Farming, for Real Estate Agents Meredith Fogle,2021-01-12 Harvest real success through real estate farming Are you a real estate agent ready to transform your business? Experts agree that building and operating a real estate farm is the most direct path to success. Like a traditional farm, a real estate farm is a limited geographic area in which you plant seeds via marketing and

leads, tend your crops by strengthening client relationships, and harvest the fruits of your labor through repeat business and referrals, resulting in market dominance. In this essential, step-by-step guide, real estate expert Meredith Fogle shows you how to select a farm area, create farm dominance, and even how to sell an established farm business. You'll have access to practical exercises, worksheets, and charts, plus secrets of "Famous Farmers"—top-producing real estate bloggers, TV contributors, and market leaders—who share the keys to their success. Farming, for Real Estate Agents is also filled with fundamental principles and systems that can be applied to almost any sales business to immediately increase leads and income. Whether you're starting a career and seeking quick success or you're an established agent looking to achieve top-producer status and transform your business, this innovative book is the only one you'll need to reap immeasurable rewards from your real estate farm.

The Eight New Rules of Real Estate John A. Tuccillo,1999 The rules of the game are changing. The explosion of listings available on the on the Internet, the widespread consolidation of brokerages and the encroachment of lenders and insurance companies into the front end of the real estate transaction are only a few of the manifestations of a new era in real estate. To stay ahead of your many competitors, you need a new strategy. To create a winning strategy, you must know: -- how to think content; -- how to mine your bits; -- how to sell the experience, not the product; -- how to feed the OODA loop, -- and much more. As a nationally-recognized economist and a consultant to the National Association of REALTORS RM, John Tuccillo's business forecasting skills have earned him the respect of the most widely-recognized names in the real estate industry. His wry observations on economic and demographic trends and how these and other elements will affect real estate commerce make him one of the most sought-after speakers in the country. John Tuccillo's The 8 New Rules of Real Estate can bring you to the forefront of your profession and keep you there well into the 21st century!
