**The Texas Hamburger** Rick Vanderpool, 2007-02-14 The "Hambassador of Texas" sinks his teeth into the American culinary classic on a road trip with pit stops at the best burger joints in the state. Texans are passionate about this signature sandwich, and photographer/writer Rick Vanderpool has become, in his own right, the Hambassador of Texas. In 2006, Rick undertook a quest to find and photograph the best Texas burgers, traveling over eleven thousand miles and visiting over seven hundred Texas burger joints. Since that time, he has continued his travels, sampling the finest burgers the Lone Star State has to offer. He has also picked up some fellow enthusiasts willing to share their own tasty tales along the way. From Fletcher Davis's 1885 Athens creation (recipe included) and the Cheeseburger Capital of Texas in Friona to Whataburger #2 in Corpus Christi and Herd's in Jacksboro, join Rick and his "Hamburger Helpers" on their journey celebrating the history of the original Texas hamburger. "Looking for a place to eat a great hamburger? Rick Vanderpool may have just the place for you--hundreds in fact. The Lubbock resident criss-crossed the state taking hundreds of photographs and visiting more than 700 burger joints for a book on the subject." --Hockley County News-Press

**Behind the Burger** John E. Ellinas, 2021-07-30 It is late July 1979 when a young man interviews with a relatively new fast-food chain. After he is immediately offered a position as a manager trainee, John never realizes that it is an early warning sign of future chaos. A saner man should have turned and ran. After he endures training and is promoted to assistant manager, John is transferred to a new restaurant. Excited and pumped for the challenge, he has no idea what is in store for him on his first day. Just as he begins closing the restaurant for the night, a masked man emerges from the hedges, robs the restaurant, and causes an unpleasant ending to John’s first foray in the industry. As he struggles through multiple robberies, corporate intrigue and politics, snow and ice in Atlanta, and questionable decisions from upper management, John somehow finds a way to inject humor into the most stressful and intense situations as he navigates through both good and bad days in an unpredictable business. Behind the Burger is the intriguing and sometimes amusing tale of a restaurant manager’s experiences as he does his best to survive and thrive through three decades in the fast-food industry.

**Behind the Drive** Brandon Sneed, Kenney Moore, Katie Sneed, 2015-03-15 Hwy 55 Burgers, Shakes & Fries, formerly

known as Andy's, spent 20 years nestled quietly in North Carolina until they started franchising outside of the state in 2010. They expanded at an astonishing rate, in four years selling franchising rights for nearly 1,000 stores worldwide and becoming recognized as one of the best franchises in the United States. For founder and CEO Kenney Moore, who grew up poor and destined for a lifetime of anonymous mediocrity, it was the American Dream come true. But along the way, mistakes and personal demons Moore thought he buried in the past caught up to him, and they threatened to destroy everything. Behind The Drive covers Moore and Hwy 55's fight to survive and explores the good, the bad, and the ugly of what it really means to chase the American Dream. The result is a raw, honest story perfect for our anxious, cynical time, a story that says despite our past, our fears, or our failures, although the American Dream might look different than it used to, it's still very much alive -- and, as Moore discovers, it can still take us as far as we dare to imagine.
