic young girl—who dreams of becoming a pro wrestler—learning to find courage and fight for what she loves. Perfect for fans of Kelly Yang, Meg Medina, and Jason Reynolds' Track series! MJ knows what it means to hurt. Bruises from gymnastics heal, but big hurts—like her dad not being around anymore—don't go away. Now her mom needs to work two jobs, and MJ doesn't have friends at school to lean on. There is only one thing MJ loves: the world of professional wrestling. She especially idolizes the luchadores and the stories they tell in the ring. When MJ learns that her neighbor, Mr. Arellano, runs a wrestling school, she has a new mission in life: join the school, train hard, and become a wrestler. But trouble lies ahead. After wrestling in a showcase event, MJ attracts the attention of Mr. Arellano's enemy at the State Athletic Commission. There are threats to shut the school down, putting MJ's new home—and the community that welcomed her—at risk. What can MJ do to save her new family? \* A Junior Library Guild Selection \* Banks Street Best Children's Books of the Year \*

**Bump** Diana Wagman,2003 A black comedy explores the line separating love and obsession in a story that begins in the aftermath of a three-car pileup in Los Angeles and intertwines the lives of a trio of motorists and a police officer.

**Everywhere You Don't Belong** Gabriel Bump,2021-01-12 A New York Times Book Review Notable Book of 2020 “A comically dark coming-of-age story about growing up on the South Side of Chicago, but it’s also social commentary at its finest, woven seamlessly into the work . . . Bump’s meditation on belonging and not belonging, where or with whom, how love is a way home no matter where you are, is handled so beautifully that you don’t know he’s hypnotized you until he’s done.” —Tommy Orange, The New York Times Book Review In this alternately witty and heartbreaking debut novel, Gabriel Bump gives us an unforgettable protagonist, Claude McKay Love. Claude isn’t dangerous or brilliant—he’s an average kid coping with abandonment, violence, riots, failed love, and societal pressures as he steers his way past the signposts of youth: childhood friendships, basketball tryouts, first love, first heartbreak, picking a college, moving away from home. Claude just wants a place where he can fit. As a young black man born on the South Side of Chicago, he is raised by his civil rights-era grandmother, who tries to shape him into a principled actor for change; yet when riots consume his neighborhood, he hesitates to take sides, unwilling to let race define his life. He decides to escape Chicago for another place, to go to college, to find a new identity, to leave the pressure cooker of his hometown behind. But as he discovers, he cannot; there is no safe haven for a young black man in this time and place called America. Percolating with fierceness and originality, attuned to the ironies inherent in our twenty-first-century landscape, Everywhere You Don’t Belong marks the arrival of a brilliant young talent.

The Bump Class Marina Fogle,Dr Chiara Hunt,2016-02-04 This is one of the best books I have read on the subject The Sun Fresh, witty and reassuringly down-to-earth You Magazine Fed up with advice that did not take into account a less than perfect pregnancy, Dr Chiara Hunt and Marina Fogle set up their pregnancy course, The Bump Class, in London in 2013. They wanted to help prepare new mothers thoroughly for the birth of their babies and instil in them the joy and happiness of birth, no matter what the method, time or setting of the labour. This book is a pragmatic and honest look at pregnancy, giving pregnant women and new mothers sensible and practical advice on what is to be expected (as well as the often unexpected!) in a friendly and open manner. Chiara and Marina believe that there is no such thing as a “normal” pregnancy or birth – every woman is different and that should be celebrated, not ignored. The Bump Class is filled with charming illustrations, impartial advice, style tips and hilarious anecdotes from both of the authors, as well as personal stories from the women who have been welcomed onto their course. This book will provide every pregnant woman with the support and reassurance that is so essential at the most crucial time in any woman’s life.

*The Baby Bump* Carley Roney,2010-09-08 Explains what happens at every stage of pregnancy-including the latest medical advances and parents' real-life experiences.

Bump Diana Wagman,2013 Set in L.A., Diana Wagman's Bump begins (appropriately enough, in that car-carpeted town) with a fender bender. Gradually, the story metamorphoses (more appropriately still, in that city of dreams become film) into a fairy tale. This remarkable journey from a commuter's daily life to a zone of romantic enchantment is marked by keen sociological observations and flashing moments of humor. --Brad Leithauser, author of A Few Corrections: A NovelFrom an award-winning writer, this is a darkly funny, cinematic page-turner that explores the line between obsession and love. Bump is the story of a trio of motorists and one policeman linked together by a tangled, life-altering web of coincidence in the immediate aftermath of a three-car pileup in Los Angeles. Dorothy is to be married in less than 24 hours but can't shake the memory of her ex-boyfriend. Madelyn is a married mother of two who falls in love with a double-amputee she met through a suicide hotline. Leo is a golden-eyed Latino who speaks no Spanish and has come to L.A. to reclaim his girlfriend. Ray is a suicide-obsessed Beverly Hills cop whose wife has just left him. Diana Wagman's fast-paced and vividly cinematic narrative presents an engrossing tableau of synchronicity steered by

obsession and alienation. Beautifully written and deeply affecting, Bump is hard to put down, and hard to forget. Diana Wagman is wicked fun, and...Bump shows off her talents to a T. Witty, perceptive and compulsively readable. --Janet Fitch, author of White OleanderWagman's crisp and lively prose makes for a thoroughly enjoyable read: the pages flew by. --Aimee Bender, author of The Particular Sadness of Lemon Cake and The Color Master: StoriesDarkly funny and compelling...Bump belts the reader in for a trippy Carveresque adventure. --East Bay Express[Diana Wagman's] minidramas recall Ann Beattie's or Lorrie Moore's clarity. --San Francisco Chronicle...[D]espite the relentlessly dark subject matter, Wagman's writing has a hypnotic, rhythmic quality that keeps the reader interested till the end. --Kathleen Hughes, Booklist

The books were so successful that Oxford has published over 20 other titles in the same style and format.
