**Becoming Ms. Burton** Susan Burton,Cari Lynn,2019-02-12 Winner of the 2018 National Council on Crime & Delinquency’s Media for a Just Society Awards Winner of the 2017 Goddard Riverside Stephan Russo Book Prize for Social Justice “Valuable . . . [like Michelle] Alexander's The New Jim Crow.” —Los Angeles Review of Books “Susan Burton is a national treasure . . . her life story is testimony to the human capacity for resilience and recovery . . . [Becoming Ms. Burton is] a stunning memoir.” —Nicholas Kristof, in The New York Times Winner of the prestigious NAACP Image Award, a uniquely American story of trauma, incarceration, and the breathtaking resilience of the human spirit (Michelle Alexander) Widely hailed as a stunning memoir, *Becoming Ms. Burton* is the remarkable life story of the renowned activist Susan Burton. In this stirring and moving tour-de-force (John Legend), Susan Burton movingly recounts her own journey through the criminal justice system and her transformation into a life of advocacy. After a childhood of immense pain, poverty, and abuse in Los Angeles, the tragic loss of her son led her into addiction, which in turn led to arrests and incarceration. During the War on Drugs, Burton was arrested and would cycle in and out of prison for more than fifteen years. When, by chance, she finally received treatment, her political awakening began and she became a powerful advocate for a more humane justice system guided by compassion and dignity (Booklist, starred review). Her award-winning organization, A New Way of Life, has transformed the lives of more than one thousand formerly incarcerated women and is an international model for a less punitive and more effective approach to rehabilitation and reentry. Winner of an NAACP Image Award and named a Best Book of 2017 by the Chicago Public Library, here is an unforgettable book about the breathtaking resilience of the human spirit (Michelle Alexander).

**Burton on Burton** Tim Burton,2008-11-20 Tim Burton is one of the great modern-day visionaries of cinema, a director who has fabricated his own deliciously nightmarish universe in movies as extraordinary as *Beetlejuice*, *Edward Scissorhands*, *Mars Attacks!* and *The Nightmare before Christmas* - not to mention his twisted takes on the tales of *Batman*, *Sleepy Hollow* and *Planet of the Apes*. Following the release of his re-imagining of Roald Dahl's *Charlie and the Chocolate Factory* with long-time comrade Johnny Depp (who also provides a new foreword here), this updated and fully illustrated new edition of the definitive Burton interview book casts light on Burton's Burbank childhood, his early work at Disney, the recurrent themes and stunning designs of his movies, and the creative obsessions that fuel them.

Senseless Mary Burton,2011-01-01 Every Serial Killer Knows. . . The vicious burns scarring the victims' flesh reveal the agony of their last moments. Each woman was branded with a star, then stabbed through the heart. With every death, a vengeful killer finds a brief, blissful moment of calm. But soon it's time for the bloodshed to start again. . . The Perfect Time. . . Ten years ago, Eva Rayburn and her sorority sisters were celebrating the end of the school year. That party turned into a nightmare Eva can't forget. Now she's trying to start over in her Virginia hometown, but a new nightmare has begun. Every victim is linked to her. And Detective Deacon Garrison isn't sure whether this mysterious woman needs investigating--or protecting. . . To Make His Mark Only Eva's death will bring peace. Only her tortured screams will silence the rage that has been building for ten long years. Because what started that night at the sorority can never be stopped--not until the last victim has been marked for death. . . Praise for the novels of Mary Burton A twisted tale. . .I couldn't put it down! --Lisa Jackson on *Dying Scream Taut*, compelling. . .delivers a page-turner. --Carla Neggers on *I'm Watching You* A chilling thriller. --Beverly Barton on *Dead Ringer* Mary Burton's latest romantic suspense has it all--terrific plot, complex and engaging protagonists, a twisted villain, and enough crime scene detail to satisfy the most savvy suspense reader.--Erica Spindler, New York Times bestselling author of *Blood Vines*

**Empty** Susan Burton,2021-07-06 An editor at *This American Life* reveals the searing story of the secret binge-eating that dominated her adolescence and shapes her still. “Her tale of compulsion and healing is candid and powerful.”—People NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE For almost thirty years, Susan Burton hid her obsession with food and the secret life of compulsive eating and starving that dominated her adolescence. This is the relentlessly honest, fiercely intelligent story of living with both anorexia and binge-eating disorder, moving past her shame, and learning to tell her secret. When Burton was thirteen, her stable life in suburban Michigan was turned upside down by her parents’ abrupt divorce, and she moved to Colorado with her mother and sister. She seized on this move west as an adventure and an opportunity to reinvent herself from middle-school nerd to popular teenage girl. But in the fallout from her parents’ breakup, an inherited fixation on thinness went from “peculiarity to pathology.” Susan entered into a painful cycle of anorexia and binge eating that formed a subterranean layer to her sunny life. She went from success to success—she went to Yale, scored a dream job at a magazine right out of college, and married her college boyfriend. But in college the compulsive eating got worse—she’d binge, swear it would be the last time, and then, hours later, do it again—and after she graduated she descended into anorexia, her attempt to “quit food.” Binge eating is more prevalent than anorexia or bulimia, but there is less research and little storytelling to help us understand it. In tart, soulful prose Susan Burton strikes a blow for the importance of this kind of narrative and tells an exhilarating story of longing, compulsion and hard-earned self-revelation.

