Gone with a Handsomer Man Michael Lee West,2011-04-12 Gone with a Handsomer Man is fun, funny, and fabulous!---Janet Evanovich Take one out-of-work pastry chef . . . Teeny Templeton believes that her life is finally on track. She's getting married, she's baking her own wedding cake, and she's leaving her troubled past behind. And then? She finds her fiancé playing naked badminton with a couple of gorgeous, skanky chicks. Add a whole lot of trouble . . . Needless to say, the wedding is off. Adding insult to injury, her fiancé slaps a restraining order on her. When he's found dead a few days later, all fingers point to Teeny. And stir like crazy! Her only hope is through an old boyfriend-turned-lawyer, the guy who broke her heart a decade ago. But dredging up the past brings more than skeletons out of the closet, and Teeny doesn't know who she can trust. With evidence mounting and the heat turning up, Teeny must also figure out where to live, how to support herself, how to clear her name, and how to protect her heart.

The Soul of Hip Hop Daniel White Hodge,2010-08-21 What is Hip Hop? Hip hop speaks in a voice that is sometimes gruff, sometimes enraged, sometimes despairing, sometimes hopeful. Hip hop is the voice of forgotten streets laying claim to the high life of rims and timbs and threads and bling. Hip hop speaks in the muddled language of would-be prophets--mocking the architects of the status quo and stumbling in the dark toward a blurred vision of a world made right. What is hip hop? It's a cultural movement with a traceable theological center. Daniel White Hodge follows the tracks of hip-hop theology and offers a path from its center to the cross, where Jesus speaks truth.

The Soprano Sorceress L. E. Modesitt, Jr.,2010-04-01 The Soprano Sorceress, the first novel in New York Times bestselling author L. E. Modesitt, Jr.'s epic fantasy series the Spellsong Cycle about a singer and music instructor at Iowa State University who gets far more than she expected when she is magically transported to the world of Erde. On Erde, Anna Marshall is no longer just a professional singer. In this world, song is magic, making Anna a sorceress, potentially the strongest in Erde. Here, a wrong note can mean death to a sorcerer, but Anna's lifetime of training means she can sing more powerfully and precisely than anyone else. Her power does not go unnoticed and makes her a target. To survive, Anna must learn enough song-magic and understand this new world. The Spellsong Cycle The Soprano Sorceress The Spellsong War Darksong Rising The Shadow Sorceress Shadowsinger Other series by this author: The Imager Portfolio The Saga of Recluce The Corean Chronicles The Ghost Books The Ecolitan Matter At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Marriage and Murder Penny Reid,2021-03-02 The Devil is in the details . . . Cletus Byron Winston wishes to marry Jennifer Anne Donner-Sylvester (aka The Banana Cake Queen) posthaste! He's spent the last year wanting nothing more than for the celebrations to be brief, libations flowing, and BYOB (bring your own blueberries). His future mother-in-law has other plans, plans his intended has been willing to indulge, much to Cletus's chagrin. Therefore, so must he. To a point. But truth be told, he wouldn't mind if the meddlesome matriarch disappeared, at least until the nuptials are over. On the night of Cletus and Jenn's long-awaited engagement party, just when the surly schemer is of a mind to take matters into his own hands, a shocking event upends everyone's best laid plans and sends the small hamlet of Green Valley into complete disarray. The final months leading up to Cletus and Jenn's matrimonial bliss are plagued with chaos and uncertainty. Will Cletus and Jenn finally make it to the altar? Or will murder and mayhem derail their happily-ever-after? And most importantly, who done it? 'Marriage and Murder' is the second book in the cozy mystery series Solving for Pie: Cletus and Jenn Mysteries. It is best read after Winston Brothers #3, 'Beard Science' (which can be read as a standalone) and Solving for Pie: Cletus and Jenn Mysteries #1, 'Engagement and Espionage.'

