Just Give Me 10 Minutes Gail Kirby, 2014-06-20

"Gail has an incredible perspective as the mother of an injured Corpsman who suffers from PTSD. At the Armed Forces Foundation, we believe families serve too and Gail's journey is one necessary to tell. When I first met Gail six years ago at Bethesda, I was immediately taken in by her warmth and generosity. She's a natural and gifted storyteller who deserves far more than 10 minutes." —Patricia Driscoll, President of the Armed Forces Foundation Christmas Day 2006. Dustin Edward Kirby was serving his second tour in Iraq. The dreaded phone call came; Dusty had "received small arms enemy fire." This is a first-hand account of how this event changed Dustin's life and the lives of his family, and their seven year struggle to understand not only the physical trauma inflicted by his injury, but also the symptoms of Post Traumatic Stress Disorder. The physical impact of the injury was critical as the armor piercing bullet travelled through his face. The emotional and psychological impacts have been debilitating. This is the story of a family making every attempt to find a way to give their hero the reasons that he needs to live...every single day.

Minare and Madoka are already en route as would-be rescuers, but who is the "Mizuho" that keeps messaging them...?

The Best Actor's Courtship: Miss Scriptwriter, Please Love Me! 10 Anthology Jing Ling Xiao Miao, 2022-12-22 Yun Muxi was a young scriptwriter in the 21st century who once time-traveled back into the olden days of China. There, she met and fell in love with the Emperor, Duanmu Gongyu. After a torturous heartbreak, the duo separated and never saw each other again. When Yun Muxi returned to the modern world, she ended up working with a rising actor, Gong Yu, who happened to be the same man she once loved with her whole heart. As soon as he set his eyes on her, the feelings of yesterday came back and he was determined to make her his again. As Gong Yu tried to woo Yun Muxi repeatedly, she realized that she found it hard to resist his charms. However, the duo was trapped in a series of events that made falling in love impossible. The modern-day Yun Muxi now has a daughter while the father of the child remained unknown. Gong Yu, on the other hand, had developed a history of heart attack. On top of that, their story unraveled with shocking truths at every turn. The star-crossed lovers were faced with steep challenges that constituted the endless list and many sacrifices had to be made. Would they eventually be given the chance to love freely?

Unstoppable Me! Dr. Wayne W. Dyer, Kristina

Tracy,2020-09-08 Now available in a new format and fresh package: a children's book by the authors of the New York Times best-selling children's book Incredible You. This book offers 10 lessons for children for leading fulfilled, self-actualized lives. Dr. Wayne W. Dyer believed that if children could hold on to the no-limit thinking they were born with rather than trying to fit in, they could learn to truly enjoy life and become unstoppable as they strive to attain their dreams. Newly repackaged with a fresh format and cover, Unstoppable Me! is based on 10 important lessons, including the value of taking risks, dealing with stress and anxiety, and learning to enjoy each moment. Each point includes an example showing how a child might apply the concept in his or her everyday life. At the end of this book, a reader's guide offers 10 questions to help spark discussion and to further reinforce Wayne's message. Whimsically illustrated by Stacy Heller Budnick.

Smallwood,2009-01-13 "By far, the most practical, comprehensive, and spiritual book I have ever read on the process of healing from traumatic events." -Beth Nimmo, mother of Columbine victim Rachel Joy Scott Learn the ten critical choices necessary for wholeness and recovery after life's tragedies and disappointments. Blending scientifically-validated psychological truths with spiritual principles, Dr. Beverly Smallwood enables readers to overcome the unexpected and unthinkable. Giving readers a roadmap of ten major choices, she offers hope that no matter what has happened, going forward, we all have the power to choose. Through the power of choice readers will be able to move from: Denial to Reality Victimhood to Responsibility Why to How

Doubt to Faith Bitterness to Forgiveness Guilt to Self-Forgiveness Depression to Grief Avoidance to Courage Isolation to Connection Powerlessness to Purpose "Dr. Smallwood makes it clear in her book that the questions we should be raising in times of adversity are not Why's but How's. She tackles false teachings on faith which lead to the needed steps that should be taken for correct lifestyle choices. This is an excellent resource to keep renewing our minds." —Dr. Charles Stanley, Senior Pastor, First Baptist Church of Atlanta; Founder and President, In Touch Ministries

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a

computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.
