Affective Health and Masculinities in South Africa Hans Reihling, 2020-04-03

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Has the hurt and heartache you've experienced along the Christian journey left you completely exhausted and at the end of yourself? You may just be a Fried Christian. In *A Recipe for Fried Christian* author Dennis Bambino shares his story of becoming a fried Christian with gut-wrenching honesty. He characterizes his experience in the form of a recipe, that when followed, results in spiritual burnout. Gleaning from Bambino's journey of going from fried to a well-done lover of God, you will learn the devices the enemy uses to fry a Christian as well as transformational truths that pull you out of burnout and into hope and healing. You'll be impacted and empowered as Bambino recounts his story of how his faithful heavenly Father caught him in a free-fall into darkness and transformed him from a laborer for God into a lover of God. Go from a Laborer for God to a Lover of God! In this resource of hope and healing, you'll discover how to: - Avoid the pitfalls of becoming fried - Live out of relationship, not religion- Surrender the pain of the past- Embrace God's unconditional love No matter how fried you've become, you are forever loved! God will redeem you back to wholeness so you can stand before Him well done. Dennis describes the incredible wholeness he has found in Jesus after enduring deep disappointment and pain. Scornflakes Attila (the Stockbroker), 1992 Attila the Stockbroker has travelled the world for ten years, taking his highly individual, fiery cocktail of energetic performance poetry, hardcore minimalist folk-rock anthems (accompanied by his trusty mandola, Nelson) and surreal political satire from Shoreham Harbour to Sydney Harbour, from Harlow to Helsinki, via Leipzig, Vancouver, Auckland, Amsterdam and Tirana - not to mention Slough! Scornflakes is Attila's second book of poems, the follow-up to 1985's Cautionary Tales for Dead Commuters... Inspiration by Hilaire Belloc. Clothes sense by The Levellers. Holder of a poetic licence for a minstrel cycle, Attila's other interests include lugworms, cultivating coriander plants and 'attempting to control the growth of other vegetables, especially Tory C2s'. In Britain, Attila has done substantial work for The Guardian and Radio Four, written for the music press (ha!) and even stranger publications, and made considerable numbers of sporadic and often unlikely radio and TV appearances from John Peel to Pebble Mill. He's a regular at events such as

the Edinburgh Fringe and Glastonbury Festival, and performs at every conceivable type of venue - arts centres, rock gigs, poetry festivals, comedy clubs...He has released five LPs in the UK - most recently Scornflakes and Donkeys' Years - and has also had albums issued in Canada, Australia, New Zealand and Germany. His most recent release is an Antipodean CD called 668 - Neighbour of the Beast. Scornflakes is illustrated with cartoons by Womble.

Stepbrother Broken Colleen Masters, 2015-08-29 Only Lukas Hawthorne could simultaneously break my spirit, crush my dreams...and make me dripping wet. He's a legend on campus-a star athlete with records that'll never be broken. I always see him on campus walking around with some new hot piece of ass, and I dream about what it would be like to be the one on his arm...It's totally unfair to have such an effortlessly handsome grad student as my TA.

Who knew economic theory could be so sexy? Problem is, I've been so distracted by him all semester that now I'm failing his course, and I need pass if I hope to graduate on time. He wants to meet with me after class, to discuss how I can make up my grade this summer...extra assignments, private lessons...whatever it takes. But when a disgusting realization is made-our student-teacher sex sessions are permanently interrupted.Our parents are engaged. They're madly in love and can't wait to make me, Lukas, and all of our siblings one big happy family. To make matters worse, we have to endure a family vacation at his father's lake house. Together. A million miles away from everything.Thing is, the more inappropriate my desire is for him, the more intensely it burns...and he isn't shy about meeting me halfway.According to him, we're going to defile every room and every surface of his father's house before we go back to school.Challenge accepted.
