Firefly Lane Kristin Hannah, 2008-02-05 From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the coolest girl in the world moves in across the street and wants to be her friend. Tully Hart seems to have it all---beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way,

Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship--jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. Firefly Lane is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you--and knows what has the power to hurt you . . . and heal you. Firefly Lane is a story you'll never forget . . . one you'll want to pass on to your best friend.

Black Dahlia Avenger Steve Hodel, 2012-06-20 More than fifty years after what has been called the most notorious unsolved murder of the 20th century, the case has finally been solved. On January 15, 1947, the body of beautiful 22-year-old Elizabeth Short, dubbed the Black Dahlia because of her black clothing and the dahlia she wore in her hair, was discovered on a vacant lot in downtown Los Angeles, her body surgically bisected, horribly mutilated, and posed as if for display. Even the most hardened homicide detectives were shocked and sickened by the sadistic murder.

Thus began the largest manhunt in LA history. For weeks the killer taunted the police, and public, much as his infamous English counterpart Jack the Ripper had done in London 60 years before, sending tantalizing notes, urging them to catch me if you can. And for weeks and months the LAPD came up empty. Charges of police ineptitude soon gave way to rumors of corruption and cover-up at the highest levels. Meanwhile, a rash of lone women in LA were brutally murdered, and their cases also remained mysteriously unsolved. Could the Black Dahlia Avenger be, in fact, a serial killer stalking the city streets?
