The Road That Leads Home Roger L. Scott,2018-07-13 The Road That Leads Home, as was its predecessor, Letters From the Hills, is based on the characters I knew growing up in the hills of Middle Tennessee during the 1940's and 1950's. My childhood years were years filled with poverty and hardship. The people I knew were mostly in the same economic and cultural deprivation that I was. I believe the hardships I encountered during those times made me much stronger as I faced the many adversities that were to crop up in my adult life. Read this book and enjoy getting to know the characters...

Getting it Right for Boys Neil Farmer,2012-05-24 Girls are continuing to out perform boys in every aspect of the EYFS. Even in physical and creative development, areas where boys should feel competent and confident, girls are making greater progress. The education establishment has to respond and help boys realise their true potential or we run the very real risk of producing a generation of disaffected boys unable to assimilate new skills and knowledge, to empathise, to see themselves as capable and creative or to think imaginatively. This book by Neil Farmer, a highly respected and experienced early years consultant, will appeal to all practitioners and parents who are interested in how boys develop and how they give them the best possible start in life!

Out of the Fire & Into the Light Lori Frisch, 2011-09-19 "Every time I read your book it makes me cry and realize I'm not the only one." - Lisa Holland Prison fellowship "Your message is one that needs to be told. It would make a great movie!" - Karen McCall Prison fellowship "You have touched so many women's lives in prison with this book. You have brought desperate, soul-starved women that much closer to the Lord." - Traci Vote Prison fellowship "Out of the Fire and Into the Light is a compelling, honest, and revealing testimony of one woman's journey through abuse, suicide and betrayal, and the hope that she ultimately found at the foot of the Cross. In a candid account of her own experiences as a victim of domestic violence, Lori Lang Frisch reveals that through it all, even in her darkest hours amidst confusion and chaos, God remains sovereign, righteous and always in control." - Sara Hiserote

Stolen Horses Dan O'Brien, 2010-09-01 McDermot, Nebraska, is a pleasant, scenic western cattle town situated in the Pawnee River valley-just the place for people seeking refuge from their hectic city lives. It is also just the place for those who have made their homes on this haunting prairie since the late nineteenth century. Ideal for both, McDermot means everything to those native inhabitants and something very different to those who are looking for a new life.

Children No More Mark L. Van Name, 2010-08-01 Jon Moore knew that better than most, having learned to fight to survive before he'd hit puberty. So when a former comrade, Alissa Lim, asks for his help in rescuing a group of children pressed into service by rebels on a planet no one cares to save, he agrees. Only later does he realize he's signed up to do far more than he'd ever imagined. Jon's commitment hurtles him and Lobo, the hyper-intelligent assault vehicle who is his only real friend, into confrontations with the horrors the children have experienced and with a dark chapter from his past.
