Where's the DP? Medhasree Chakraborty,2024-02-07 Ask questions, they say! That's precisely what one should be doing! The story of a millennial named Madhuja, whose one single question paved the way for a beautiful journey of self-love, reflection, and self-discovery! Placed amidst the modern-day dating scenario, the heartbroken girl is all set to steal the limelight at her own pace. Putting in real effort, but this time only for herself, Madhuja transitions into a woman who is unapologetically herself. Taking one day at a time, she embraces both the highs and lows. She is also fascinated by the different realms and intricacies of relationships among people around her. All is well, but months later she discovers lost documents of someone. Yes, that someone has been the cause of all the pain and drama. It feels like the Universe's conspiracy to see what her actions will be! So now, what is she going to do? Will it be revenge or a release?

Destination: Unknown Joey Paul,2016-07-09 Harriet has a complicated life. She cares for her chronically ill Mum, while trying to juggle school and a social life. She's tired, overworked and underpaid. Yet, one day she sees what she thinks is a ghost, but ghosts don't exist do they? And they especially don't help you travel in time, right? Now Harriet has a murder to solve, all the while trying to make sure no one finds out about the secret behind that stone in her back garden.

Walk to Hope John Golder,2014-06-20 Tom Jacobs and his young friend Ryan will unwittingly be the principal witnesses as the afternoon's events unfold. Tom is currently wrestling with the pressure created by the very high expectation of others for his life as a violinist capable of walking the world concert platforms. He is also smarting from a humiliating experience caused by his new classmate Wendy Fraser, even though they have never spoken. Wendy Fraser's world is a dark place-she is a victim of bullying, without love or hope in her life. She is yelling at a God she believes doesn't love or care and probably even exist; caught up in her despair because she didn't die in a suspicious car accident in Asia with her best friend, Rachel. Will the criminal gang thought to be behind the crash reach out against her family again, just because her father's honesty and integrity cost the gang millions? Juliette and her gang of schoolyard bullies are even now stalking Wendy for the perceived further slights they have imagined during the week, even though they have deliberately targeted Wendy all week. These three are about to collide violently in a way that will change their lives forever. How will their response to the unexpected consequences of this collision play out in their lives? What hope is there for their future?

A Clean Slate Laura Caldwell,2012-06-15 A Clean Slate chronicles the days of Kelly McGraw, a Chicago woman who suddenly can't remember the last five months of her life, a time when she was dumped by her soon-to-be fiancé and laid off by the company she thought would make her partner. Overwhelmed and confused but otherwise feeling wonderful, she begins to realize that she has a clean slate in life. She can do anything she wants, go anywhere she wants, be anything she wants. But what, exactly, does she want? Follow Kelly on a journey that includes her search to discover what caused her memory loss, an internship with a bad-boy British photographer, a Caribbean photo shoot, her boyfriend's desire to come crawling back and, eventually, a brutal discovery that will cause her to reevaluate both her old and new lives.
