Felonism Linda Polk, 2016-02-10 *Felonism: Hating in Plain Sight* is a collection of true stories and interviews with convicts, family members, parole officers and prison staff. Woven together these stories present the fabric of an institutionalized, systemic oppression against individuals suspected or convicted of a felony as well as those who love and support them The cycle of discrimination continues when members of prison staff are concerned about losing their pensions for being inmate friendly, loved ones of prisoners are publicly berated, and returning citizens (people released from prison) are segregated from mainstream housing, careers and support. Confronted with documentation demonstrating a national trend of organized oppression, this book reveals a pattern of racism, dysfunctional politics, cruelty, and a network of for-profit companies that have become part of

America's culture. Problems are rarely fixed until they are given a name, so ex-con Andy Polk and retired school teacher and social worker, Linda Polk, coined the term Felonism to shine a light on who really benefits from this dangerous neo-classism/racism. This book provides terminology currently lacking in the national conversation about our shared prejudices and offers solutions for healing our broken criminal justice system.

Challenge For The Actor Uta Hagen, 1991-08-21 Theoretically, the actor ought

to be more sound in mind and body than other people, since he learns to understand the psychological problems of human beings when putting his own passions, his loves, fears, and rages to work in the service of the characters he plays. He will learn to face himself, to hide nothing from himself -- and to do so takes an insatiable curiosity about the human condition. from the Prologue Uta Hagen, one of the world's most renowned stage actresses, has also taught acting for more than forty years at the HB Studio in New York. Her first book, *Respect for Acting*, published in 1973, is still in print and has sold more than 150,000 copies. In her new book, *A Challenge for the Actor*, she greatly expands her thinking about acting in a work that brings the full flowering of her artistry, both as an actor and as a teacher. She raises the issue of the actor's goals and examines the specifics of the actor's techniques. She goes on to consider the actor's relationship to the physical and psychological senses. There is a brilliantly conceived section on the animation of the body and mind, of listening and talking, and the concept of expectation. But perhaps the most useful sections in this book are the exercises that Uta Hagen has created and elaborated to help the actor learn his craft. The exercises deal with developing the actor's physical destination in a role; making changes in the self serviceable in the creation of a character; recreating physical sensations; bringing the outdoors on stage; finding occupation while waiting; talking to oneself and the audience; and employing historical imagination. The scope and

range of Uta Hagen here is extraordinary. Her years of acting and teaching have made her as finely seasoned an artist as the theatre has produced.

The Secret Prisoner Secret Prisoner, 2021-09-04 The Secret Prisoner Book is a first hand insight into what prison is like in the UK. This truly is Prison in the UK Exposed! I was sentenced to 5 years and experienced first hand one of the worst prisons in the UK, Wandsworth Prison. I kept a prison diary throughout my journey, as a normal business family man, going through one of the worst times in my life in one of the worst prisons in the UK. Time to lift the lid on what prison is really like in this true, prison uncovered, warts and all book. This book is as raw as it gets, ive self published so i apologise now if its a bit rugged in places and gramatically incorrect here and there, Ive literally taken it direct from my prison diaries and formatted it in a readable format for you to see first hand, what it is like to be placed in the middle of hell. I wanted to share, first hand, what it is like to be placed in the middle of hell. I heard all the horror stories of prison, the rapes, beatings, gangs, drugs, violence and it terrified me and no one could prepare you for what was to come or what stories were true or not. This is why I decided to keep a diary of all the events, feelings, politics and the good and bad things that go on inside prison. Prison is a big scary and dark place but as you will read in my book, there is light in the darkest of places and humanity does shine through in the last place you would expect. There's selfishness, charity, brutality, compassion and corruption. Feel

through my eyes what, being in one of the worst prisons in the UK, HMP Wandsworth prison, and being in prison for the first time is really like! Then there's the other side of prison, the craftiness, ingenuity to survive and pass the time and suppress boredom, then there's the heartbreak, from the children that suffer due to their parent being imprisoned, partners that must face life alone now and family members who are without their loved ones. Ive tried to cover my first hand feelings exactly at that moment, all aspects of living in prison and what it is like for a normal family man whose business activities have landed him in this situation, to now be in a completely alien environment and trying to survive. Some snippets of the book to wet your whistle: Ice cream shop for druggies The Pregablin Tazmanian Devil Alladins cave of Contraband like a scene from oliver He was blatantly having phone sex Getting toilet roll is like finding rocking horse shit Pigeon shit, mice and rats Throwing Poo More Phones here than carphone warehouse He chiseled through his cell wall wedding tackle flopping She went down like a sack of shit Wanking wakes me up Hot Spot For Suicide Killed for fish fingers Moldy, Riddled in pubes and like a crime scene Im in prison for being a cannibal OAP Bare Knuckle Boxing Ive befriended a murderer The seagull shat everywhere Shipped out for KFC Inducting a Terrorist A Hitman at Ford Shankd for a pair of trainers Corona Virus Lockdown Prostitute Prison is really an unreported world and i hope this gives you a real insight into what prison is really like for someone that is a total prison virgin, not accustomed to this life

and what it would be like if you were to find yourself in this position. First we had the secret Barrister book, then the Chris Atkins Bit of A Stretch followed by The Secret Magistrate book, now we have the secret prisoner book.
