The Business Trip Anastasia Amber,2022-05-04 “If you want to win for sure, invent your own game and don't tell anyone the rules.” - Ashley Diamond. Deserted hotel, four random guests and one innocent victim. The killer is obviously one of them, but the truth is hidden behind the seven seals. A detective thriller in which a trivial business trip of four managers turned into a game of chance, where only the best of them could win. And if the judge is incorruptible, he leaves the players no other choice but to get rid of him. Author's note: All events and characters are fictitious, and any resemblance to real or living people is coincidental.

Value of Business Travel Time David A. Hensher,1977

Business Travel and Tourism John Swarbrooke,Susan Horner,2012-05-23 'Business Travel and Tourism' provides a comprehensive, international overview of business tourism from both a theoretical and practical perspective. With the use of case studies from around the world, 'Business Travel and Tourism' explores a broad range of issues, including: * The global business tourism market * The design of business tourism facilities * The role of the destination in business travel and tourism * The social, economic, and environmental impacts of business tourism * The ethical dimension of business tourism * The marketing of business tourism products * The impact of new technologies on the business tourism market * How to organise successful conferences, exhibitions, and incentive travel packages Case studies include Disneyland Paris, Hong Kong, Amsterdam RAI International Exhibition and Congress Centre, Hilton, Page and Moy Marketing, Lufthansa, Air France, and Legoland UK. 'Business Travel and Tourism' is the first text to offer a comprehensive overview of the growing but neglected area of business tourism. With the use of a wide range of up-to-date case studies and major practical exercises to help students to broaden and deepen their understanding of this area of tourism, it is an invaluable text for all students on travel and tourism courses at degree and BTEC/HND level, or those taking tourism options in leisure, business studies, hospitality management or geography.

Among Enemies Luke Bencie,2013-03-01 Each business day, some 35,000 executives, scientists, consultants, and lawyers pass through the nation's airports to destinations across the globe. They carry, along with proprietary documents and computer files, the latest in personal electronic gear. However, carefully watching most of those travelers—beginning the moment they arrive at the airport and often sooner—are uncounted numbers of espionage operatives. These individuals work for foreign intelligence services and economic concerns and seek to separate international business travelers from their trade secrets. To succeed, they use many time-tested techniques to lure unsuspecting travelers into vulnerable or compromising positions. They also employ the latest electronic means to steal business information often at a distance from their prey. This is the 21st century, after all, and economic and industrial espionage have become multibillion-dollar enterprises, utilizing a wide array of the most sophisticated means to obtain proprietary information. Luke Bencie is a veteran of this struggle. He knows intimately the threats business travelers face and how to combat those threats. In *Among Enemies: Counter-Espionage for the Business Traveler*, Bencie provides everything you need to know to protect yourself and your company from attempted espionage.

International Business Travel in the Global Economy Ben Derudder,Frank Witlox,2016-05-23 Business travel has become indispensable to the global economy, not only due to its necessity in the maintaining of corporate networks, but also because of the associated economies that cater to the daily requirements of the business traveller. Underlying these developments are concerns over the environmental impact of increasing air travel, which are likely to generate new challenges for the future of business travel. From a team of international experts comes this analysis of the role, nature and effects of modern business travel. Issues addressed include the relationships between airlines and business travellers, the role of mobility in business, and the opportunities and challenges created by mobile workforces. The study combines theoretical advances with comprehensive analysis, and will provoke debate across the social sciences on the nature, organization and space of work in the twenty-first century.

The Woman's Guide to Business Travel Penelope Naylor,1981

Know Your Value Mika Brzezinski,2018-09-25 The bestselling motivational guide that TheAtlantic.com calls a rallying cry for women to get the money they deserve. Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for--and actually get--the money, the job, the recognition they deserve? Prompted by her own experience as cohost of Morning Joe, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face--and play into. Now expanded to address gender dynamics in the #MeToo era, *Know Your Value* blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), *Know Your Value* provides vital advice to help women be their own best advocates.

Daniel Gets His Hair Cut ,2019-05-07 A new generation of children love Daniel Tiger's Neighborhood, inspired by the classic series Mister Rogers' Neighborhood! Daniel gets his first haircut in this sweet 8x8 storybook based on an episode of Daniel Tiger's Neighborhood. Daniel's hair has grown a bit too long, so Dad Tiger takes him to get his first haircut by Nana Platypus. Dad describes what's going to happen during his haircut and Nana explains what she is doing as she cuts his hair so that Daniel feels more comfortable. Daniel discovers that getting your hair cut doesn't hurt at all...sometimes it even tickles! © 2019 The Fred Rogers Company

Business Trip Brad Norman,

THIS GUY'S ON HIS OWN TRIP Neeraj Narayanan,2020-07-30 The fear of the unknown bothers most of us, even if it comes at the cost of chasing our dreams. How many of us want to drop everything that we are doing and

travel the world? How many of us do? Neeraj Narayanan just did that, quitting his job one day and flying to Barcelona. Join him on his journey as he takes you rollicking across some countries in Europe and South East Asia, motoring up high mountain passes, hiding in jungles and being part of crazy festivals, hoping to find pretty girls in pursuit but only ending up with furious bulls, bears, and gypsies on his tail. At some point, he has almost no money left but his resolve to build a life out of travel doesn't ebb. This is a witty yet heart-warming tale of one man's solo journey for a year. While he goes to find beautiful places, he ends up finding trust, compassion, and a universe conspiring to make all his dreams come true. This guy's really on his own trip and promises to take you on one too!

The Financial Times Guide to Business Travel Stuart Crainer,2001 Savvy advice to make every business trip hassle-free and productive. Business travel can be one of the most stressful or stimulating aspects of executive life; it all depends on how well prepared you are. It's about knowing the smartest route to your destination; knowing the quickest route into town; knowing how to get an upgrade; knowing what to do if you feel ill in a foreign country; finding the best hotel; and avoiding those frustrating experiences with laptops and modems. This is far more than a guide to logistics or travel directory. It is a forward thinking handbook of business travel management, containing hundreds of ideas for making your time away productive and effective - from 10 things to work on if you are delayed in the airport with just pen and paper, through the best material to take on a journey, to ideas on how to effectively manage your team back home while you are away. From planning a stress-free business trip to making best use of all your time away, the FT Guide to Business Travel is the definitive travel companion for the global executive. Don't travel without it. The secret to life on the road isn't knowing how to make plans. It's knowing how to change plans. FAST COMPANY
