The First Phone Call from Heaven Mitch Albom,2013 The story of a small town on Lake Michigan that gets worldwide attention when its citizens start receiving phone calls from the afterlife. A City Called Heaven Robert M. Marovich,2015-03-15 In A City Called Heaven, gospel announcer and music historian Robert Marovich shines a light on the humble origins of a majestic genre and its indispensable bond to the city where it found its voice: Chicago. Marovich follows gospel music from early hymns and camp meetings through the Great Migration that brought it to Chicago. In time, the music grew into the sanctified soundtrack of the city's mainline black Protestant churches. In addition to drawing on print media and ephemera, Marovich mines hours of interviews with nearly fifty artists, ministers, and historians--as well as discussions with relatives and friends of past gospel pioneers--to recover many forgotten singers, musicians, songwriters, and industry leaders. He also examines how a lack of economic opportunity bred an entrepreneurial spirit that fueled gospel music's rise to popularity and opened a gate to social mobility for a number of its practitioners. As Marovich shows, gospel music expressed a yearning for freedom from earthly pains, racial prejudice, and life's hardships. In the end, it proved to be a sound too mighty and too joyous for even church walls to hold.

The Book of Heaven Patricia Storace,2014-11-04 From the author of the acclaimed *Dinner with Persephone* comes a radically original novel about four women who invite us to imagine the divine anew: what if “a woman’s point of view” were also God’s? Patricia Storace’s *Eve* begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job’s daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

Behind the Mask Donald F. Hastings,2014-10-06 The actual is limited; the possible is immense. Meet Don Hastings--the man who took the above slogan at the Lincoln Electric Company literally. Hastings shattered conventional thinking as he literally dragged an old line manufacturing company kicking and screaming into the future. As CEO, in the most daring move of his career, he and his team wrangled Lincoln back from the brink of financial ruin, shocking the industry by transforming near disaster into record sales and profits. Although technically a memoir, *Behind the Mask* is chock-full of out-of-the-box ideas and shrewd business wisdom cleverly disguised as Don's forty-four-year odyssey into one of the most unique manufacturing companies in the world. Whatever you call this book, its pages will make you think. Hastings's vastly unorthodox techniques will challenge your creativity and ignite your imagination. Above all, Don Hastings's book will dare you to be better. As Hastings stated, I didn't write this book to teach but to inspire.

The Holy Dybbuk Charles Rich,1988 From Ronda Chervin's Introduction: Twenty-seven years ago I had the joy of meeting a giant of the Faith--a lay contemplative, Charles Rich. . . . One of the strongest themes running through the letters . . . is that of the way spiritual love in Christ is a foretaste of heaven. Already in this life, if we are careful to purify our love of anything not of Him, we can experience the joy of the union of persons which will be ours completely in eternity.
