Finding Myself Royce Adam Smith, 2024-03-28 In the second book of this ongoing series, Royce continues his journey of self-discovery from age 14 to 18, as trauma lurks trying to hide him from himself. Navigating life's pains, strains and hardships while attempting to find oneself is a winding path travelled as best one can. Though often unaware, Royce moves slowly yet steadily forward despite the darkness. Dangers explode without warning - hidden perils that scar his soul and edge him further away from himself. Not wanting to lose himself, Royce needs his inner warrior. He needs love - for himself and the world around him - though the concept of love remains unclear, given his parents' hateful expressions of pain. Thankful for what little love comes his way, Royce intuitively understands its importance. For it is love that helps one remember the self that dwells within. Being harsh or unkind to oneself betrays the heart of self-love. Through his ongoing trials, Royce journeys toward the light of self-understanding. It is only by embracing one's full humanity that true healing can begin.
