Introduction to Business Lawrence J. Gitman, Carl McDaniel (Jr.), Amit J. Shah, Monique Reece, Linda Koffel, Bethann Talsma, James C. Hyatt, 2018 Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

11 Secrets to Selling Your Business Gregory R. Caruso, 2007-04 Amy Alexander's life changed in a way she could never have foreseen after her marriage ended. Fear became her companion when her ex-husband began threatening her children in a desperate bid for money to support his drug habit. While fighting emotional battles, Amy and her sons learn their strength is a prayer away. New relationships emerge and old ones are strengthened as they seek Peace in the Storm.

11 Reasons Why You Will Never Sell Your Business for the Money You Deserve Justin Cauley, 2011-05-01 Do you know the 11 reasons why you will never sell your business for the money you deserve? Most business owners have no plan in place to address the fact that one day they will exit their business one way or another. In fact less than 85% of owners have such a plan in place. Unfortunately this means that the vast majority will be disappointed when they want to sell or transfer their business. This book uncovers the top reasons why business owners fail and at least 10 ways owners can improve their chances of increasing the value and sellability of their company.

Maximizing Your Business Success Rich Brott, 2009 Economic entrepreneurship has a history of success in every area of the world. It has sustained families, cities and nations as it has created employment opportunities and economic growth. Your success in business will be determined by your commitment to gain, learn, understand, and implement knowledge, experience, ability, opportunity, capital, commitment and do it all with great business passion. Success is a planned event and rarely happens without great personal effort. Maximizing your business success means that you are effective, productive and efficient. Never give up! In other words, trying and failing is a risk one must bear in order to be able to succeed. Success is in turning failure into an opportunity. Failure is not your enemy. Successful people see failure as a seed; the seed of success.