Testimonios: Stories of Latinx and Hispanic Mathematicians Pamela E. Harris,2021-08-16 Testimonios brings together first-person narratives from the vibrant, diverse, and complex Latinx and Hispanic mathematical community. Starting with childhood and family, the authors recount their own individual stories, highlighting their upbringing, education, and career paths. Their particular stories, told in their own voices, from their own perspectives, give visibility to some of the experiences of Latinx/Hispanic mathematicians. Testimonios seeks to inspire the next generation of Latinx and Hispanic mathematicians by featuring the stories of people like them, holding a mirror up to our own community. It also aims to provide a window for mathematicians (and aspiring mathematicians) from all ethnicities, with the hope of inspiring a better understanding of the diversity of the mathematical community.

Hacker, Hoaxer, Whistleblower, Spy Gabriella Coleman,2015-10-06 The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says “knows all of Anonymous’ deepest, darkest secrets” “A work of anthropology that sometimes echoes a John le Carré novel.” —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside-outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of “trolling,” the ethics and metaphysics of hacking, and the origins and manifold meanings of “the lulz.”

The French House Don Wallace,2014-06-03 On a tiny French island, a couple of American dreamers redefine their lives by restoring a ruin...The French House moves to a soulful, very funny rhythm all its own.-Meryl Streep Don and Mindy Wallace have always been Francophiles, so when they had the opportunity to buy a home on a small French island off the coast of Brittany, they jumped-sight unseen-into a crumbling mess that challenged their finances and their family. But when the Wallaces arrived on the island they found a building in ruin, and it wasn't long before their lives resembled it. Plagued by emergency repairs, a stock market crash, and very exasperated French neighbors, Don and Mindy could have accepted their fate. Instead, they embraced it. Redolent with the beauty and flavors of French country life, The French House is a lively, inspiring, and irresistibly charming memoir. Fans of Under the Tuscan Sun (Frances Mayes), Paris in Love (Eloisa James), and A Year in Provence (Peter Mayle) will be enchanted by this account of a family that rises from the rubble, wins the hearts of a historic village, and finally finds the home they've been seeking off the wild coast of France. What readers are saying about The French House The French House is engaging and well-written and will make even non-Francophiles yearn for a trip to France. With hauntingly beautiful descriptions of a tiny French island and its inhabitants, this book will take you to a different place, and might even inspire you to reconsider your life and finally follow your dreams where you and your family can become whole. ...charming and witty -- full of hope and despair about this crumbling structure they chose to inhabit and make a home. I was captivated from the outset and felt like I was on their island living it all with them. A great read! What reviewers are saying about The French House Don Wallace has crafted a delicious French bonbon of a book...full of humor, hope, and lessons on how to live a life full of meaning.-Dani Shapiro, bestselling author of Devotion and Still Writing Village life vignettes, the sensual celebration of island pleasures, eccentric neighbors, cuisine, beach life, natural history-readers will find a smattering of all that in these pages, but it's the story below, like the unshakeable foundations of the house itself, that makes this such a satisfying read.-Rain Taxi Review The French House is a darling book that mixes local history, memoir, quirky characters, architectural challenges (what will the village elders do if they add windows to the second floor?) and humor...It was a lovely adventure and perfect for a summer read.-Under a Gray Sky The French House is a detailed, delightful memoir of their journey to restore a dilapidated abode into a beckoning sanctuary in an idyllic coast French countryside.. I have thoroughly been devouring it, and I think you will too.-The Simply Luxurious Life Author Don Wallace shares the heartwarming story about his family's 30-year journey to restore a ruined cottage on the tiny French island of Belle Ile off the coast of Brittany... readers are privy to the charming true story of a family's journey to create the perfect home away from home.--E! News

The Darkness That Comes Before R. Scott Bakker,2008-09-02 A mysterious traveler intervenes in an epic holy war in this “impressive, challenging debut” of the critically acclaimed fantasy epic (Publishers Weekly, starred review). The first book in R. Scott Bakker's Prince of Nothing series introduces readers to a strikingly original and engrossingly vivid new world. With its language and classes of people, its cities, religions, mysteries, taboos, and rituals, The Darkness That Comes Before has drawn comparison to J.R.R. Tolkien's The Lord of the Rings and Frank Herbert's Dune. Bakker's Eärwa is a world scarred by an apocalyptic past, evoking a time both two thousand years past and two thousand years into the future. As untold thousands gather for a crusade, two men and two women are ensnared by a mysterious traveler, Anasûrimbor Kellhus—part warrior, part philosopher, part sorcerous, charismatic presence—from lands long thought dead. The Darkness That Comes Before is a history of this great holy war, and like all histories, the survivors write its conclusion.

