**Golden Bears** Ron Fimrite,2012-09 From farmed sportswriter Ron Fimrite comes the definitive history of the University of California at Berkeley's Football Program-Golden Bears. From their humble beginnings as a student diversion to their unforgettable 2008 season and beyond, the Golden Bears have remained one of the nation's most exhilarating teams. Relive the most stirring and memorable moments in Cal history. From The Play to Roy Riegels's infamous wrong-way run in the 1929 Rose Bowl, the bears' best-known plays and games are chronicled in one exciting volume. But Golden Bears is more than just a history of football at the nation's most prestigious public university. Through fascinating profiles of Cal's distinctive personalities, including coaches Andy Smith and Pappy Waldorf, complex players such as Jackie Jensen and Chuck Muncie, and flamboyant University presidents Benjamin Ide Wheeler and Robert Gordon Sproul, Golden Bears traces the political, cultural, and economic factors that have made Berkeley as well known for its activism as its academics. High School Football in California Mark Tennis,2018-08-07 From the best players to the best coaches and some of the most legendary schools and teams in US history, California high school football has it all. High School Football in California takes an inside look at the state's greatness in the sport, from the best players when they were in high school to those who've gone on to be stars as collegiate players or pros. It's about record-setters, trend-setters, and some of the most inspirational families and people you'll ever meet. Some of the players and coaches featured include Tom Brady, Aaron Rodgers, Bob Ladouceur, Tom Flores, Trent Dilfer, and many more! Extending from the first published report of a game from 1873 to the present, this book presents high school football in a manner never done before. One of the many stories featured recounts how the late Charlie Wedemeyer, former coach at Los Gatos High who suffered from ALS, called plays by having his wife read his lips and then give the plays to assistant coach Butch Cattolico. Cal-Hi Sports editor Mark Tennis mixes amazing anecdotes and interviews with the many who've experienced California high school football from every imaginable angle.

Good Knights for California Football Isaac Bowers,Carol Welty Roper,2013-06 Whenever the team wins, everyone wins and whenever the team loses, we do so as a team but we play giving 100% until the game is over. Readers who are not into sports need not worry, this title focuses more on the off-field drama and personal lives of the players, parents, and coaches more than it does on-field performance of the Knight's team. Great for fans of the sport, parents, children, and readers who enjoy pre-adolescent drama fiction, this title is a fast, fun, and satisfying read. --The US Review of Books Good Knights of California is a story about teamwork on and off the playing field. In order for each of us to reach our life goals, it is best to have a teamwork attitude. This attitude is shared by Brady, Leon, Jake, Martin, and Lisa Marie. What they have in common is after school football, with love of the game and a desire to win. The story reveals what motivates these characters to reach their goals by working as a team. Helping others win in life is the go, fight, win of this story and the characters truly earn the name Good Knights. Good Knights of California was told to me chapter by chapter after Isaac came home from school. A natural athlete, Isaac Bowers excels in any sport he plays. Football is his passion. This story is fiction based on his experiences playing football. The story is Isaac's and I am Carol Welty Roper, the co-author. I worked to make his story come alive on paper.

For None Can Rank Above Thee Thomas E. Pullyblank,2012-10-01 In 1929, the Caledonia Red Raiders high school football team went undefeated and unscored-upon, an accomplishment matched by few other American football teams at any level. From then on, the Red Raiders of Caledonia (Caledonia-Mumford after 1950) have enjoyed a remarkable string of gridiron achievements: 15 undefeated seasons, 22 Livingston County Championships, 14 Section V Championships, 9 New York State Championships, and a 49-game winning streak (currently the longest in Section V and the second-longest in New York State). “For None Can Rank Above Thee” is the story of how generation after generation of boys from a small community in Upstate New York tried, and often succeeded, in living up to the precedent of greatness set by the1929 team. Included within is a complete history of Cal-Mum Red Raiders football from 1925-2003, detailed descriptions of some of the most exciting games in Cal-Mum football history, team statistics and complete game-by-game scores from 1925-2011, and a roster full of vintage and modern photographs and memorabilia.

