"LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. It is an astounding book. I loved every single word!" —Wild on Books, 4.5 Bookmarks "Ms. Force did a wonderful job of drawing you in to the story. She made it very realistic in the sense that not only did I fall madly in love with Michael, but she forces you to really feel for Jeremy (Juliana's first love). You are struggling inside as to which man

you really want her to be with.” –Book Lover, 4.5 Stars “I read this book in less than a twenty-four hour period. I can’t remember the last time a story held me as mesmerized as LOVE AT FIRST FLIGHT; I couldn’t get enough and wanted more… Ms. Force pens so much more than a simple romance, her voice has that “certain something” which captivates the reader from first word to the last. She creates a story and characters the reader can embrace and cheer on whole-heartedly with a smile and a lump in the throat.” –Once Upon A Romance “And to you, Marie Force, what a talented author you are—your characters are captivating and come to life through your writing—they jump out of the pages and into the reader’s heart. The plot is well-developed, flows smoothly, and engages the reader from beginning to end. Emotions are strong and written with such clarity that you feel them inside as if they were your own.” –World According to Books “This isn’t just a romance novel or a legal story or any other classification but a mixture of many that cannot be separated. It’s a fantastic mix of romance against a legal story with danger lurking around every corner. There are high-speed car rides as well as romantic dinners with walks along the beach. An assassin comes into play as well as a teenage witness. It’s a book that should interest a broad spectrum of readers.” –Night Owl Reviews, 4.75 out of 5, Reviewer Top Pick “LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. It is an astounding book. I loved every single word!” –Wild on Books, 4.5 Bookmarks “Marie Force really has a knack for getting the reader emotionally involved with her characters. I felt the same way when I read Line of Scrimmage and Love at First Flight is no exception. I have to give kudos to her for writing such an unconventional romance so well. The fact that she could engage my emotions throughout the whole book really is a testament to her skillfulness of storytelling.” –Book

Binge “What I really liked about these two characters is the way they take care of each other. There is an art to that, to doing small things for each other without thinking, with pleasure even, because you know the other will appreciate it. Julianna is a nurturing person, with everyone around her, and that’s just what Michael needs. For his part, Michael offers Julianna a helping hand when she needs it, and some space to be an adult, even when he would prefer to get closer.” –AlphaHero

Truth Stained Lies Terri Blackstock, 2013-03-12 The first book in the riveting Moonlighters Series from New York Times and USA TODAY bestselling author Terri Blackstock. “Crisp prose, an engaging story, and brisk pacing make this thriller another home run for Blackstock.” –Library Journal, starred review When truth doesn’t make sense, will lies prevail? Cathy Cramer is a former lawyer and investigative blogger who writes commentary on high-profile homicides. When she finds a threatening note warning her that she’s about to experience the same kind of judgment and speculation that she dishes out in her blog, Cathy writes it off as mischief . . . until her brother’s wife is murdered and all the “facts” point to him. The killer has staged the crime to make the truth too far-fetched to believe. Working to solve the murder and clear her brother’s name, Cathy and her two sisters, Holly and Juliet, moonlight as part-time private investigators. Juliet, a stay-at-home mom of two boys, and Holly, a scattered ne’er-do-well who drives a taxi, put aside their fear to hunt down the real killer. Stakes rise when their brother’s grieving five-year-old son is kidnapped. As police focus on the wrong set of clues, the three sisters and their battered detective friend are the only hope for solving this bizarre crime, saving the child, and freeing their brother. “A story rich with texture and suspense, this family murder

mystery unfolds with fast pacing, a creepy clown murder suspect, and threatening blog visitor to boot." –Publishers Weekly "Truth Stained Lies is the first in what's likely to be a very popular new series for Blackstock. Her characters are flawed, faltering in their faith, and ultimately human. They're the kind of people you wish you had as friends. This latest novel should appeal to millions of existing fans and millions of new fans who just don't know it yet." –CBA Retailers + Resources