HSC Standard English Barry Spurr,Lloyd Cameron,2009 This guide contains comprehensive summary and discussion of all 44 prescribed texts in the HSC Standard English course, plus a list of key issues to consider in each chapter related to the relevant syllabus area, helpful advice on how to read different types of texts, plot outlines, character discussion and interpretations.

Naruto: Sasuke's Story--Star Pupil Akira Higashiyama,Takashi Yano,Shin Towada,Jun Esaka,Mirei Miyamoto,2020-10-06 Sasuke is given the task of training Team Seven, and Boruto is delighted. But he also has trouble accepting his master's teachings. Then pop star Himeno Lily jumps in with a mission for them, challenging what it means to be master and student. And what does this mean for the future of the ninja? -- VIZ Media

Half Moon Bay Memories June Morrall,1978

Earth First! Direct Action Manual The Dam Collective,2015 300+ pages of diagrams, descriptions of techniques and a comprehensive overview of the role direct action plays in resistance--from planning an action, doing a soft blockade, putting up a treesit or executing a lockdown; to legal and prisoner support, direct action trainings, fun political pranks, and more. The DAM has been compiled and updated by frontline activists from around the US to help spread the knowledge and get these skills farther out in the world.

The Red Circle Brandon Webb,John David Mann,2012-04-10 Explosive, revealing, and intelligent, The Red Circle provides a uniquely personal glimpse into one of the most challenging and secretive military training courses in the world. Now including an excerpt from The Killing School: Inside the World's Deadliest Sniper Program BEFORE HE COULD FORGE A BAND OF ELITE WARRIORS... HE HAD TO BECOME ONE HIMSELF. Brandon Webb's experiences in the world's most elite sniper corps are the stuff of legend. From his grueling years of training in Naval Special Operations to his combat tours in the Persian Gulf and Afghanistan, The Red Circle provides a rare and riveting look at the inner workings of the U.S. military through the eyes of a covert operations specialist. Yet it is Webb's distinguished second career as a lead instructor for the shadowy sniper cell and Course Manager of the Navy SEAL Sniper Program that trained some of America's finest and deadliest warriors-including Marcus Luttrell and Chris Kyle-that makes his story so compelling. Luttrell credits Webb's training with his own survival during the ill-fated 2005 Operation Redwing in Afghanistan. Kyle went on to become the U.S. military's top marksman, with more than 150 confirmed kills. From a candid chronicle of his student days, going through the sniper course himself, to his hair-raising close calls with Taliban and al Qaeda forces in the northern Afghanistan wilderness, to his vivid account of designing new sniper standards and training some of the most accomplished snipers of the twenty-first century, Webb provides a rare look at the making of the Special Operations warriors who are at the forefront of today's military.

Demon in My View Amelia Atwater-Rhodes,2008-12-18 Jessica isn't your average teenager. Though nobody at her high school knows it, she's a published author. Her vampire novel Tiger, Tiger has just come out under the pen name Ash Night. Jessica often wishes she felt as comfortable with her classmates as she does among the vampires and witches of her fiction. She has always been treated as an outsider at Ramsa High. But two new students have just arrived in Ramsa, and both want Jessica's attention. She has no patience with overly friendly Caryn, but she's instantly drawn to handsome Alex, a cocky, mysterious boy who seems surprisingly familiar. If she didn't know better, she'd think Aubrey, the alluring villain from Tiger, Tiger had just sprung to life. That's impossible, of course; Aubrey is a figment of her imagination. Or is he? Nail-bitingly suspenseful, here is the deliciously eerie follow-up to In the Forests of the Night, by the remarkable fifteen-year-old novelist Amelia Atwater-Rhodes.

