OMG I Won! the SuperLotto Plus Statistics Pro,2015-03-29 What would you do if you became a multi-millionaire tonight? Quit work and travel around the world? Move into a mansion with ten exotic sports cars? Help your friends and family out of debt? Buy a yacht and live on the ocean? All of the above? We all dream of freeing ourselves from the chains of society. Life is short - why should we spend it working at a place we rather not work at, living paycheck to paycheck always worrying about paying the bills each week? Many people view the lottery as a way out of this lifestyle. Every week people become multi-millionaires overnight through the national and state lotteries. The **OMG I Won! The California SuperLotto Plus** book provides an interesting and unique look into California's State lottery through the use of statistical analyses. Unlike other lottery books, it uses actual historical data to analyze patterns and trends of lottery drawings, and presents results in an entertaining and informative manner.
