Mistletoe, Merriment, and Murder Sara Rosett,2011-10-24 "A terrific mystery with believable characters and lots of heart," perfect for bringing peace and joy to the holiday season (Denise Swanson, New York Times bestselling author). Super organizer Ellie Avery could really use some Christmas cheer when Gabrielle Matheson, a grinchy professional rival, sets up shop in the same small Georgia town. But before the halls are even halfway decked with holly, someone uses Ellie's terrifically tasteless white elephant swap gift as . . . a murder weapon! Ellie's now a suspect. Besides playing Mrs. Santa for her Air Force pilot husband and their two kids, shielding her eyes from the garishly over-decorated house down the street, and helping a client who's a hardcore hoarder, Ellie also has to solve this ho-ho-homicide . . . and find a killer who wishes her a very deadly Christmas. Don't miss Ellie Avery's great tips for a relaxed and stress-free holiday season! "Sara Rosett once again presents readers with intriguing characters, a strong setting, more than a dash of humor and a suspenseful plot that ably keeps us guessing until the end. No mean achievement! Yet, what places her sleuth, Air Force wife Ellie Avery, at the top of my list are the poignant descriptions of what military families face every day, bringing an essential reminder of their sacrifices to us all, especially at this time of year." —Katherine Hall Page, Agatha Award-winning author Praise for the Ellie Avery Mystery series "An appealing young heroine." —Carolyn Hart, New York Times bestselling author "Crackles with intrigue, keeps you turning pages." —Alesia Holliday, New York Times bestselling author "Mystery with a 'mommy lit' flavor. A fun read." —Armchair Interviews

Some Call It Temptation Sarah Peis,2019-11-04 Some temptations are too hard to resist. After fleeing her controlling family, Stella is ready to experience life to the fullest—starting with moving to a city that has more than one traffic light. Too bad she's broke and living on her friend's couch. At least she has a job. If only temporary. Now she just has to keep her head down and save up enough to leave. But the one thing she didn't count on was Mason Drake. Forced to move in with the man who stars in her every fantasy, Stella knows she can never give in to the temptation that is Mason. Not only because he thinks of her as nothing but a spoiled brat, but because she needs her job. And he's her boss. This is the second book in the Sweet Dreams series and can be read as a standalone. Note from the author: In order not to get kicked out of the good (okay goodish.... fine, sometimes good) girls club, I'd like to point out that this is a steamy romcom and my characters use bad language (sometimes) and like to get it on. There's no cheating and all my books have a HEA. #romanticcomedy #HEA #romcom #enemiestolovers #hotboss #alpha #broodyalpha #contemporaryromance #romance #quirky #funny #humour #humor #forcedproximity

Relentless Pursuit (Secrets of Roux River Bayou Book #3) Kathy Herman,2011-05-01 Rich with the Cajun flavors of south Louisiana, this final book in the Secrets of Roux River Bayou series is a story of what it means to find true peace in an uncertain world. Sax Landry left home at seventeen to escape his father's abuse, leaving his mother and sister to fend for themselves. Now, twenty-eight years later, both parents are dead, and guilt compels him to find his sister and make peace. His search leads to Les Barbes, Louisiana, where authorities fear a bio-terrorist has injected cyanide into juice cartons and fresh produce at the grocery store. People are dead. It's not safe. Sax stays, fearing death less than living another day without peace. A divine appointment is about to change all that forever.

Best Friends Forever Irene S. Levine,2009-09-01 Men, jobs, children, personal crises, irreconcilable social gaps—these are just a few of the strange and confusing reasons which may cause a female friendship to end. No matter the cause, the breakup of a female friendship leaves a woman devastated and asking herself difficult questions. Was someone to blame? Is the friendship worth fighting for? How can I prevent this from ever happening again? Even more upsetting is that women suffering from broken friendships often have no one to confide in; while the loss of a romantic partner garners sympathy among peers, discussing the loss of a platonic friend is often impossible without making other friends jealous or uncomfortable. Written by journalist and psychologist Irene Levine, Ph.D., Best Friends Forever is an uplifting and heroically honest book for abandoned friends seeking solace. Dr. Levine draws from the personal testimonials of thousands of women to provide anecdotes and groundbreaking solutions to these complicated situations. Offering tools for personal assessment, case stories, and actionable advice for saving, ending, or re-evaluating a relationship, Levine shows that breakups are sometimes inevitable. Although the dissolution of female friendships can be difficult, Best Friends Forever teaches women to stop blaming themselves and probing the wounds, and that the sad experience of a broken friendship can make them stronger people, and more able to handle their relationships with wisdom.

Sparkling the Fire Kate Meader,2016-09-27 Kate Meader’s blazing Hot in Chicago firefighter series has “everything you want in a romance” (RT Book Reviews, Top Pick)! The flames of desire burn out of control in this sexy third novel when ex-lovers unexpectedly reunite for a sizzling affair that will have the director yelling, “Quiet on the set!” Actor Molly Cade, America’s fallen sweetheart, finally has her shot at a Hollywood comeback with a dramatic new role as a tough-as-nails firefighter that promises to propel her back to the big time and restore her self-respect.
