It Must Be a Full Moon Brockton Moutray,2023-08-18 Would you be totally thunderstruck, slap your forehead, shake your head and stare with eyes as big as frying pans if you found a chubby mouse with floppy ears and a drooping, rumbling tummy tucked under the blankets of your warm cozy bed? Would you scratch your head and mutter, “This just can’t be possible! It must be a full moon... it simply must be! There’s absolutely no other logical explanation!” if you found a furry, black cat dressed in overalls curled up atop your bed speaking with the mouse about the circumstances that landed them into the bedroom in the first place? If you think this could never happen, think again! This is exactly what happened to a 10-year-old boy named Joseph and his grandpa named Grandpa... and this is just the beginning of an absolutely madcap adventure filled with the wackiest, zaniest characters you’ll ever meet. From a cozy bedroom, to a magical cave, to a buried treasure chest and down what seems to be a never-ending tunnel Joseph, Grandpa, Pip the Mouse, Diddles the cat together with a young girl named Emma who Joseph thinks is a pretty as a button, find themselves dangling perilously over a deep, rocky gorge. Countless characters offer to help the group out of the gorge, but the unthinkable happens. Will unshakeable friendship, infinite patience and unrelenting teamwork be enough to get the group back to Grandpa’s Farm safe and sound? This story promises to knock your socks off! It Must Be a Full Moon is the last book in the trilogy.

The Amnesiac Sam Taylor,2008-06-24 A gripping literary thriller from an exciting new voice in fiction Hailed as 'one to watch' by the UK's Telegraph, Sam Taylor is one of the most imaginative and innovative young writers at work today. With *The Amnesiac*, his United States debut, he incorporates a murder mystery and a forgotten manuscript into an exhilarating and intelligent novel. When twenty-nine-year-old James Purdew returns to England from his home in Amsterdam, it is to discover what happened during three earlier years of his life that he cannot recall. What he finds, in an old house with a tragic history, is a nineteenth-century manuscript that begins to seem less and less like a work of fiction-and more like the key to his own lost past. Memory and amnesia, fiction and reality, destiny and randomness, heaven and hell-all converge to form an engrossing gothic story that is sure to appeal to fans of Carlos Ruiz Zafon's *The Shadow of the Wind*.

Kitchen Sink Spencer Hamilton,2020-01-28 An explosive collection spanning Spencer Hamilton's entire career as a storyteller, *Kitchen Sink* features stories of literary horror that will unsettle your very core. Inside you will find a splash of something for everyone: a Kafkaesque creature, Frankenstein's Law, a team of time-travelers, a mysterious land of giants and talking cats, a man down on his luck at Christmas, a dusty pool table shop that's more than it seems, the nature of memory, whispers from a kitchen sink's drain . . . Stories of ghosts and of depression, of loss and of fear, of blood and the things we do to one another. Hamilton's gift for writing compelling characters and visceral details will give you glimpses into our nature as human beings and creatures of story. With each turn of the page, Hamilton explores our own perceptions—of ourselves, of our memories, and of each other. Twenty-eight pieces from one person's story, collected here for the first time.

A Home on the Rolling Main Tony Ditcham,2013-06-17 From first joining the Royal Navy in 1940 until the end of the campaign against Japan, Tony Ditcham was in the front line of the naval war. After brief service in the battlecruiser *Renown* off Norway and against the Italians, he went into destroyers and saw action in most European theatres _ against S-boats and aircraft in 'bomb alley' off Britain's East Coast, on Arctic convoys to Russia, and eventually in a flotilla screening the Home Fleet. During the dramatic Battle of the North Cape in December 1943 he was probably the first man to actually see the *Scharnhorst* and from his position in the gun director of HMS *Scorpion* enjoyed a grandstand view of the sinking of the great German battleship (his account was so vivid that it formed the basis of the description in the official history). Later his ship operated off the American beaches during D-Day, where two of her sister ships were sunk with heavy loss of life, and he ended the war en route for the British Pacific Fleet and the invasion of Japan.??This incident-packed career is recounted with restraint, plenty of humour and colourful descriptive power _ his account of broaching and almost capsizing in an Arctic winter storm is as good as anything in the literature of the sea. The result makes enthralling reading, and as the surviving veterans rapidly decline in numbers, this may turn out to be one of the last great eyewitness narratives of the naval war.
