Beautiful Baby Boston, Belle Elizabeth Slenker,2019-06-11 Boston terriers are adaptable, smart little dogs, quick to learn with love, praise, affection, and lots of treats. Only someone who has shared a home with a Boston terrier can comprehend its love and devotion and appreciate its genuine zest for life, its occasional puzzling antics, and random streaks of stubbornness. This book is the story of Belle, Elizabeth's most recent Boston terrier. This very self-willed puppy has a completely unique agenda of how to live life totally different from any other dog that has resided in this household. With love and praise in spite of her absolute determination to get her way, Belle has turned out to be a wonderful companion. All the illustrations in this book are based on the Boston terriers raised by the author. About the Author Elizabeth Slenker is a retired college professor who has exchanged two-legged students for four-legged learners. She taught in a small college and wore many hats in her position. Since retirement, she spends time training her dogs, volunteering, and creating art. She

takes her certified therapy dog to visit patients in the hospital and to public libraries where children read to the dog. Elizabeth paints in watercolor, works in stained glass, and creates logos and designs. Her art decorates homes across the United States. She loves to paint animals and gets lots of inspiration from the antics of her dogs. Elizabeth holds a one-person exhibition every year. The most recent featured animals reflected in water. Eight and One-half Little Bostons Sharon Ruth Thomas, 2014 An engaging memoir, written as a tribute to the author's Boston Terriers, and to the whole canine world. Echoing throughout the story is the theme, animals, dogs in particular, are usually nicer than most people. This biography has a story line, but is primarily a series of anecdotes which will entertain readers with the personalities and antics of both the dogs and their human parents. The book is heartwarming, often humorous, occasionally hilarious, and regrettably sometimes heartbreaking. It is a love story which will appeal to Boston Terrier devotees, perhaps dog lovers in general, and possibly even cat lovers. It might also be enjoyed by readers who appreciate a simple, sweet, decent, funny, non-violent, entertaining story minus profanity and graphic sex. As a memorial to the Thomas family's Bostons, a portion of any profits will be donated to the Humane Society of the United States, the American Society for the Prevention of Cruelty to Animals, and the North Campus of the San Diego, California Humane Society.