*From The Fields* Richard Paolinelli,2021-03-09 This second edition of From The Fields provides an updated narrative account, written by award-winning sports journalist Richard Paolinellim of the first century of high school football played in Turlock, California - including stats, rosters, and interviews with former players and coaches. Starting with the first team of 15 players from the 1920 Turlock High football team all the way through to the 2019 season. Players spotlighted include former pro football players from Turlock - Bob Mitchell, Paul Larson, Jeff Winans, Jonathan Quinn, Tom Brandstater and Colin Kaepernick - along with moments in the history of Turlock connected to the football program.

Without Helmets or Shoulder Pads Irvin Muchnick,2023-10-03 “Football’s massive popularity is undeniable, as are the many reasons players and fans are drawn to the game. But what is also undeniable is the game’s brutality and the troubling aspects of football culture at all levels. To whatever extent the reader shares Irv Muchnick’s perspective and conclusions, the evidence and arguments he presents deserve thoughtful attention.” – Bob Costas, Emmy Award-winning sportscaster “Muchnick’s jeremiad digs deeper than ever into the greed and hypocrisy of high school and college football, and the trail of broken bodies left in their wake. His information on the perils of conditioning is essential reading and might save your kid’s life.” – Robert Lipsyte, author of The Contender and SportsWorld Football’s concussion crisis is well known, with our Hall of Fame heroes behaving erratically and dying young. But did you know that kid players across the continent die every year before a single ball is snapped – just from extreme conditioning drills directed by all-powerful coaches? And then, when the unimaginable happens, the football world simply buries the evidence, pays off victims’ families, and moves on ... Without Helmets or Shoulder Pads presents the shocking stories of young men struck down by exertional heatstroke and other, often unacknowledged, causes. Taking the conversation about football and public health to a new level with investigations of the sport’s underreported worst tragedies and cover-ups it makes the case that no matter how much we enjoy America’s most popular sport at elite levels it belongs out of our public schools and off our public fields.

My Life on the Line Ryan O'Callaghan,2019-09-03 Football gave Ryan O'Callaghan a scholarship to Cal and the chance to earn millions in the NFL, but it also afforded

him something far more important: a place to hide. As a closeted gay man, his helmet and pads became tools of deception...O'Callaghan, who retired in 2011 after four seasons, eventually found the courage to live his truth in retirement. His memoir offers an unsparing look at the nexus of sexuality and football. --Sports Illustrated O'Callaghan came out as gay in 2017 after retiring from the league in 2011. Fearing condemnation while hiding his sexual orientation during a football career that spanned six seasons, O'Callaghan said he had regular suicidal thoughts while growing addicted to painkillers and he had elaborately planned his own death for retirement. In *My Life On the Line*, co-authored by Outsports co-founder Cyd Zeigler, O'Callaghan...credits then-Kansas City Chiefs executive Scott Pioli and Dr. Susan Wilson for saving his life once he came out to them. --USA Today In a new book due out in September, O'Callaghan discusses his life story, including the treatment he received from former teammates after coming out. --Boston Globe Former Patriots lineman Ryan O'Callaghan spent his entire career hiding his sexuality from his teammates, his friends and his family. He is now sharing that battle in his new book, *My Life On The Line*. --CBS Boston (WBZ TV) O'Callaghan believes the NFL is moving in the right direction with social issues, albeit slowly...O'Callaghan is part of that change. And that change saved his life. --Boston Globe, feature on Ryan O'Callaghan As one of the few openly gay former U.S. players, O'Callaghan's goal became making it easier for future athletes to be open about their sexuality and gender identity well before they enter professional sports. --Reuters O'Callaghan is one of only a few openly gay former NFL players...In his upcoming memoir, *My Life on the Line: How the NFL Damn Near Killed Me and Ended Up Saving My Life*, O'Callaghan candidly discusses his addictions, mental health and struggles with his sexuality. --Washington Blade Ryan O'Callaghan's plan was always to play football and then, when his career was over, kill himself. Growing up in a politically conservative corner of California, the not-so-subtle messages he heard as a young man from his family and from TV and film routinely equated being gay with disease and death. Letting people in on the darkest secret he kept buried inside was not an option: better death with a secret than life as a gay man. As a kid, Ryan never envisioned just how far his football career would take him. He was recruited by the University of California, Berkeley, where he spent five seasons, playing alongside his friend Aaron Rodgers. Then it was on to the NFL for stints with the almost-undefeated New England Patriots and the often-defeated Kansas City Chiefs. Bubbling under the surface of Ryan's entire NFL career was a collision course between his secret sexuality and his hidden drug use. When the league caught him smoking pot, he turned to NFL-sanctioned prescription painkillers that quickly sent his life into a tailspin. As injuries mounted and his daily intake of opioids reached a near-lethal level, he wrote his suicide note to his parents and plotted his death. Yet someone had been watching. A member of the Chiefs organization stepped in, recognizing the signs of drug addiction. Ryan reluctantly sought psychological help, and it was there that he revealed his lifelong secret for the very first time. Nearing the twilight of his career, Ryan faced the ultimate decision: end it all, or find out if his family and football friends could ever accept a gay man in their lives.