**Burton's Book on California and Its Sunlit Skies of Glory** George Ward Burton,1909

Manuscripts from the Burton Historical Collection Mary Agnes Burton,1916

*The Black Box* Marquett Burton,2020-08-09 The Black Box is not a tale of a great man. This story is about someone like you: a human being endeavoring to make tomorrow better than today. Each chapter recounts a formative experience and concludes with a 'Black Box': an explanation of how a given situation helped me develop the mindset required to thrive in that type of environment.An airplane's black box records all circumstantial things occurring around and within the aircraft, as well as the voices (and radio transmissions) in the head of the airliner. When an airplane crashes engineers look into the black box to study what went wrong. However, black boxes also have stories of success, but we rarely look to them for those narratives. Memories, like a black box, are nearly permanent records. Black boxes are stored in reinforced shells designed to survive 30 minutes in 2000-degree Fahrenheit heat as well as submersion in 20,000 feet deep water.Your black box is filled with helpful memories, but so often you fail to look into your black box to pull wisdom from it. Sometimes we do not want to open the black box and look in because it means seeing our hardships replayed, seeing things that cause us fear and pain. As you peer into my black box, it will inspire you to look into your own. Our black boxes are filled with explanations of why we crash as well as stories of how we have soared above turbulence.Most of these chapters have been developed as self encapsulated stories from which a moral can be drawn without reference to previous chapters. I share the story of my life knowing that my achievements outstrip those of the average person by only a modest margin. The validity of this work lies in the distance between my starting point and where I stand today. This book is about you. It should drive you to consult your black box as you adventure through life, and to use the experience, strength and resolve that you already have to make your journey easier and more enjoyable.

Richard Burton Michael Munn,2008-10-06 Traces the life and career of the stage and film actor, from his star performance in Broadway's *Camelot* and his relationships with such contemporaries

as Peter O'Toole and Frank Sinatra to his two marriages to Elizabeth Taylor and secret affair with Marilyn Monroe. 12,500 first printing.

**William E. Burton, Actor, Author, and Manager** William Linn Keese,1885

**Rhino Who Swallowed a Storm** LeVar Burton,Susan Schaefer Bernardo,Courtenay Fletcher,2014-10-07 Actor and longtime educational advocate LeVar Burton has had more than 30 years' experience speaking directly to children about grown-up situations, and *The Rhino Who Swallowed a Storm* is a story that helps ease the fears and worries of a young child Mica Mouse lost her house in a terrible storm, and now she trembles when the weather turns rough. She's not so different from other children who've experienced something very disturbing in their life or heard about tragic or frightening events in the news. Mica's father tells her the story of a brave blue rhinoceros who learns how to get through rough times with friendship, helpers, love, and by feeling your feelings. LeVar Burton has poured a lifetime of experience storytelling to children into *The Rhino Who Swallowed a Storm*, and the result is more than a book—it's a manual for finding the light in the midst of dark times.

**A Kids Book About Imagination** LeVar Burton,2023-11-03 A clear explanation of what the imagination is and the opportunities that come from the use of it. What is imagination? Most of us think of it as playing pretend or what happens when we're dreaming, but imagination takes us to worlds and galaxies beyond that. Imagination helps us travel between time, space, and reality. It gives us the power to dream up the world in our own vision and encourages us to think of not just what is, but what could be. Imagination is a superpower that unlocks endless possibilities, and all by asking one simple question: what if? This is one conversation that's never too early to start, and this book was written to be an introduction on the topic for kids. *A Kids Book About Imagination* features: - A large and bold, yet minimalist font design that allows kids freedom to imagine themselves in the words on the pages. - A friendly, approachable, yet empowering, kid-appropriate tone throughout. - An incredible and diverse group of authors in the series who are experts or have first-hand experience of the topic. Tackling important discourse together! The *A Kids Book About* series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. A Kids Co. is a new kind of media company enabling kids to explore big topics in a new and engaging way. With a growing series of books, podcasts and blogs, made to empower. Learn more about us online by searching for A Kids Co.

**The Walk** Adam Hamilton,2019-12-17 How do we walk with Christ—daily follow him, grow in him, and faithfully serve him? In the Gospels, Jesus modeled for us the Christian spiritual life. The apostles taught it in their writings. And the Church has, through the last 2,000 years, sought to pursue this Christian spiritual life. In *The Walk*, Adam Hamilton focuses on five essential spiritual practices that are rooted in Jesus' own walk with God and taught throughout the New Testament. Each of these practices is intended as part of our daily walk with Christ while also being an essential part of growing together in the church. In each chapter, Hamilton explores one of these practices, its New Testament foundation, and what it looks like to pursue this practice daily in our personal life and together in the life of the church. Deepen your walk with Christ as we explore the five essential practices of worship, study, serving, giving, and bearing witness to our faith. Additional components for a six-week adult study include a comprehensive Leader Guide and a DVD featuring the engaging teachings of author and pastor Adam Hamilton. Also available are resources for children and youth.

