George Platt Lynes Steven Haas,2011 The elegant male nude photographs of George Platt Lynes, many never before published, from a newly discovered archive of negatives. George Platt Lynes was the preeminent celebrity portraitist of his day, shooting for Vogue and Harper's Bazaar and creating distinctive photographs of iconic cultural figures such as Diana Vreeland, Salvador Dalí, and Orson Welles. But he also produced a separate body of work, kept largely hidden during his lifetime: photographs of the male nude. Many of these photos were shot in the studio and, like his fashion and dance work, were painstakingly posed and lit. They have a cinematic allure that evokes 1940s Hollywood and the lost era of New York's café society. Many seem to illustrate some unwritten mythology. Others reveal private obsessions of the photographer, who was always alert to the sculptural qualities of a young man at his most vital. This is the only Platt Lynes book to focus on the male nude images in a comprehensive and carefully considered manner. It is the first book to be published with the cooperation of the artist's estate, which has provided unprecedented access to institutional and private collections, including the Kinsey Institute and the Guggenheim Museum. The result: a trove of unpublished images that are sure to cause a sensation.

Naked Men David Leddick,1998 This extraordinary book documents a fascinating moment in the history of American culture - a period in the 1930s, '40s and '50s that give birth to a new notion of male beauty and desire, and to a new type of male icon. Long before Stonewall and the gay pride movement, a small group of daring men - photographers and the models who sat for them - helped pave the way for male sexual liberation. Led by the photographer George Platt Lynes and featuring men such as Jean Marais, Yul Brynner, Paul Cadmus and Tennessee Williams, this group of men - straight as well as gay - shattered taboos surrounding the artistic representations of the male figure. Their ground-breaking work remains as relevant and evocative today as it did half a century ago and its influence can be seen in the work of modern masters such as Bruce Weber, Herb Ritts and Robert Mapplethorpe.

Imogen Cunningham Paul Martineau,2020-09-29 Thoroughly researched and beautifully produced, this catalogue complements the first comprehensive retrospective in the United States of Imogen Cunningham's work in over thirty-five years. Celebrated American artist Imogen

Cunningham (1883–1976) enjoyed a long career as a photographer, creating a large and diverse body of work that underscored her unique vision, versatility, and commitment to the medium. An early feminist and inspiration to future generations, Cunningham intensely engaged with Pictorialism and Modernism; genres of portraiture, landscape, the nude, still life, and street photography; and themes such as flora, dancers and music, hands, and the elderly. Organized chronologically, this volume explores the full range of the artist's life and career. It contains nearly two hundred color images of Cunningham's elegant, poignant, and groundbreaking photographs, both renowned and lesser known, including several that have not been published previously. Essays by Paul Martineau and Susan Ehrens draw from extensive primary source material such as letters, family albums, and other intimate materials to enrich readers' understanding of Cunningham's motivations and work.

The Sexual Perspective Emmanuel Cooper, 2005-08-11 First published in 1986 to wide critical acclaim, *The Sexual Perspective* broke new ground by bringing together and discussing the painting, sculpture and photography of artists who were gay/lesbian/queer/bisexual. The lavishly illustrated new edition discusses the greater lesbian visibility within the visual arts and artist's responses to the AIDS epidemic. Emmanuel Cooper places the art in its artistic, social and legal contexts, making it a vital contribution to current debates about art, gender, identity and sexuality.

Robert Mapplethorpe Paul Martineau, Britt Salvesen, 2016-03-15 The legacy of Robert Mapplethorpe (1946 –1989) is rich and complicated, triggering controversy, polarizing critics, and providing inspiration for many artists who followed him. Mapplethorpe, one of the most influential figures of his time, today stands as an example to emerging photographers who continue to experiment with the boundaries and concepts of the beautiful. *Robert Mapplethorpe: The Photographs* offers a timely and rewarding examination of his oeuvre and influence. Drawing from the extraordinary collection jointly acquired in 2011 by the J. Paul Getty Museum and the Los Angeles County Museum of Art from The Robert Mapplethorpe Foundation, as well as the Mapplethorpe Archive housed at the Getty Research Institute, the authors were given the unique opportunity to explore new resources and present fresh perspectives. The result is a fascinating introduction to Mapplethorpe's career and legacy, accompanied by a rich selection of illustrations covering the remarkable range of his photographic work. All of these beautifully integrated elements contribute to what promises to become an essential point of access to Mapplethorpe's work and practice. This publication is issued on the occasion of the exhibition *Robert Mapplethorpe: The Perfect Medium* on view at both the J. Paul Getty Museum and at the Los Angeles County Museum of Art from March 15 and March 20, respectively, through July 31,

2016; at the Musée des Beaux-Arts de Montréal from September 10, 2016, through January 15, 2017; and at the Art Gallery of New South Wales, Sydney, from October 28, 2017, through February 4, 2018.

Playing with the Edge Arthur C. Danto, 1996 1946-89 US art photographer. A critical study of Mapplethorpe by the renowned art critic & philosopher.

Gregory Crewdson: In a Lonely Place Gregory Crewdson, Craig Burnett, 2011-08-01 Although these series illustrate distinct subject matter, they share Crewdson's unique preoccupations and compelling aesthetic. *Fireflies* is the result of two solitary summer months spent photographing the fireflies that came alive at dusk each evening. *Beneath the Roses* depicts the homes, streets, and forests of unnamed small towns, revealing emotionally charged moments in the lives of seemingly ordinary individuals. In *Sanctuary*, haunting images of the legendary Italian film studio Cinecittà capture the beauty of the decaying film sets. Texts from curators of the exhibition and Crewdson himself offer fresh insight and examine the parallels between these seemingly disparate subjects. Celebrating some of the artist's greatest work, this volume is a must-have for any Crewdson fan and the perfect introduction to those discovering him for the first time. Praise for Gregory Crewdson: *In a Lonely Place* Whether one is exploring Crewdson's work for the first time, or revisiting his images, text from both the artist himself and the curators involved gives the reader a personal interaction with Crewdson that illustrates his passion for capturing the lives of others. --Huffington Post

The Homoerotic Photograph Allen Ellenzweig, 1992 Gathered here are 127 beautiful and provocative duotone photographs that reflect the wide-ranging history of male homoeroticism as revealed by the camera--amply suggesting spiritual, physical, and intellectual exchange between men. To accompany these images, Ellenzweig offers a detailed account of the multiple and complex meanings of the homoerotic, from the 1850s to today.

The American Ballet Ted Shawn, 1926

Lionel Wendt Nicky van Banning, 2017 Sri Lankan photographer Lionel Wendt's (1900-1944) choice of subject was eclectic: from sensual and homoerotic portraits to tropical images of Ceylon (now Sri Lanka), and from picturesque scenes to compositions for which he used modernistic stylistic devices and experimental techniques. After his premature death in 1944 his negatives were destroyed, but his prints resurfaced in the 1990s, and are now part of several international private and museums collections. This year Wendt's work will be exhibited at Documenta in Athens, and a large scale

retrospective will take place in the summer of 2017 at Huis Marseille Museum for Photography in Amsterdam.
