An Analytical Guide to Television's One Step Beyond, 1959–1961 John Kenneth Muir,2010-06-21 Alcoa Presents: One Step Beyond made its television debut in 1959, nine months before Rod Serling's classic The Twilight Zone, and paved the way for a generation of television programs devoted to paranormal topics such as the occult, ESP, and ghost stories. One Step Beyond was also where some of Hollywood's most famous leading men, including Warren Beatty, William Shatner, and Charles Bronson, got their starts in television. This complete reference work to the 96 half-hour episodes that ran for three seasons on ABC also offers a detailed history, extensive commentary and summaries of the critical reception of One Step Beyond as well as coverage of the sequel series produced in 1978 entitled The Next Step Beyond. Complete credits for both series are provided.

24/7 Andres Martinez,2013-02-13 In the spring of 1998, mild-mannered, Ivy League-educated Andrés Martinez took \$50,000--most of the advance his publisher was paying for this book--and headed to Las Vegas for thirty days, ten casinos, and a wild ride through the belly of a neon beast. The result: this brilliant, often hilarious chronicle of flesh, flash, and gambling in a city where everyone dreams of hitting the jackpot--and once in a while, someone actually does. From seedy strip clubs to sprawling suburbs, from the sumptuous Bellagio to the Liberace Museum, Martinez meets a host of colorful characters...gathering tricks of the trade from blackjack dealers and fellow bleary-eyed gamblers, attending Easter Sunday mass on the Strip, befriending a family man who raised six kids while losing eight million dollars as a sports gambler. An exhilarating joyride of a read, *24/7* is a breathless tour of America's Sin City...as seen through the eyes of a man making \$1.65 million in wagers in a single month. Guess how much he took home?

The Route 66 Cookbook Marian Clark,2003-03 This is the only culinary guide to what Steinbeck dubbed The Mother Road. It includes over 250 delicious, time-tested recipes from places like the U Drop Inn, the Covered Wagon Trading Post, the Pig Hip, and the Bungalow Inn. It is also a nostalgic recreation of the Route 66 of the past, with stories from the waitresses and cooks who poured the coffee and baked the pie. This is a gem of Americana, and a treasury of comforting dishes from a time when the flavors along the road changed as dramatically as the landscape and accents as you sped across the heartland

Cuba Brendan Sainsbury,2012

The Good Pub Guide 2012 Alisdair Aird,Fiona Stapley,2012-01-12 In 2012 The Good Pub Guide celebrated its 30th anniversary, and is as

invaluable as ever. Its comprehensive yearly updates and countless reader reports ensure that only the very best pubs make the grade. Here you will find classic country pubs, town-centre inns, riverside retreats, gastropubs, historic gems and exciting newcomers, plus pubs specialising in wine, malt whisky, or own-brew beer. Find out the top pubs in each county for beer, dining and accommodation, and discover the winners of the coveted titles of Pub of the Year and Landlord of the Year. Packed with information, *The Good Pub Guide 2012* is a fund of honest, entertaining and indispensable information.

The Report: Oman 2017 , Oman's economy contracted by 13.8% in nominal terms in 2015 as the ongoing low oil price environment squeezed growth and led to the largest budget deficit in over a decade. In a bid to tackle the shortfall the government is taking a number of revenue-raising measures such as cutting subsidies and increasing corporation tax, while remaining focused on its long-term diversification goals. Though hydrocarbons still account for 33.9% of GDP and 78.7% of state revenues, non-oil sectors are playing an increasingly prominent role in the country's economic profile. Authorities are targeting heavy industries in particular with plans to boost their GDP contribution to from 19.8% today to 29% by 2020. Meanwhile annual growth of 6% is being targeted in the mining sector, with a host of regulatory initiatives being implemented as the government seeks to boost investor interest. Start reading

Time Out Dubai Editors of Time Out,2011-08-03 Both famous and infamous, Dubai features burgeoning financial districts, waterfront high-rises, and tax-free shopping malls right alongside the serene Gulf coast. But as the city charges into the future, it keeps a watchful eye on its Arabian legacy. Themed hotels and desert resorts celebrate cherished notions of local hospitality, while new art galleries, theaters, and performance venues tap into a newfound thirst for cultural stimulation. Written by knowledgeable locals, Time Out Dubai profiles a wealth of options for the visitor, from haute hotels and elegant restaurants to modest digs and street food stalls. The book covers every inch of the city and its often extraordinary surroundings, from the iconic The World islands to quirkier districts including historical Bastakia, cut-price Karama, and the ever-bustling Sheikh Zayed Road.