The Hacker Crackdown Bruce Sterling,2020-08-11 The bestselling cyberpunk author “has produced by far the most stylish report from the computer outlaw culture since Steven Levy’s Hackers” (Publishers Weekly). Bruce Sterling delves into the world of high-tech crime and punishment in one of the first books to explore the cyberspace breaches that threaten national security. From the crash of AT&T’s long-distance switching system to corporate cyberattacks, he investigates government and law enforcement efforts to break the back of America’s electronic underground in the 1990s. In this modern classic, “Sterling makes the hackers—who live in the ether between terminals under noms de net such as VaxCat—as vivid as Wyatt Earp and Doc Holliday. His book goes a long way towards explaining the emerging digital world and its ethos” (Publishers Weekly). This edition features a new preface by the author that analyzes the sobering increase in computer crime over the twenty-five years since The Hacker Crackdown was first published. “Offbeat and brilliant.” —Booklist “Thoroughly researched, this account of the government’s crackdown on the nebulous but growing computer-underground provides a thoughtful report on the laws and rights being defined on the virtual frontier of cyberspace. . . . An enjoyable, informative, and (as the first mainstream treatment of the subject) potentially important book . . . Sterling is a fine and knowledgeable guide to this strange new world.” —Kirkus Reviews “A well-balanced look at this new group of civil libertarians. Written with humor and intelligence, this book is highly recommended.” —Library Journal

People of the Rainbow Michael I. Niman,1997 A fictional re-creation of a day in the life of a Rainbow character named Sunflower begins the book, illustrating events that might typically occur at an annual North American Rainbow Gathering. Using interviews with Rainbows, content analysis of media reports, participant observation, and scrutiny of government documents relating to the group, Niman presents a complex picture of the Family and its relationship to mainstream culture - called Babylon by the Rainbows. Niman also looks at internal contradictions within the Family and examines members' problematic relationship with Native Americans, whose culture and spiritual beliefs they have appropriated.

Successful College Composition Lauren Curtright,Barbara Hall,Tracienne Ravita,GNTC,2018-08-09 This text is a transformation of Writing for Success, a text adapted by The Saylor Foundation under a Creative Commons Attribution-NonCommercial-ShareAlike 3.0 License without attribution as requested by the work's original creator or licensee. Kathryn Crowther, Lauren Curtright, Nancy Gilbert, Barbara Hall, Tracienne Ravita, and Kirk Swenson adapted this text under a grant from Affordable Learning Georgia to Georgia Perimeter College (GPC, now part of Georgia State University) in 2015. Section 1.3 was authored by Rebecca Weaver. Engagement and Espionage Penny Reid,2020-06-30 Jennifer Sylvester made her deal with the devil . . . and now they're engaged! But all is not well in Green Valley. A chicken choker is on the loose, 61 dead birds most fowl need plucking, and no time remains for Jennifer and her devilish fiancé. Desperate to find a spare moment together, Jenn and Cletus's attempts to reconnect are thwarted by one seemingly coincidental disaster after another. It's not long before Cletus and Jenn see a pattern emerge and the truth becomes clear. Sabotage! Will an undercover mission unmask the culprit? Or are these love-birds totally plucked? 'Engagement and Espionage' is the first book in the Solving for Pie: Cletus and Jenn Mysteries series, is a full-length cozy mystery, and is a spin-off of Penny Reid's Winston Brothers series. This novel is best read after 'Beard Science, ' Winston Brothers #3.

My Son Marshall, My Son Eminem Debbie Nelson,2008 To this day Debbie Nelson is asked why she abandoned her son Marshall as a boy, beat him repeatedly, and then had the audacity to dog him with lawsuits when he became rich and famous. My Son Martial, My Son Eminem is her rebuttal to these widely believed lies-a poignant story of a single mother who wanted the world for her son, only to see herself defamed and shut

out when he got it. Debbie Nelson encouraged her talented son to chase success-even when Eminem hijacked her good name in his lyrics and press for street cred, a movie that ultimately alienated them from each other by the notoriety and bitterness it spawned. In My Son Marshall, My Son Eminem, Debbie Nelson details the real story of Eminem's life from his earliest days in a small town in Missouri and his teenage years in Detroit, to his rise to stardom and very public mom-bashing.

Cringeworthy Melissa Dahl,2018 Examines the ways that embracing socially awkward situations, even when they lead to embarrassment and self-consciousness, also provide the opportunity to test oneself and to recognize how people are connected to each other.
