On Being Human Jennifer Pastiloff, 2019-06-04 An inspirational memoir about how Jennifer Pastiloff's years of waitressing taught her to seek out unexpected beauty, how hearing loss taught her to listen fiercely, how being vulnerable allowed her to find love, and how imperfections can lead to a life full of wild happiness. Centered around the touchstone stories Jen tells in her popular workshops, *On Being Human* is the story of how a starved person grew into the exuberant woman she was meant to be all along by battling the demons within and winning. Jen did not intend to become a yoga teacher, but when she was given the opportunity to host her own retreats, she left her thirteen-year waitressing job and said "yes," despite crippling fears of her inexperience and her own potential. After years of feeling depressed, anxious, and hopeless, in a life that seemed to have no escape, she healed her own heart by caring for others. She has learned to fiercely listen despite being nearly deaf, to banish shame attached to a body mass index, and to rebuild a family after the debilitating loss of her father when she was eight. Through her journey, Jen conveys the experience most of us are missing in our lives: being heard and being told, "I got you." Exuberant, triumphantly messy, and brave, *On Being Human* is a celebration of happiness and self-realization over darkness and doubt. Her complicated yet imperfectly perfect life path is an inspiration to live outside the box and to reject the all-too-common belief of "I am not enough." Jen will help readers find, accept, and embrace their own vulnerability, bravery, and humanness.

**Goosebumps and Butterflies are Fairy Tales** Karline Smith, 2018-12-13 Two sets of close

friends struggle with what love means for all. Their lives and loves collide and intertwine in a kaleidoscope of pain, tragedy, longing and belonging. “In the end, it’s not who we love, but how we love, that matters.” . . . When several sexual dalliances almost cost 29-year old international soccer player Jonah Aaron Lewis his life, he goes AWOL from top Italian Club Portovenere, and returns to the UK to seek refuge and reignite his ‘loveship-brotherhood’ with ex-soccer player now entrepreneur Damien Gillen, the only person to ever give him goosebumps, even though his mind and heart tries to deny it. Damien, on the other hand, has fallen instantly for ‘strictly no-strings’ single-mother of one and fiercely independent diva-book writer TV personality Rhea Nicole Appleton, after she interviews him about the sudden appearance of his mother thought dead for twenty-four years. Used to getting what he wants, Damien’s intention is to capture, and keep, this evading butterfly. Rhea Appleton has men representing her different seasons, preferring each for whatever quality they offer. Rhea has no time for the suffocation of love or the boundaries of her time. She’s involved with London Grime and Hip-Hop artist ‘Q’ and wealthy, older Italian businessman Gianni – Damien is set to add more flavour to the pot – until she looks into Damien’s diamond blue-green eyes. Rhea’s best friend, 28-year-old singer-songwriter Jade Trinity Moore-Meirelles, Trinity vowed never to sing another note after the abduction of her five-year-old brother in her care aged 13. On the verge of stardom, her singing career crashed. With mental health issues and a strained relationship with her teen son, deceived by a record producer, Trinity’s life evolves when her son brings home another teenaged boy, Jonah’s secret son.
