Dr. Seuss

Butter Erin Jade Lange,2012-09-04 A riveting debut that combines the relentless immediacy of Thirteen Reasons Why with the can't-look-away drama of TV shows like Biggest Loser. A lonely obese boy everyone calls Butter is about to make history. He is going to eat himself to death-live on the Internet-and everyone is invited to watch. When he first makes the announcement online to his classmates, Butter expects pity, insults, and possibly sheer indifference. What he gets are morbid cheerleaders rallying around his deadly plan. Yet as their dark encouragement grows, it begins to feel a lot like popularity. And that feels good. But what happens when Butter reaches his suicide deadline? Can he live with the fallout if he doesn't go through with his plans? With a deft hand, Erin Jade Lange allows readers to identify with both the bullies and the bullied in this all-consuming look at one teen's battle with himself. The Sufi Message Volume 9 Hazrat Inayat Khan,2009-01-01 The Unity of Religious Ideals may lead you straight on the path to your ideal, discover for you the religion, in whatever form it may appear, waken in yourself the longing for the Light and the Goal, and thus you may find the Self, like a pearl hidden in the shell of your heart. In six parts the whole field of religion is covered from the point of view of the mystic, the philosophy of religion, the concept of God and the God-ideal, the spirit of guidance and the spiritual hierarchy; then various religions and messengers are discussed, followed by a presentation of some religious symbols and their explanation. Finally, the concept of the divine message is presented, followed by an exposition of the role of universal Sufism, and what contribution it can give to the development of the individual and of humanity at large. All Religions are essentially one: since there is only one God and one truth it cannot be otherwise, This is one of the principal tenets of Sufism and is one of the most important elements of Hazrat Inayat Khan's message

The Butter Battle Book Dr. Seuss,2013-11-05 The Butter Battle Book, Dr. Seuss's classic cautionary tale, introduces readers to the important lesson of respecting differences. The Yooks and Zooks share a love of buttered bread, but animosity brews between the two groups because they prefer to enjoy the tasty treat differently. The timeless and topical rhyming text is an ideal way to teach young children about the issues of tolerance and respect. Whether in the home or in the classroom, The Butter Battle Book is a must-have for readers of all ages.

Butter Elaine Khosrova,2017-10-17 “Edifying from every point of view--historical, cultural, and culinary.” –David Tanis, author of A Platter of Figs and Other Recipes It’s a culinary catalyst, an agent of change, a gastronomic rock star. Ubiquitous in the world’s most fabulous cuisines, butter is boss. Here, it finally gets its due. After traveling across three continents to stalk the modern story of butter, award-winning food writer and former pastry chef Elaine Khosrova serves up a story as rich, textured, and culturally relevant as butter itself. From its humble agrarian origins to its present-day artisanal glory, butter has a fascinating story to tell, and Khosrova is the perfect person to tell it. With tales about the ancient butter bogs of Ireland, the pleasure dairies of France, and the sacred butter sculptures of Tibet, Khosrova details butter’s role in history, politics, economics, nutrition, and even spirituality and art. Readers will also find the essential collection of core butter recipes, including beurre manié, croissants, pâte brisée, and the only buttercream frosting anyone will ever need, as well as practical how-tos for making various types of butter at home--or shopping for the best. “A fascinating, tasty read . . . And what a bonus to have a collection of essential classic butter recipes included.” –David Tanis, author of A Platter of Figs and Other Recipes “Following the path blazed by Margaret Visser in Much Depends on Dinner, Elaine Khosrova makes much of butter and the ruminants whose milk man churns. You will revel in dairy physics. And you may never eat margarine again.” –John T. Edge, author of The Potlikker Papers: A Food History of the Modern South “Butter proves that close study can reveal rich history, lore, and practical information. All that and charm too.” –Mimi Sheraton, author of 1,000 Foods to Eat Before You Die “Irresistible and fascinating . . . This is one of those definitive books on a subject that every cook should have.” –Elisabeth Prueitt, co-owner of Tartine Bakery “The history of one of the most delectable ingredients throughout our many cultures and geography over time is wonderfully churned and emulsified in Khosrova’s Butter . . . Delightful storytelling.” –Elizabeth Falkner, author of Demolition Desserts: Recipes from Citizen Cake
