In the Time of the Butterflies Julia Alvarez, 2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, New York Times) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, *The New York Times Book Review* This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time.” —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com

11 Butterflies and The Moth Andre Sansbury, 2018-03-20 This is a children's picture book that displays the development of life. This book has a purpose of initiating the concept of self-worth in kids at an early age. People often only look at the simple things such a beauty and don't understand that those aspects can only carry you but so far in life. We often mistreat those who are beautiful but have more to offer than just that. A person shouldn't be judged by solely their looks because personality, character, and self-prevalence are characteristics that truly determine how valuable and beautiful a human really can be.

The Art of Embroidered Butterflies Jane E Hall, 2021-05-04 A book that anyone who is an artist, embroiderer, textile artist or simply a lover of beautiful books will want to own. The embroidery of Jane E Hall is breathtaking, and in this gorgeous book she combines her love of butterflies with her outstanding talent as a textile artist to produce three-dimensional renditions of exquisitely worked butterflies that are almost indistinguishable from the real thing. Using the finest of silk threads and needles, Jane lovingly creates her butterflies' wings using the tiniest of stitches worked on to silk. They are then carefully cut away and the edges

strengthened with hair-fine wire before being attached to the bodies, carefully crafted from air-drying modelling medium and brushed with whisper-fine threads to resemble hairs. The butterflies are then placed within a setting of silk leaves and flowers, all made with the same painstaking attention to detail and expert skill as the butterflies themselves. This book provides a fascinating introduction to butterflies in nature, reflecting Jane's love and admiration for these exquisite creatures, and goes on to describe the materials and methods Jane uses to produce her incredible creations. Twelve projects, each based on a different butterfly including the Painted Lady, Small Tortoiseshell and the Brimstone, present the finished piece along with the materials Jane used, and the photographs, swatches, drawings and paintings that inspired it. One of the most striking features of this book is the amazing photography of Jane's work, including detailed close-ups, which, together with Jane's poetic and inspiring text, make this a book that anyone who is an artist, embroiderer, textile artist or simply a lover of beautiful books - will want to own.