The New York Times Café Crosswords The New York Times,2005-10 This brand-new, caffeinated collection of Light and Easy puzzles is from the pages of The New York Times.

Brilliant Corners Chris Sheridan, 2001-04-30 In this masterful compilation, world-recognized discographer Chris Sheridan draws together the most comprehensive reconstruction of Thelonious Monk's performances and recordings. Woven through the chronological listing of Monk's work is the story of his rise to acceptance as one of the key pianists and composers of jazz and his decline in health and popularity to his death in 1982. Following a Prologue which attempts to summarize the career and man, the narrative discography covers Monk's entire performance career. This is followed by appendixes listing all microgroove and post-microgroove issues of Monk's performances, all known commercially produced films and videos in which Monk took part, a listing of all of his engagements from 1944 until his career petered out in the mid-1970s, and a bibliography. The work concludes with an index of the people, places, producers, and radio and television programs referred to or quoted in the main text, a listing of all musicians, vocalists, and broadcast presenters who took part in the recordings or who played in Monk's bands, an index of all the titles used for Monk's tunes by other musicians and vocalists, and a listing of all tunes played, together with their composers and, where relevant, lyricists. A comprehensive reference work for all scholars and other researchers involved with jazz from the 1940s onward.

The Report: Kenya 2017 , As the largest economy in the EAC and COMESA in terms of GDP, Kenya has positioned itself as a major economic power in sub-Saharan Africa. Traditionally a largely agrarian economy, Kenya has quickly entrenched its position as a manufacturing, logistics and technology hub in the region, and this diversification forms a solid platform from which the government can generate economic growth over the coming years. The resolution of the electoral process, improving business confidence and strong private consumption are likely to support GDP expansion over 2018 and into 2019. In April 2018 the IMF estimated the economy would expand by 5.5% in 2018 and 6% in 2019, compared to 4.8% in 2017.

The Report: Oman 2008 ,2008

Wes Craven John Kenneth Muir,2004-02-24 Filmmaker Wes Craven has consistently and imaginatively scared movie audiences since the early 1970s. His films encompass a variety of styles, elements and themes, from the nihilistic existentialism of *The Last House on the Left* to the successful *A Nightmare on Elm Street* (which sent horror in a bold new direction), to the hallucinatory dreamscapes of *The Serpent and the Rainbow*. And in the nineties, Craven returned with the *Scream* films, which were simultaneously funny, clever and scary films that overturned the horror cliches of the eighties. The present work provides a history of Craven's film career since 1972, examining all the themes and techniques the filmmaker explored. For each film, a synopsis, cast and credits, historical context, and critical commentary are provided. Also covered in detail are Craven's forays into television, including movies such as *Stranger in the House* and work on such series as *The New Twilight Zone*.

Fodor's South-West Eugene Fodor,Stephen Birnbaum,Robert C. Fisher,1974

The Report: Oman 2016 Oxford Business Group,2016-01-12 Oman's GDP grew 4.6% between 2013 and 2014 according to the Oman Central Bank, with hydrocarbons the main driver of the economy at almost 50% of GDP. Although the dip in oil prices has put pressure on government revenues, authorities are pressing ahead with spending plans for the sector, particularly in the downstream segment. The country's infrastructure expansion plans are also moving forward, particularly at the country's three ports as the country seeks to leverage its strategic position on the Strait of

Hormuz and establish itself as a global transport and logistics hub. Feeding off this development drive are the sultanate's banks, with project finance regarded as one of the most promising areas for lending growth. In the longer term, Oman Vision 2020 seeks to boost private sector participation in the economy and fuel SME growth in key sectors, including construction, retail, tourism and transport.

Ecuador & Galápagos Handbook Alan Murphy, 1999 The award-winning Footprint Handbooks series has been capturing worldwide attention and admiration for 75 years!