**Five Laterals and a Trombone** Tyler Bridges,2022-11-15 In conjunction with the 40th anniversary of The Play—a thrilling and nuanced chronicle of college football's most unforgettable ending The wildest finish ever to a college football game occurred when five laterals on the final kickoff ended with a sprint through the opposing team's marching band—prematurely in celebration on the field—for the winning touchdown. It was 21 seconds of action so unfathomable it has become known simply as The Play. Five Laterals and a Trombone captures the madcap story as it developed in November 1982, tracing the ups and downs, mood swings and hijinks surrounding the 85th Big Game between the University of California at Berkeley and Stanford University. Journalist Tyler Bridges has deftly reconstructed the pivotal moments and resulting lore thanks to hundreds of interviews with all the key figures on both sides of the rivalry, including players, coaches, referees, and stadium personnel. Among the memorable characters are Stanford star quarterback John Elway, Cal linebacker Ron Rivera, the final lateral receiver Kevin Moen, and the immortalized Cardinal trombone player Gary Tyrrell. The Play was not televised live. There was no instant replay—let alone a viral video. In 1982, Steve Wozniak and Steve Jobs, who had founded Apple Computer Company in a garage only 10 miles from the Stanford campus, were just developing the first personal computers. It took hours for news of the rivalry game's outcome to spread across the country, yet football fans would remain enthralled by the bizarre sequence for decades to come. Readers will be transported onto the field and inside the huddle in this definitive history of college football's ultimate oddity.

The USC Trojans Steven Travers,2010-09-16 In 2000, the University of Southern California Trojans were named Collegiate Athletic Department of the 20th Century. However, it still seemed that the greatest historical football program was USC's biggest rival, the Notre Dame Fighting Irish. In this lively history of USC football, Travers makes the case that under the guidance of coach Pete Carroll the Trojans have overtaken Notre Dame as the greatest ever collegiate tradition. Illustrated with both historic and contemporary photos and containing anextensive appendix listing college football's all-time greatest teams by year, this book celebrates college football's best and provides a blow-by-blow account of perhaps the greatest game ever played: the 2006 USC-Texas Rose Bowl.

*UCLA Football Encyclopedia* Spencer Stueve,2018-09-04 The history of UCLA football is a continuous story of highs and lows, ups and downs. Every year from 1919 to today, UCLA has fielded a team, and though the expectations have changed through the years, the goals have not. The single greatest goal in sports is to win your next game. When a team strings enough wins together, a magical season is born. In the UCLA Football Encyclopedia, Stueve doesn't miss a beat in his coverage of all the magical seasons, as well as the not-so-magical seasons, from the inaugural one through 2017. He covers the UCLA coaches, as well as the players who have left a lasting legacy. Along the way, he captures all the details about the wins, the losses, the individual and team records, the assistant coaches, and the players that built the foundation of the program. The story of UCLA football is often a story of almost, and in this book, readers will relive the times UCLA simply refused to settle for almost. These tales feature legends Fred Cozens, Red Sanders, Tommy Prothro, Jim Mora, and countless other Bruins stars, past and present. Stueve also recounts the upbringing of Donn Moomaw and that of Maurice Jones-Drew. Complete with dozens of historical photographs, this is the most extensive book ever written on UCLA football and a must-read for every UCLA football fan nationwide. “My experience working with Skyhorse is always a positive collaboration. The editors are first-rate professionals, and my books receive top-shelf treatment. I truly appreciate our working relationship and hope it continues for years to come.” -David Fischer, author
