Internet Resources and Services for International Real Estate Information Sheau-Yu J. Chao,2001-02-28 You're investing in real estate, relocating to a new state, or maybe moving to a new country. You go to the Internet, an endless source of information. But is it current? Is it accurate? Can you even find what you need? Here is an analytic guide to nearly 2000 real estate Web sites. Data for more than 220 regions, states, and countries are divided into six sections representing the major continents. The book runs the gamut with data resources for broad geographical regions right down to individual localities (including U.S. states). Indexes to Web site titles, key content, sponsors, and country of origin make this guide essential to everyone from real estate practitioners (developers, bankers, and investors, etc.) to students and researchers in the field.

Buying and Selling a Home For Canadians For Dummies Tony Ioannou,Heather Ball,2010-05-13 Whether you're new at the home-buying or selling game in Canada, or whether you've played it before, most of us dread the onslaught of flashy, fast-talking real estate agents and property managers. Well, help has arrived. This revised edition of Buying and Selling a Home For Canadians For Dummies prepares you to get what you need and want when buying a new home or selling the one you're in. Everything from arranging your finances and hiring an agent, to researching neighbourhoods and assessing home values is presented in a clear and humorous way to help you get the most out of the process. Important information to help you: Market your home and sell for the highest possible price Negotiate the best price and terms of sale Find the right new neighbourhood with reasonable prices and the type of housing to suit you and your family Decide whether or not to hire an agent and tips on how to choose a good one Select the best mortgage and understand tax considerations Updated in the 2nd Edition: Examining zero percent down payments, lines of credit and other alternatives to conventional mortgages Using the 'Net: New, useful sites - and what to watch out for Buying condominiums: An expanded chapter full of useful information on what you need to know before you buy Selling your home on your own: Expanded online resources and tips Fixing up your home to sell: Tips from the designers on how to make your home as sellable as possible

When the Flood Falls J.E. Barnard,2018-07-14 In an oil-rich wilderness, where a grim do-or-die ethos hides just beneath the civilized surface, a jaded ex-cop struggles to protect her oldest friend from an unknown danger.

Ninja Selling Larry Kendall,2017-01-03 2018 Axiom Business Book Award Winner, Gold Medal Stop Selling! Start Solving! In Ninja Selling, author Larry Kendall transforms the way readers think about selling. He points out the problems with traditional selling methods and instead offers a science-based selling system that gives predictable results regardless of personality type. Ninja Selling teaches readers how to shift their approach from chasing clients to attracting clients. Readers will learn how to stop selling and start solving by asking the right questions and listening to their clients. □Ninja Selling is an invaluable step-by-step guide that shows readers how to be more effective in their sales careers and increase their income-per-hour, so that they can lead full lives. Ninja Selling is both a sales platform and a path to personal mastery and life purpose. Followers of the Ninja Selling system say it not only improved their business and their client relationships; it also improved the quality of their lives.

The Complete Idiot's Guide to Computer Basics, 5th Edition Joe Kraynak,2009-02-03 Time for an upgrade! The fifth edition of The Complete Idiot's Guide® to Computer Basics places the reader in charge of the computer, rather than the other way around, and places the focus on software troubleshooting rather than hardware technobabble. The reader wants to do something practical with his or her computer—this book shows them how. • Covers basic office programs and how to manage photo, video, and music files • Advice on safe web-surfing, including coverage of newsgroups, message boards, and mailing lists • New green computing initiatives that help protect the environment • Maintenance and upgrading information

Making a Living from Your eBay Business Michael R. Miller,2006-10-12 The power of online auctions is attracting hundreds of thousands--if not millions--of users who want to turn their eBay hobbies into profitable businesses. While turning an eBay hobby into an eBay business might look easy, making that business profitable is much more difficult. Not enough sellers treat their eBay sales as a business, and subsequently are disappointed in the results. To launch a successful and profitable eBay business, the detailed instructions in this book will show you how to get started. It will help you determine what kind of business you want to run, write an action-oriented business plan, establish an effective accounting system, set up a home office, obtain starting inventory, arrange initial funding, establish an eBay presence, and arrange for automated post-auction management. This book is a step-by-step guide for anyone serious about making money from their eBay sales. Unlike other computer-oriented titles, this is a straight-ahead business book that shows how to set up and run different types of eBay businesses, and how to maximize sales and profits while doing so. This book includes a section titled Choosing Your eBay Business that details six different types of eBay businesses you can start. Included in this section is a chapter on eBay Trading Assistants (AKA drop-off stores or consignment stores), which is the newest form of an eBay business.

EBay the Smart Way Joseph T. Sinclair,2005 The savvyest eBay users turn to this definitive guide for smarter eBay tactics for both buyers and sellers. Now in its fourth blockbuster edition, this priceless tool has changed with the times to cover the latest trends.

Secrets of the Canadian Real Estate Cycle Don R. Campbell,KieranTrass,Greg Head,2012-01-04 Canadian real estate investors often hear about real estate cycles, yet very few people can describe what they are and how to actually use them to one's advantage. The Canadian Investor's Guide to Secrets of the Real Estate Cycle will show Canadian investors the ins and outs of the various phases of the real estate cycle, such as boom, slump and recovery, in order to equip them with the knowledge to make practical and informed decisions about their portfolios. Written by Canada's top-selling real estate investor and author Don Campbell and Kieran Trass, a leading expert on real estate cycles, the book will drill down into the various causes that affect real estate trends, such as local and global economics, population migration, employment levels, affordability of rental housing, real estate listings and other factors, to provide a scientific basis for assessing current trends and where those trends are heading. Complete with charts, checklists, and real-life stories, The Canadian Investor's Guide to Secrets of the Real Estate Cycle will be an indispensable guide for all investors.

The Internet Investor J. Timothy Maude,1999 Tim Maude knows investing, and he knows the Internet. He has compiled a list of trustworthy Internet sites for the investor who goes online. The guts of the book is the listings and reviews of thousands of Interact investing sites, designed to help the cyber investor gather trustworthy information.

Investing in Condominiums Brian Persaud,Randy Ramadhin,2011-11-08 A lot of information has been published for those who wish to buy a condo as a principal residence, but not for investors who want to expand into the condominium market. Investing in condominiums is not about being caught up in the mass hysteria of lining up to buy a pre-construction unit in a hot neighbourhood and hopefully flipping it at a profit when it's built. On the contrary, investing in condos can be a very good way to generate solid returns when done according to the proven strategies outlined in the book. Investing in Condominiums will show readers the ins and outs of profitable

condo investing by sticking to investing fundamentals, carrying out proper due diligence, and having an exit plan. Pre-construction condominiums, especially in Toronto and Vancouver are sought-after by both Canadian and international investors. The stable economy, low-interest rate environment, and appreciating values are a recipe for investor success. Investing in Condominiums gives Canadian investors the nuts and bolts of undertaking such an investment based on real-life examples and expert knowledge. By reading this book, the investor can proceed with full confidence knowing that they are asking the right questions, doing the math, and assembling the right team of experts that will help them realize their investment goals.
