Modern Vintage Pin-Up Marilee Caruso, 2015 This collection of over 250 contemporary retro-style cheesecake, glamour, and hot rod pinup photographs by Northern California artist Marilee Caruso

takes women from all backgrounds and transforms them into the classy yet stimulating bombshells of our parents' and grandparents' day. Inspired by icons such as Marilyn Monroe, Bettie Page, or Sophia Loren, each portrait provides a nostalgic glance into the mood, style, and sex appeal of the 1930s, '40s, '50s, and '60s era pin-up girl. From black and white Hollywood starlets to greasy hot rod honeys, this bevy of gorgeous gals has been revamped with vintage hair and makeup, wardrobe, and posing. Shot with high-quality digital technology of the 21st century, each image is reminiscent of the drawings of Gil Elvgren and Alberto Vargas.

Retro Sydney Ian Collis, 2013 *Retro Sydney: Updated Edition* is a fantastic visual throwback to the Harbour City in the 1950s and 60s, with never before seen images gathered by vintage photograph collector Ian Collis. the Harbour; Queen Elizabeth II on her Royal Tour of Australia in 1954; The Royal Easter Show in the 50s and 60s when it was located in Moore Park; Old, industrial Pyrmont long before the Star Casino was established; Sydneysiders on the beach with families, lifeguards and lovely ladies in swimsuits; Suburbs we are all familiar with, as they were in the 1950s and 60s.

Trevor James Lecesne, 2012-09-25 Trevor is an exuberant, sociable, and witty thirteen year old. So how come, when he takes that nerve-wracking turn toward his locker at school, he feels scared and alone? Shunned by his friends, misunderstood by his parents, and harrassed at school for being different, Trevor goes from wondering what color glitter to choose for his Lady Gaga costume at Halloween, to wondering why some feelings are so intense it makes you just want to lay down and die rather than go on feeling it, and making an attempt on his life. Trevor mixes humor and realism in an urgent look at what it is like to feel alienated from everything around you. And more importantly, what critical ties can step in at the most unlikely moment, to save you from despair, and give you reason to go on living. Trevor is an update of the film version of the story, directed by Peggy Rajski, which won

the Academy Award for Best Live Action Short in 1994. The Trevor Project is the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgendered, and questioning youth. As the recent attention to youth suicides has received increased media attention, and Dan Savage's IT GETS BETTER campaign has gone viral around the world, the public is finally beginning to face hard facts. Thirty-three percent of suicides among teenagers involve LGBTQ youth, one-third of all LGBT kids report having attempted suicide, and nine out of ten report overt harassment at school. Trevor is an effort to make those kids feel loved and supported, so they will find the strength to go on living.

Even in Our Darkness Jack S. Deere, 2018-03-06 I am the descendant of drinkers and drifters better at passing on their love for the bottle than family history... Prepare yourself for an unvarnished, harrowing look at one Christian's life. A powerful memoir of knowing and being known by God through the pain of loss, tragedy, and brokenness—Even in Our Darkness explores what it means to fend off

doubt and despair, even in the most painful trials. Jack Deere tells the true story of his life growing up near Fort Worth, Texas in the 1950's and the disintegration of his family following his father's suicide. Despite his difficult childhood and an inclination toward the depression that had crushed his parents, Deere describes how he began to wrestle with Christianity and how God was...slipping in through the crack of an open wound. In his mid-twenties, Jack rose to fame and success as a leading scholar, popular speaker, and bestselling author. But despite being rescued and exalted, Jack was devastated in the years that followed, losing his troubled son to suicide and his wife to alcoholism. Only then did he fully face his own addictions, surrender control, and experience true healing. An authentic story of the Christian life, *Even in Our Darkness* is like following an experienced guide through a barren country. Like many believers, Deere has had experiences that nearly destroyed him, and he was shown, by grace, how to overcome life's disappointments and learn to hear God speak in unbelievable ways, despite the darkness that surrounds us. Unmasked, unsettling, and unforgettable . . . this will change the landscape of your soul. —Ann Voskamp, bestselling author of *The Broken Way* and *One*

Unsinkable Faith Tracie Miles, 2017-04-01 For many people, remaining optimistic and feeling positive about themselves and their lives is a constant battle—especially when circumstances are difficult and life is hard. For others, negativity is something that only sneaks up from time to time, yet still wreaks havoc in their hearts. Regardless of the root causes, once pessimistic thoughts permeate our minds, our feelings and emotions begin to control us instead of us controlling them. Eventually it doesn't seem possible to stay positive, happy, and full of joy, and negative thought patterns shake our faith, causing us to sink emotionally, mentally, and spiritually over time. But it doesn't have to be that way. Despite what storms roll in, hearts anchored in God don't sink. When we change the way we think, we can change the way we feel and live, even if our circumstances remain the same. Intentionally embracing the opportunity to experience a transformed heart and a renewed mind opens the door for a changed life, because a positive mind will always lead to a more positive life. In *Unsinkable Faith*, author and Proverbs 31 Ministries speaker Tracie Miles offers hope for women who

struggle with negativity. Each chapter explores Tracie's and other women's personal stories, showing how they rose above their circumstances by transforming and renewing their minds. Unsinkable Faith is a breath of fresh air for anyone longing for a heart full of joy, an unbreakable smile, and a new, more optimistic perspective on life. This book will equip you to: Replace pessimism with positive thinking by becoming the captain of your thoughts; Learn how true joy and happiness are based on choice, not circumstances; Overcome unhealthy habits of negative thinking by intentionally implementing three easy mind-renewing steps; Stop feeling hopeless and pitiful, and start feeling hope-filled and powerful instead; and Discover that when you change the way you think, you change the way feel, and in turn you can change your life completely.

Grayson Perry Grayson Perry, Wendy Jones, 2012-05-31 Every inch of Grayson's childhood bedroom was covered with pictures of aeroplanes, and every surface with models. Fantasy took over his life, in a world of battles ruled by his teddy bear, Alan Measles. He grew up. And in 2003, an acclaimed ceramic artist, he accepted the Turner Prize as his alter-ego Clare, wearing his best dress,

with a bow in his hair. Now he tells his own story, his voice beautifully caught by his friend, the writer Wendy Jones. Early childhood in Chelmsford, Essex is a rural Eden that ends abruptly with the arrival of his stepfather, leading to constant swerving between his parents' houses, and between boys' and women's clothes. But as Grayson enters art college and discovers the world of London squats and New Romanticism, he starts to find himself. At last he steps out as a potter and transvestite.