**Tim Burton** Ken Hanke,2000-12-01 This is the first full-length biography of the visionary Hollywood filmmaker Tim Burton, director of *Batman*, *Batman Returns*, *Beetlejuice*, *Edward Scissorhands*, *Peewee's Big Adventure*, *Tim Burton's The Nightmare before Christmas*, *Ed Wood*, *Mars Attacks!*, and *Sleepy Hollow*. More than an examination of his body of work, this book takes an in-depth look at Tim Burton's personal life, which until now the reclusive director has managed to keep under wraps. Author Ken Hanke examines the frail, wild-haired fellow whose unique, introverted feature films are passionately admired by many and dismissed by others. How does he command the respect of so many big names in a creative industry not much known for good judgment? How has he managed to carve out an impossibly personal and quirky body of work within the confines of the most mainstream venues of establishment Hollywood? You'll learn about: \* Tim Burton's unhappy childhood; to this day he has no relationship with his family \* the real reason why Tim Burton left Disney after *Ed Wood* \* his collaborations with talent such as Johnny Depp, Winona Ryder, Vincent Price (his idol), and Danny Elfman \* the autobiographical elements in *Edward Scissorhands* \* Tim Burton's often disastrous involvement with other people's projects \* the ramifications of excessive power-- the *Batman Returns* debacle \* the collapse of the *Superman Reborn* project

**Social Creature** Tara Isabella Burton,2019-06-18 One of the Best Books of the Year: Janet Maslin, *The New York Times* *Vulture* NPR *Social Creature* is a wicked original with echoes of the greats (Patricia Highsmith, Gillian Flynn). —Janet Maslin, *The New York Times* For readers of Gillian Flynn and Donna Tartt, a dark, propulsive and addictive debut thriller, splashed with all the glitz and glitter of New York City. They go through both bottles of champagne right there on the High Line, with nothing but the stars over them... They drink and Lavinia tells Louise about all the places they will go together, when they finish their stories, when they are both great writers—to Paris and to Rome and to Trieste... Lavinia will never go. She is going to die soon. Louise has nothing. Lavinia has everything. After a chance encounter, the two spiral into an intimate, intense, and possibly toxic friendship. *A Talented Mr. Ripley* for the digital age, this seductive story takes a classic tale of obsession and makes it irresistibly new.

*A Sketch of the Career of Richard F. Burton* Alfred Bates Richards,Andrew Wilson,1886

**Tim Burton** Ian Nathan,2024-03-14 This new and updated edition covers the full life's work of iconic director Tim Burton, including the Netflix phenomenon *Wednesday* and the start of development on *Beetlejuice 2*. Tim Burton is one of the most popular and remarkable filmmakers of the last 30 years, being responsible for such films as *Edward Scissorhands*, *The Nightmare Before Christmas*, *Corpse Bride* and *Alice in Wonderland*. He is famed for the visually arresting style of his films combined with highly original storylines. A truly international filmmaker, Tim Burton has carved a reputation as one of the world's greatest creative directors. This stunning treasury explores the influences on his development as a filmmaker and assesses how he has captured the fruits of his imagination on screen. Illustrated with many behind-the-scenes photographs and stunning film stills, chapters analyse the success and style of films such as *Beetlejuice*, *Ed Wood* and *Mars Attacks!*, and examine how Burton breathed new life into well-known stories that include *Batman*, *Planet of the Apes*, *Charlie and the Chocolate Factory*, *Alice Through the Looking Glass* and *Dumbo*. *Tim Burton: The Iconic Filmmaker and His Work* is a must for anyone who enjoys the creativity of films and is a fitting appreciation of one of Hollywood's most dynamic movie directors. It takes you through his films, explaining how he got to where he is and why his films are so revered.

**YEAR OF WONDER: Classical Music for Every Day** Clemency Burton-Hill, 2017-10-05 As featured in the Telegraph and on Radio 4's Today programme. 'A magnificent treasury . . . a fascinating tour de force.' Observer 'Year of Wonder is an absolute treat - the most enlightening way to be guided through the year.' Eddie Redmayne Classical music for everyone - an inspirational piece of music for every day of the year, celebrating composers from the medieval era to the present day, written by award-winning violinist and BBC Radio 3 presenter Clemency Burton-Hill. Have you ever heard a piece of music so beautiful it stops you in your tracks? Or wanted to discover more about classical music but had no idea where to begin? Year of Wonder is a unique celebration of classical music by an author who wants to share its diverse wonders with others and to encourage a love for this genre in all readers, whether complete novices or lifetime enthusiasts. Clemency chooses one piece of music for each day of the year, with a short explanation about the composer to put it into context, and brings the music alive in a modern and playful way, while also extolling the positive mindfulness element of giving yourself some time every day to listen to something uplifting or beautiful. Thoughtfully curated and expertly researched, this is a book of classical music to keep you company: whoever you are, wherever you're from. 'The only requirements for enjoying classical music are open ears and an open mind.' Clemency Burton-Hill Playlists are available on most streaming music platforms including Apple Music.
