Prune Gabrielle Hamilton,2014-11-04 NEW YORK TIMES BESTSELLER From Gabrielle Hamilton, bestselling author of Blood, Bones & Butter, comes her eagerly anticipated cookbook debut filled with signature recipes from her celebrated New York City restaurant Prune. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY NAMED ONE OF THE BEST BOOKS OF THE SEASON BY Time • O: The Oprah Magazine • Bon Appétit • Eater A self-trained cook turned James Beard Award-winning chef, Gabrielle Hamilton opened Prune on New York’s Lower East Side fifteen years ago to great acclaim and lines down the block, both of which continue today. A deeply personal and gracious restaurant, in both menu and philosophy, Prune uses the elements of home cooking and elevates them in unexpected ways. The result is delicious food that satisfies on many levels. Highly original in concept, execution, look, and feel, the Prune cookbook is an inspired replica of the restaurant’s kitchen binders. It is written to Gabrielle’s cooks in her distinctive voice, with as much instruction, encouragement, information, and scolding as you would find if you actually came to work at Prune as a line cook. The recipes have been tried, tasted, and tested dozens if not hundreds of times. Intended for the home cook as well as the kitchen professional, the instructions offer a range of signals for cooks—a head’s up on when you have gone too far, things to watch out for that could trip you up, suggestions on how to traverse certain uncomfortable parts of the journey to ultimately help get you to the final destination, an amazing dish. Complete with more than with more than 250 recipes and 250 color photographs, home cooks will find Prune’s most requested recipes—Grilled Head-on Shrimp with Anchovy Butter, Bread Heels and Pan Drippings Salad, Tongue and Octopus with Salsa Verde and Mimosa’d Egg, Roasted Capon on Garlic Crouton, Prune’s famous Bloody Mary (and all 10 variations). Plus, among other items, a chapter entitled “Garbage”—smart ways to repurpose foods that might have hit the garbage or stockpot in other restaurant kitchens but are turned into appetizing bites and notions at Prune. Featured here are the recipes, approach, philosophy, evolution, and nuances that make them distinctively Prune’s. Unconventional and honest, in both tone and content, this book is a welcome expression of the cookbook as we know it. Praise for Prune “Fresh, fascinating . . . entirely pleasurable . . . Since 1999, when the chef Gabrielle Hamilton put Triscuits and canned sardines on the first menu of her East Village bistro, Prune, she has nonchalantly broken countless rules of the food world. The rule that a successful restaurant must breed an empire. The rule that chefs who happen to be women should unconditionally support one another. The rule that great chefs don’t make great writers (with her memoir, Blood, Bones & Butter). And now, the rule that restaurant food has to be simplified and prettied up for home cooks in order to produce a useful, irresistible cookbook. . . . [Prune] is the closest thing to the bulging loose-leaf binder, stuck in a corner of almost every restaurant kitchen, ever to be printed and bound between cloth covers. (These happen to be a beautiful deep, dark magenta.)”—The New York Times “One of the most brilliantly minimalist cookbooks in recent memory . . . at once conveys the thrill of restaurant cooking and the wisdom of the author, while making for a charged reading experience.”—Publishers Weekly (starred review)

Rube Foster in His Time Larry Lester,2012-09-18 Although Andrew “Rube” Foster (1879–1930) stands among the best African American pitchers of the 1900s, this baseball pioneer made his name as the founder and president of the Negro National League, the first all-black league to survive a full season. In addition to founding this groundbreaking black-owned and -operated business,

Foster also founded and managed the Chicago American Giants, one of the most successful black baseball teams of the pre-integration era. This definitive biography combines period editorials and correspondence with insightful narrative to provide a comprehensive portrait of this innovative Hall of Famer. From the unstructured early days of black baseball, when Foster gained glory as a hard-throwing pitcher, through his struggles to establish the NNL and the Giants, to his tragic death from complications of syphilis, this work pays overdue tribute to an authentic American baseball icon.

"Manet, Wagner, and the Musical Culture of Their Time " Therese Dolan,2017-07-05 How did the tumult caused by German composer Richard Wagner result in the first modernist painting? In the first full-length book dedicated to the study of Edouard Manet and music, art historian Therese Dolan demonstrates that the 1862 painting Music in the Tuileries represents the progressive musical culture of his time, heretofore read by scholars predominantly through the words of Charles Baudelaire. Dolan sees in this painting's radical style the conceptual shift to modernism in both painting and music, a transition that, she convincingly argues, received a strong impetus from Manet's Music in the Tuileries and Wagner's controversial Tannh?er, which premiered the previous year. Supplemental to analysis of the painting, Dolan incorporates discussion of texts by Theophile Gautier, Champfleury, and Baudelaire who are represented in the painting. This book incorporates studies of the major artistic, literary, and musical figures of nineteenth-century France. It represents an important contribution to an understanding of French culture in the third quarter of the nineteenth century, a period of intense literary, artistic, and musical activity that formed the crucible for modernism.
