The London Cabbie Alf Townsend,2011-10-21 Forty years ago Alf Townsend passed The Knowledge - after 14,000 miles on a moped round central London. Since then he has covered millions of miles in his taxi. This book includes a selection of his extraordinary and hilarious tales of everyday life as a cabbie, in which we meet Mr Whippy and Violent Pete, Bread Roll Mick and the Motorway Mouse, Claude the Bastard and the mysterious Mr X. Alf also examines the history of cab-driving in the capital - including the variety of taxis that have been used - and even tries to shed some light on the most ancient and obscure Hackney Carriage laws that are still on the statute book. (Do you know why a taxi is so tall? So a passenger can get on board wearing a top hat: it's true...) Concluding with a look at the seamy side of night work, the rise and rise of the mini-cab, and what the future may hold for the London cabbie, Alf Townsend's book will be entertaining reading for all Londoners, and anyone else who has travelled in the back of a black cab.

**Shouting Into the Silence** Danny Smith,2013-08-23 Danny Smith has been at the forefront of human rights campaigning for over twenty-five years. He has fought for many people, providing a voice for the voiceless and a light in the darkness - this is his story. Shouting into the Silence is fast-moving and inspirational. Danny takes the reader to some of the darkest places on Earth and uncovers many of the 21st century's most shameful secrets, including child sex slavery, human trafficking, the killing of street children and the orphanages of China. As the head of Jubilee Campaign, he posed as a sex tourist to get the UK laws on child abuse changed; he went to Moscow to fight for the Siberian Seven, and to the streets of India, to break the cycle that had meant that the children of prostitutes would always end up in the same trade. Shouting into the Silence is the story of one man's battle on behalf of children at risk.

*COBRA The life story of Tiago "Cobra" Amorim* Francisco Gomes de Amorim,William Amorim Masheter ,2022-05-31 Tiago's story is one of happiness, adventure and great triumph. Despite the adversity he faced, and the tragic accidents that would leave him physically impaired for most of his life, Tiago carried with him an unstoppable energy that would see him through life's challenges. In overcoming the many obstacles that were thrown at him, Tiago learned from a very young age the importance of humility. His curiosity to understand the great mystery of our existence - beyond the physical - led him down roads that he would pave himself. This life story inspires and reminds us that a full life is rarely measured just in the accumulation of years, but in the enthusiastic reaching for what most of us believe to be unattainable.

Including information on the well-known cabs from Austin and Metrocab, the book also covers less well-known machines from Citroen, Beardmore and Unic, and a whole host of even more obscure vehicles, some of which never got past the prototype stage. community reclaims a hidden heritage. "When it comes to community, the province of New Brunswick is at the head of the parade, and the city of Saint John has a story that proves the point. This book is a lively, even hilarious, account of how a band of intrepid friends, who loved their city, rallied the support required to save a hidden gem of its heritage. You will be charmed and amazed that an unemployed taxi driver, and the people who joined this endeavor, could have pulled off this coup of cultural preservation.
